take first in the middle distance. Aggie pole vaulters, Malcolm Marks and Glenn Spradlin will have competition from the Ponies in Dick Bernet, Dick Hooker and Charles Maples.

SMU Frosh Winners

The SMU freshmen beat both the Rice and A&M freshmen at the Texas Relays, however, the Aggie Fish only had a few men entered.

The Aggie Fish won a tri-meet with Victoria Junior College and John Tarleton here earlier.

The Rice Slimes beat the Victoria Junior College team in the Border Olympics in Laredo, at the start of the season, and are reported to have a fine team.

With Hooper not participating, the shot and discus winners will be a toss-up between the Cadets two other weight stars, Bobby Gross and Dan Pratt. Gross will probably be the winner in the discus however, since Pratt hasn't beaten Gross in this event this year. Pratt has beaten Gross in the shot put in the last two meets, and either could win Saturday.

Aggies Meet SMU In Crucial Series

It will be a case of sink or swim for the Aggies Friday and Saturday when the league-leading SMU Mustangs invade the Kyle Field diamond for a two-game series.

A double win can put the Cadets back in the middle of the pennant battle, while a split in the series would dim Aggie chances considerably. Two losses would move them far back among the also-rans.

TCU will follow the Mustangs, coming to the Aggie diamond for a single game on Monday.

With three front line pitchers ready for mound duty in the three games, the Farmers are ready for the invasion. Melvin Work, Jerry Nelson, and Joe Hardgrove have had ample rest, and all are capable of going the distance if the hitters pull out of their collective batting slump.

Farmer Leading Hitter

Leading the Aggie hitters through 15 games is Tex Farmer, with a season batting average of .269, while his conference batting average is .278 for six games.

The Aggie team batting average in the 15 games is .163, and the

opponents have a .219 mark against Aggie pitching. In conference play, the Cadet mark sinks to .103, while conference opponents have compiled a .218 hitting average.

With veteran righthander Hollis Morton supported by sophomore chunkers Tommy Bowers and Ernest Proud, the SMU showdown series might develop into a battle of sophomore hurlers, if Nelson and Hardgrove should get the call to pitch for the Aggies in the series.

Arkansas Tops Ags As Aggie-Ex Stars

Former Aggie Miller Barber helped Arkansas golfers to a 3 1/2-2 1/2 win Monday over the Cadets in Fayetteville.

Barber and Hog captain Tom Raney each shot a one under par 69 to win John Barrett 5 and 3 and Homer Callaway 1 up.

In other singles matches, Malcolm Douglas of A&M clipped Jim Billingsley 2 and 1. Sophomore Aggie Bob Briggs beat E. B. Gee, Jr., 2 and 1.

Billingsley and Raney beat Barrett and Douglas, 3 and 1, while Raney and Gee were all even with Callaway and Briggs at the end of partner play.

Fencers Win Team Title in Epee Class

The Aggie Epee team won the college division title but lost the division club title in an open and team epee meet in Galveston Saturday.

A&M's no. 1 team of Bill Willman, Gus Wulfman, and Jimmy Pigg beat the Aggie no. 2 team 5-4 for the title. Fencing for the second team were Bill Huettel, Bob Braslau, and Bob Jones. The Galveston Buccaneers then defeated the Cadet no. 1 team 5-3 for the division title.

Gus Wulfman was presented with the annual award for being the outstanding Prep fencer of the year.

In open epee competition, Willman, Pigg, Jones, and Wulfman took second, fourth, fifth, and sixth respectively. They all qualified for individual competition in the sectional finals. The no. 1 epee team qualified for team competition.

Intramural Match Taken By A Ord.

A Ord. won the intramural rifle team title Monday in competition held for the first time this year.

With an aggregate score of 802 points, A Ord. finished 25 points ahead of second place Sqdn. 7, which posted a total of 777 points.

In third place was Sqdn. 10 with 743 points, A Inf. was fourth with 694, and B Inf. took fifth place with 676 points.

The two top totals of the matches, the 802 turned in by A Ord. and the 777 fired by Sqdn. 7, were the two highest team totals ever fired in intramural competition.
