

Aggies Will Try To End UT Title Drive Here

Rain caused the cancellation of today's baseball game with Texas on the Aggie diamond, but Jerry Nelson still gets the call to pitch the opening game of the series at 3 tomorrow afternoon.

Melvin Work has been named by Coach Beau Bell to start the Saturday game, scheduled to begin at

2, as the Aggies try to knock the Longhorns out of a first place tie in the conference standings.

Firmly entrenched in fourth place in conference standings, the Aggies are not likely to move either up or down as a result of the two games with Texas today and tomorrow. A victory in either

game would be a pleasing finish to an otherwise disappointing season, so the starting nine may be freely shuffled as the Cadets try to chalk up a win.

Behind the plate, either Jerry Robinett or Jimmy Williams may get the call to start. Williams is an outstanding defensive catcher, while Robinett is capable of hitting the long ball.

On first, Captain Bill Munterlyn and Sam Rowland are both good defensive men, and Bell will select the one he considers most likely to deliver base blows.

Charles Leissner has played well at second all season, and is expected to start there.

The shortstop assignment has gone to Don Heft in recent games, and he will probably start, although Don Ellis also plays the position very well and may start.

Jerry Lestelick is the probable third base choice, with Jim Parish ready to take over if called.

In the outfield, Lester Byrd, Bobby Farmer, and Eric Miller are the regular starters, but any of them may give way to such players as Fred Ablon, David Verble, and Frank Pollard.

Aggies To Defend Title In SWC Meet

Javelin finals tomorrow will open the Aggie assault on the record book when 30 track men begin a two-day battle for the SWC track crown in Fort Worth.

The well-balanced Cadet squad will not only be trying to set individual records, but will be out to break their record of 114½ points scored in the 1951 conference meet.

With Olympic Star Darrow Hooper leading the attack on the shot and discus records, the Aggies have potential record breakers in Malcolm Marks, who has twice exceeded the conference pole vault

record; Bobby Ragsdale, who has bettered the broad jump mark and has been only one tenth second over the conference low hurdles record; and James Blaine, who is given a good chance to lower the record in the two mile run.

The Aggies will probably be favored in the mile relay, with Frank Norris, Gerald Stull, Carol Libby, and James Baker the likely quartet in the event.

Other Cadet track stars who will either take first place or will add points to the Aggie total are Pete Mayeaux, Roy Dollar, Tom Dollahite, and George Knipple in the javelin; Bobby Gross and Dan Pratt in the shot and discus; Glenn Spradin and James Earle in the pole vault; Wallace Klob, Edwin Wilmsen, and Bob Collins in the half mile; Dale DeRouen, Charles Hudgins, and Franklin Whitwell in the longer distance events; and Glenn Blake, Dollahite, H. A. Smith and Ragsdale in the hurdles.

The conference finals in track will be held Saturday.

Junior Colleges To Compete Here

The Texas Junior College track and basketball meet will be held here next spring, Athletic Director Barlow Irvin of Texas A&M announced today. The cage tournament will be March 1 and 2 and the track meet May 3 and 4.

Official Notice

OFFICIAL NOTICE Donald D. Dunlop, a candidate for the degree of Doctor of Philosophy in Chemical Engineering, will present his dissertation "Catalytic Oxidation of Propylene with Air At Temperatures near 500°C." Saturday, May 16, 1953, at 2:30 A.M. in the Chemical Engineering Department. Interested members of the Graduate Faculty are invited to be present. IDE P. TROTTER, Dean

SUMMER SCHOOL ATTENDANCE

Some of our students are making plans to attend the 1953 Summer Session in some other college or university. Such students should check with the Registrar's Office to make sure that the work completed elsewhere is acceptable in transfer to A&M.

Courses will not be accepted in transfer for degree credit unless they are (a) substantially equivalent in character and extent (b) with essentially the same prerequisites as similar courses offered at this college.

Students who fail a course in any subject and subsequently take such course or subsequent courses in the same subject at another college may be required to pass validating examinations in such course or courses before they will be accepted for transfer degree requirements. H. L. Heaton Registrar

MATRICULATION FEE EXEMPTIONS FOR WAR VETERANS

Under certain conditions war veterans who are legal residents of Texas are exempt from the requirement of paying the matriculation fee. Any veteran who has exhausted his benefits under the GI Bill is invited to call by the Registrar's Office, if he has not already done so, for a conference on whether or not he may be eligible for this exemption. All who are eligible and who expect to attend the first term of the 1953 Summer Session should obtain a fee exemption slip from the Registrar's Office before paying any fees at the Fiscal Office. H. L. Heaton Registrar

The final oral examination of Mr. Theodore R. Pfriemer, candidate for the degree of Doctor of Philosophy in the field of Entomology, will be held at 3:30 A.M., May 15 1953 in the Entomology Department. Mr. Pfriemer will present and defend his dissertation entitled "The Biology and Control of Thrips Attacking Cotton in the Vicinity of College Station, Texas." The examination is open to all members of the Graduate Faculty. IDE P. TROTTER, Dean

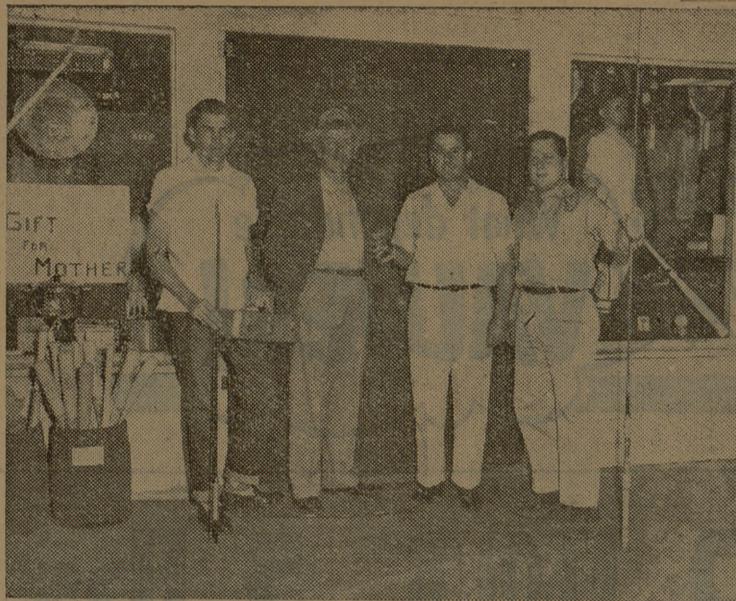

The final oral examination of Mr. Erasmo T. Guerrero, candidate for the degree of Doctor of Philosophy in the field of Petroleum Engineering, will be held in the Petroleum Engineering Department at 1:30 P.M., May 15, 1953. Mr. Guerrero will present and defend his dissertation entitled "A Study of the Effect of Surface and Interfacial Tensions Upon the Recovery of Crude Oil by Water Flooding." The examination is open to all members of the Graduate Faculty. IDE P. TROTTER, Dean

ISAAC WALTONS—Winners of the recent Student Co-Op fishing contest are, left to right, O. E. Pierson, double winner with a 1 lb., 2 oz. crappie and a 15 oz. bream, was presented a fly rod and a tackle box with assorted flies; D. R. Alfonte, whose 6 lb., 1 oz. bass gained him a spinning reel; Ed Garner, Student Co-Op owner; and C. R. Pinson, whose 21 lb., 8 oz. catfish earned him a surf rod.

Mural Barbecue Honors Managers

Approximately \$1,000 in awards will be presented at the final intramural athletic barbecue to be held at the Grove, May 14 at 6:30 p.m.

The intramural barbecue is given annually by the Intramural Department to show their appreciation to intramural officers, managers and athletic officers.

Three senior intramural managers will receive watches, 12 junior intramural managers will receive white sweaters bearing the intramural emblem and 40 Sophomore intramural managers will receive maroon sweaters.

'Rod Races Begin Sunday in Bryan

The opening of hot rod races for this area will be held Sunday at 2:30 p. m. on a new track off Highway 21, just east of the American Legion field.

Proceeds from advance ticket sales will go to the teen-age baseball league of College Station, said Ernest Gregg, member of the board of directors of the league. Tickets are one dollar, and may be purchased at Liscomb's Pharmacy or the main desk of the MSC.

"The races will be worth seeing especially to those interested in racing," Gregg said.

MSC Bowlers Plan For Summer Play

The All-Star Bowling League of the MSC concluded its season's activities Friday, May 8, with the presentation of awards.

A trophy won by Conway and Co., after playing off a tie with Bryan Air Force (C team), is now on display in the show window of Conway and Co. clothiers.

Plans were made for continuing this all-male league through ten weeks of play commencing June 10. Six teams have already been entered, leaving room for two more teams, which will be selected on a first-come-first-served basis, so prospective entrants are urged to register as soon as possible.

A city association of the American Bowling Congress will be formed by the league in August or September of the current year.

The league consists of teams sponsored by the Student Co-Op, College Station State Bank, Conway and Co., and three Bryan Air Force Base teams.

Persons wishing to participate in the summer league may register at the MSC bowling lanes as individuals or as a team. The summer league will be unsponsored.

Local merchants in Bryan and College Station, wishing to sponsor teams in the ABC league this fall may contact the manager of the MSC lanes at any time.

The All-Star Bowling League is open to any male bowler, student or non-student, who is a resident of the Bryan-College Station area.

Awards Made

In addition to the team trophy, the following awards were made; high team series - Student Co-Op; second - BAFF (C team); high team game - Student Co-Op; second - Conway and Co.; high individual average - Cowham of Conway and Co.; second - Koontz of Student Co-Op; high individual series - Parham of Conway and Co.; second - Butler of Student Co-Op; high individual game-Cowham of Conway and Co.; second-Nelson of Conway and Co.

In the play-off for the league championship, Nelson bowled a 615 series, while Cole of BAFF (C team) bowled a 595. Each of these three game series were higher than any series bowled during the regular season play.
