

Student Senate Sets Thursday Meeting

Student Senate will meet Thursday night at 7:30, said Bennie Zinn, assistant dean of men. The agenda was set by the Student Senate executive committee which met Monday.

Things to be discussed at the meeting are the Muster program, a report from the Mother's Day program committee and study of possible constitutional amendments, Zinn said.

He said the possibility of setting up an absentee balloting arrangement would be studied and that any such move could be brought about only by a constitutional amendment.

The Mother's Day committee meets today at 5 p.m. to prepare its report, he added.

Five States Enter Texas Aggie Rodeo

By RAY GOSSETT
Battalion News Staff

Eighteen teams and approximately 100 contestants from Texas, Oklahoma, Louisiana, Colorado and New Mexico will compete for three days in the Texas Aggie Rodeo starting Thursday.

Performances will be Thursday, Friday and Saturday nights at 8 with a matinee show at 2 p.m. Saturday. Stock for the rodeo will be furnished by the Triangle Bell Ranch at Belton. Duke Gibbs is the producer.

Featured events include calf tie-down and calf ribbon roping, saddle

bronc and bareback riding, bull riding and bulldogging.

There's a place in it for the girls, too. About ten of them will participate in barrel and flag racing.

The Aggie team includes team captain Bobby Rankin, Lowie Rice, James Dickey, Joe Connell and Billy Steele.

Rankin will enter both calf roping events, bulldogging, bareback riding and bull riding. Rice will try for calf tie-down roping and bulldogging honors, and Dickey will enter saddle bronc and bareback riding and bulldogging events. Connell and Steele will participate in both calf-roping contests.

To the best all-around cowboy will go a hand-tooled trophy saddle. Runner-up will get hand-made boots. Last year's winner was Tex Martin from Sul Ross College.

Other Awards

Other awards are first places—gold and silver trophy buckles; second—hats; third—western shirts; fourth—Levi pants.

In the ladies division, the best all-around cowgirl will receive a gold wrist watch.

The Aggie team recently participated in events held at West Texas State and Oklahoma A&M colleges. They placed fourth in both.

Each year a best all-around cowboy of the year is chosen. Winners are chosen from results of various southwestern rodeo events during that year. Last year's winner was Dick Barrett from Hardin Simmons University.

He is entered in the Aggie rodeo.

Rankin Gets Second

The intercollegiate rodeo standings for the Aggie team place Rankin second in bulldogging for the year. Steele is tied for first in ribbon-roping and Connell is third in tie-down calf-roping. Final results will be determined by events to be held at Texas Tech, Arlington State and the finals at Hardin Simmons University.

Tickets for the rodeo may be obtained from any member of the Aggie Rodeo Club. Students may buy tickets in advance at a reduced price of 50 cents.

All student tickets at the gate will be 60 cents. All adult tickets are \$1 each, said Billy Steele, ticket committee chairman.

It is customary that all freshmen be allowed to attend Aggie rodeos out of uniform, Davis said.

Abramson Wins YETP Contest

Prof. H. Norman Abramson of the Aeronautical engineering department is co-winner of the young Engineering Teachers Paper Contest in the southwest section of the American Society for Engineering Education.

The contest was held at the recent conference of the southwest section of the society in Albuquerque.

Abramson's paper will be entered next in regional judging for the Rocky Mountain - Southwest Region. Two winners of the regional judging will be presented at the national meeting of the ASEE in June.

Abramson's paper deals with the responsibility of engineering teachers. Its title is "Integrity." The co-winner of the contest is Prof. W. B. Diboll of the mechanical engineering department at Rice Institute.

A member of the aeronautical engineering staff at A&M since September, 1951, Abramson came here from Chance-Vought Aircraft in Dallas. He received his undergraduate and graduate degrees at Stanford University.

ARE YOU TOUGH ENOUGH TO WEAR THIS?

If you can make the grade, the U. S. Air Force will award you a commission, your wings and pay you over \$5,000 a year!

CAN YOU "take it" 6 days a week? For 52 weeks? Can you meet the high standards required to be an Aviation Cadet? If you can—then here's a man-size opportunity! An opportunity to serve your country and build a personal career that will fit you for responsible positions both in military and commercial aviation.

It won't be easy! Training discipline for Aviation Cadets is rigid. You'll work hard, study hard, play hard—especially for the first few weeks. But when it's over, you'll be a pro—with a career ahead of you that will take you as far as you want to go. You graduate as a 2nd Lieutenant in the Air Force, with pay of \$5,300.00 a year. And this is only the beginning—

New Aviation Cadet Training Classes Begin Every Few Weeks

- HERE'S WHAT TO DO:**
1. Take a transcript of your college credits and a copy of your birth certificate to your nearest Air Force Base or Recruiting Station. Fill out the application they give you.
 2. If application is accepted, the Air Force will arrange for you to take a physical examination.
 3. Next, you will be given a written and manual aptitude test.
 4. If you pass your physical and other tests, you will be scheduled for an Aviation Cadet Training (although the Selective Service Act allows you a four-month deferment while waiting class assignment.

Where to get more details: Visit your nearest Air Force Base or Air Force Recruiting Station or WRITE TO: AVIATION CADET HEADQUARTERS, U. S. AIR FORCE, WASHINGTON, D. C.
