AAU Swim Meet In Ag Pool Friday

Bathing beauties from all over the Southwest will begin invading the campus of Texas A&M Friday May 1, for the AAU Women's Synchronized Swimming meet.

Synchronized swimming is a relatively new sport in the southwest, but it is growing in popularity as fast as the girls can learn to swim.

It is no longer just a series of strokes, stunts or formations; now it is a combination of smooth rhythmic strokes and movements, along with mixed or hybrid stunts and interpreting formations set to the rhythm of such tunes as, "Little Jumping Jack," "Tango," "The Mexican Hat Dance" and "The Fantasy of Namakahakaha, Hawaiian Goddess of the Sea," said Aggie swim star Don Crawford.

All of this will take place in a colorful atmosphere created by props, colored lights, decorated inner-tubes, and the newest, most up-to-date bathing suits and costumes worn by the entries of the Women's Synchronized Swimming Meet.

Crawford urges everyone to get tickets early in order to insure a front row for one of P. L. Downs Natatorium's newest program.

comprising the System. I hope to render the best service of which I am capable to the people of Texas," the chancellor-elect said.

Chancellor-elect Harrington has been president of A&M since June 3, 1950. He has been a member of the college staff since 1924, when he became instructor in the chemistry department. He was named assistant to the dean of the college in 1946, dean of the School of Arts and Sciences in 1947, dean of the college and president-elect in 1949.

A native of Plano, Harrington graduated from A&M in 1922 and received his Ph D from Iowa State College in 1941. He was married in 1933 to Miss Ruth Norris of Dallas. They have one son, John, 13 years old.

Harrington was the first Aggie to become president of A&M and now becomes the first former student to be named to the chancellorship. Gilchrist was the first chancellor of the System which was organized in 1948.

Upon retirement from the chancellorship, Gilchrist will be completing 16 years of service as a top executive in the A&M organization. He joined the staff as dean of engineering of the college in 1937, became president in 1944 and was named chancellor of the System, when it was organized in 1948.

Vote For the School Bond Issue May 2

Give Them Adequate Classrooms

For approximately \$1.00 a month more you can give College Station school children the adequate classrooms they so desperately need.

By voting For the proposed \$385,000 school bond issue, the average home owner's school tax will be \$3.50 per month instead of \$2.50 he formerly paid . . . less than the price of two cartons of cigarettes

The need for classrooms is critical. The school opens in September, and it will be crowded beyond capacity.

Your vote of "yes" in the election will relieve these conditions in both elementary and high school grades. Give our children the most important part of their lives.
