

Col. Andy Seeks Ninth Conference Track Flag

Frank G. (Col.) Andy's tracksters will be seeking their ninth conference flag since he took over the reins in 1922.

He is in his 33rd year a A&M during which time he has served 21 years as track coach. He spent 11 years as corps commandant and also briefly as frosh football coach in 1920 and 21.

Col. Andy has won eight Southwest conference titles at A&M and is heavily favored to repeat this year, making it three in a row and six in the last seven years.

Col. Andy's Aggies won the SWC track crown in 1922, 29, 30, 47, 48, 49, 51, and 1952.

He was track coach here from 1922 through 1935 and again from 1947 to the present. He was commandant of the corps from 1936 to 1946, except for the time he served in World War II. He's a great believer of amateur athletics and believes in his trackmen making the team before getting a scholar-

ship. He has more than 100 boys in uniform the school-year round and will not jeopardize his varsity men by giving scholarships to high school graduates.

Darrow Hooper, Olympic shot put runner-up is the last boy to be given a freshman scholarship by Col. Andy.

Col. Andy was born in Sparta, Tenn., in 1891 and was an outstanding high school athlete in the pole vault and football. He attended Mississippi college under Coach Dana X. Bible, who called Andy "one of the best running backs I have ever coached."

He won 12 letters in college—four each in football, baseball and track. Col. Andy is a great believer in "coaching" his athletes—developing unknowns into steady performers, the kind needed to win track meets.

He attended the 1952 Olympic games at Helsinki, Finland last

summer and observed what he terms "my greatest thrill"—seeing Walter "Buddy" Davis of A&M win the high jump and Hooper taking second in the shot put.

Twin Eagles Play Conroe Friday at 8

The Twin City Eagles will play the Conroe Grand Prixers at 8 p. m. Friday in a Negro baseball game in Travis Park.

Crockett Banks will pitch for the Eagles and Butler Kenty will handle the catching chores. The Eagles are favored in the contest with their season record of five wins, two losses and one tie.

The Eagles are sponsored by the Marion Pugh Lumber Company.

May Award Letters To Soccer Players

Varsity letters may be awarded to members of the Aggie Soccer team next year.

The team made a good showing this year by winning the Texas International Soccer League championship. This was the first year the league was formed. There were five teams in the league. Members are Texas, A&M, Bryan Air Force Base, University of Houston, and Allen Academy.

"I think we should have an even better team next year," said Guillermo Cardenas, captain. Cardenas also coached the team this year. There is a good chance games will be scheduled with schools in Louisiana and California.

"Many Aggies think soccer is for Latin American students only but this is not so" said Cardenas. Cardenas led the league in scoring last year with 16 goals to his credit. He also played a fine defensive game for the Cadets. A&M beat Texas for the flag by winning one game from them and tying the other.

Jerry Nelson To Start Today

Aggie baseball coach Bea Bell will throw Jerry Nelson against Texas today in an attempt to keep them from tying SMU for the title.

Texas has a conference record of 10 wins against 3 defeats. SMU has finished conference play with a 12-3 mark. A win by the Aggies would give the Mustangs undisputed possession of the flag.

The Longhorns could represent the conference in the playoffs against Arizona by virtue of taking their series with SMU 3-1.

Mel Work will start Saturday's game announced Bell. Work has had some hard luck this year and hasn't compiled the record he was expected to by Bell. He is a junior with one more year of eligibility.

Congratulations on Your . . .

ARMY and AIR FORCE GRADUATES!

We now have in stock the NEW OFFICER'S GUIDE. This new volume brings up to date the valuable features of its predecessors, and constitutes a treasure chest of helpful information and guidance.

Officers of all grades and length of service, on active or inactive duty, recognize the value of having THE OFFICER'S GUIDE available for ready reference and wise counsel. Half a million officers have used this book in its many editions. THE OFFICER'S GUIDE is not, as supposed by many individuals, a guide designed solely for junior officers. True, most junior officers do acquire copies early in their career as there is no substitute for this reliable and ever ready source of helpful information. However, many experienced officers of senior grade with many years of service find THE OFFICER'S GUIDE a highly useful and time saving reference.

The officer's family will also benefit by reading this comprehensive volume. Selected sections such as Army Posts and Stations, Foreign Service and Life in Oversea Commands, Customs of the Service, The Code of the Army, and Leadership help to orient your family on the military way of life. To a surprising degree the career of an officer is influenced by his wife. She can contribute most to his success if she is fully informed as to the Army's codes, requirements, customs, and opportunities.

This new edition is in tune with the situation of today and tomorrow. Considerable revision has been accomplished to incorporate important changes in regulations.
