Rice Next Aggie Foe; Hitting Is Picking Up

The Aggie baseball team joun- eys to Houston this weekend for a pair of Southwest conference games with the Rice Owls.

New-found hitting power has caused spirit to surge upward, and the Farmers figure to be very tough to handle in their remaining six SWC games.

The Aggies go into the Rice series on Friday and Saturday with a conference mark of five victories and four defeats, while the record over the season is balanced at nine wins and nine losses.

Nelson Wins Two

Jerry Nelson added two victories to his pitching record as he relieved Melvin Work in the Friday SM U game and pitched five innings to get credit for the 14-5 win over the Ponies. Nelson came back Monday to go the route against the TCU Horned Frogs for a four-hit 3-2 victory. The wins gave him a conference record of four wins and one loss, and his season mark stands at four wins and two losses.

Heft Leads Hitters

Don Heft leads Cadet hitters in the 18 games played to date, with eight hits in 29 times at bat, for a .276 average. Tex Farmer is next with 17 hits in 67 at bat for a .254 season mark.

Nelson leads the pitchers in games won and lost, with a 4-2 mark, although Ed Hennig was the only game in which he was a pitcher of record. Work leads in the earned run average column, giving up six earned runs for a 1.7 average. Lou Little has an earned run average of 1.8 to hold down second place in that department.

Aggie outfielders are closely pressed by the pitching staff for fielding percentages. The regular

outfield trio of Eric Miller, Farmer, and Lester Byrd have only two bobbles chalked up against them, with one each coming from Farmer and Byrd. Miller has handled 15 chances in right field faultlessly, while Nelson, Little, and Joe Hardgrove are flingers who have yet to err. David Varble is the other outfielder with a perfect fielding mark, making a putout in the single ball hit his way in six games.

Four Roundtrippers

Four Aggies have pounded out homers, with Farmer, Jerry Robinson, Work, and Jerry Lastelick doing the honors. Farmer and Robinson rapped out bases-loaded circuit blows, while the Work and Lastelick homers came with one mate on base.

MSC Plans Record Party For May 7

Selections ranging from Broad- way musicals to Tchaikowsky bal- let will be featured in the second MSC record listening party.

The record party is scheduled at 7:30 p. m. Thursday, May 7, in the MSC Social Room. It is sponsored by the Music Committee.

Frank Jenkins, junior from San Antonio, will give a short com- mentary on the music.

Records include "The Noldau," a symphonic poem by Smetana; "Svan Lake Ballet" by Tchaikow- sky and selections from "Annie Get Your Gun" and "Fal Joey."

Caudill to Attend Building Clinic

William W. Caudill, research architect at the Texas Engineering Experiment Station, will attend a three-day School Building Clinic at the University of Omaha April 29, 30, and May 1.

This is the first clinic of its kind to be offered in this area. It will cover every phase of school build- ing problems.

The nation's top ranking archi- tects will discuss building prob- lems at the clinic and hold private consultations.

Team Named For Arlington Rodeo

The rodeo team which will com- pete in the Arlington State College rodeo May 7-9 has been elected by the Rodeo Club.
