Official Notice

REQUEST METHOD PLANNED FOR RESERVING MSC ROOMS The past two years the MSC has held a drawing the first two weeks in May to determine who the guest rooms would go to for the major events. This year the same procedure will be followed and requests will be accepted May 1 through May 31, for the 1953-54 school year. The drawing will be held after the final May 31 date, to determine who will receive available accommodations. PROCEDURE NECESSARY The reservation request procedure is necessary because of the great demand for guest rooms during weekends of much local activity, so that all who desire rooms may have an equal chance to receive them. Reservation requests may be made out without giving the specific date if it is not known by designating the name of the event you wish to attend. To facilitate the drawing procedure, a separate request should be filed for each room in the MSC is desired. Restrictions placed on the overall request procedure maintain that only one room can be reserved for each event and that the guest room reservations will not be transferable. DEPOSIT IMPERATIVE Following the drawings after the May 31 request deadline, confirmations will be mailed to the individuals whose names were drawn. A room deposit may be mailed to the Center at any time after the confirmations are received or by the specified time on the confirmations. Room deposits not received by two weeks prior to the desired date will result in automatic cancellation of the reservation. Individuals desiring accommodations may write, or personally make the request at the MSC desk between May 1 and May 31.
