CCTA to Choose Officers Friday

The College Classroom Teachers Association will elect officers Friday in the YMCA Assembly Room. The electing will follow a meeting at 7:30 p. m. of the American Association of University Professors. A nominating committee of Dr. John Sperry, of the biology department; Dan Davis, of the agriculture economics and rural sociology department and W. F. Adams, of the electrical engineering department has been chosen, said N. F. Rode president of the association.

The two meetings are held in conjunction because of overlapping memberships, Rode said.

Don E. Smith of Grand Saline; Stanley P. Smith of Bastrop; Franklin D. Waddell of Rody; Curtis D. Wilkinson of Alvarado; James A. Witcher of Lampasas and Frank A. Woodyard of Dallas. Professor A. L. Darnell will preside.

The program will begin with an organ prelude by Roddy Peeples and invocation by Oliver C. (Putter) Jarvis. Dean of Agriculture Charles N. Shepardson will explain the significance of awards and merits day.

Afterwards, a musical interlude featuring a solo by Lamar Ashley and medley of old favorites by Peeples and Jimmy Eller, will be presented.

Shepardson will present the awards.
