## Delores Fowler Named TSCW Class Beauty

Delores Fowler of San Antonio was named senior class beauty of Texas State College for Women yesterday.

She was honored Thursday along with other class beauties at campus ceremonies.

Miss Fowler is the only student at TSCW ever to be named a class beauty twice. She had been chosen for the honor her freshman year. She was selected also as TSCW posture queen of 1953.

Margot Anne Dayton of Dallas was named junior class beauty. Miss Dayton is a costume and fashion illustration major.

The sophomore class is represented by Miss Anna McDermott of Alvin who is a business major.

Patsy Rich of Houston was selected freshman class beauty. She is also a business major.

Radio, television and newspaper personalities chose the beauties from sixteen nominees.

Each of the girls will be featured in a full page of the Daedalian, the TSCW yearbook.

Joy Anna McDermott

## Debate Club Gives Letters, Names Officers

The Debate Club's lettermen and its 1953-54 officers were named yesterday at the club's annual banquet in the MSC.

Lettermen included Johnny Samuels, John Wilson, Ken Scott, and Bud Whitney.

Scott was named president for the coming year with Whitney as vice-president. David Bowers became the new secretary, and Wilson was named treasurer.

Joe Riddle, president of the 1952-53 Debate Club, reviewed the team's activities for the year.

Dr. Stewart Morgan, head of the English department, spoke briefly on the effect the debate organization has had on A&M.

The banquet concluded with the showing of colored slides taken last February on the varsity team's mid-western speaking tour.

## Baccalaureate Set May 29 for Seniors

Baccalaureate sermons will be held for graduating seniors, Friday, May 29.

Dr. Carlyle Marney, pastor of the First Baptist Church in Austin, will conduct the services for Engineering, veterinary medicine and all advanced degree candidates in Guion Hall. This procession will form west of the Academic Building and south of Ross' statue.

Rev. John Donaho, pastor of the First Methodist Church in Corpus Christi, will conduct the services for agriculture and arts and sciences degree candidates in Sbisba Hall. This procession will form west of the Academic Building and north of Ross' statue.

## Weather Today

WARMER

WEATHER TODAY: Cloudy and warmer with winds up to 30 mph. The maximum temperature will be in the lower 90's today. The high yesterday was 89 and the low this morning was 75.

## Ransdell Will Head Annex for Summer

C. H. Ransdell, of the Basic Division, will direct both summer sessions of the A&M Junction Annex.

The Annex is a combined camp and summer school for high school graduates planning to enter A&M during the fall semester. Juniors majoring in civil engineering and geology complete their required field work at the camp. It is sponsored by the Basic Division.

### Adjunct Staff

The Adjunct staff is composed of college faculty and staff members. With the exception of five persons who will work all summer, two groups of 12 members each will teach each semester at the school.

Staff members for the first semester are: Frances McDermott, secretary to the director; A. J. Kingston, vocational and personal counselor; A. E. Denton, remedial reading counselor; H. B. Segrest, director of physical education and recreation; Norman D. Matthews, physical education counselor.

### English Counselors

L. F. Hauer, director of English counselors; S. S. Cox, English counselor; C. F. Hartman, English counselor; R. R. Lyle, director of mathematics counselor; R. V. Mc Gee, mathematics counselor; and W. S. McInnis, chemistry counselor.

Staff members attending the second semester include S. Austin Kerley, vocational and personal counselor; W. Dee Kutach, remedial reading counselor; Paul M. Andrews, physical education counselor; Joseph C. Brusse, camp counselor.

C. K. Esten, director of English counselors; J. J. Lawler, English counselor; R. W. Ferager, English counselor; H. B. Curtis, director of mathematics counselors; L. M. Horvark, mathematics counselor; and W. S. McCulley, chemistry counselor.

Miss Erline Vaughn will be the Adjunct nurse for both semesters.

## One Hundred Vets To Be Graduated

One hundred veteran students will graduate this semester, said Bennie Zinn, assistant dean of men.

The number of GI Bill veterans attending A&M totals over 547, Zinn said.

Approximately 250 veterans may attend summer school the first semester, Zinn said. Two hundred veterans are expected during the second semester, he said.

Five hundred veterans may attend A&M next fall, Zinn said. Three hundred of these men are expected to have served in Korea, he added.

# Student Senate Elects Ide Trotter President

## Andrew Gary Is New Vice-Prexy

By CHUCK NEIGHBORS  
Battalion News Editor

Ide P. Trotter Jr. was elected last night president of the Student Senate for 1953-54 by an overwhelming majority.

Next year's Senate vice president will be C. Andrew Gary. The recording secretary for the second year in a row will be Pat Wheat. Byron A. (Scotty) Parham was elected corresponding secretary.

Parliamentarian for 1953-54 will be Seymour J. Smith, representative to the Senate from Bizzell, Smith was elected by acclamation.

Larry Hoffman, New Braunfels junior, will be treasurer for next year.

Carroll Phillips will be chaplain for next year. Stanton Bell will be the Senate representative to the MSC Council. Bell was also elected by acclamation.

Before the election of officers began, Trotter was elected temporary chairman. Soon after this election, he was named president of the new Senate.

The Committees of the Senate next year are as follows:

**Student Life Representatives:** Bill Rowland, Carroll Phillips, Bill Reed and T. B. Field.

**Texas Interscholastic Student Association Representatives:** Scotty Parham, John Benefield, Fehrlin (Sonny) Tutt, Howard Childers and J. Frank Ford.

**Executive Committee:** Andrew Gary (chairman), B. Vance Jr., Denny Cole, Don Dixon, Buck Isbell, Raul Garcia, Jerry Ledwig and Bob Rowland.

**Welcoming Committee:** Larry Hoffman, Chuck Fenner, Stan Bell, Charley Seely and Vol (Monty) Montgomery.

**Publicity Committee:** Pat Wheat and Dave Lane.  
**Mess Committee:** The freshman class vice-president (when elected next fall), Tom Short, Raul Garcia, and Ted Uptmore.

**Exchange Store Committee:** Ted Uptmore, W. R. (Dusty) Canon, Larry Kennedy, Leonard Stoltz, Jan Broderick and B. F. Vance.

**Hospital Committee:** S. J. Smith, Wallace Eversberg, Jerry Davis, Lewis Springer and Bill Rowland.

**Election Commission Representatives:** Jan Broderick, Dave Lane, Leo Draper, Charles (Buddy) Foxworth and Wallace Birkes.

**Social Committee:** Gil Stribling, Alton Murphy, John Kessinger, Rodney Heath and Andrew Gary.

The Senate decided to retain its first and third Thursday of the month meeting date next year, although it conflicts with home-town club meetings.

The Senate tabled a motion to organize the seating committee for next fall's football games.

## National Leaders May Speak Here

World famous statesmen and prominent political figures may speak on the campus next year, said John Samuels, president of the MSC Council.

Plans are in progress to bring one famous speaker to the campus every other month to discuss national and world affairs, Samuels said.

The talks will be sponsored by the MSC Student Forum, a newly

organized MSC activity for the study of important current issues, he added.

### Student Forum

The Student Forum plans to work through the Dallas Council of World Affairs to obtain the speakers, Samuels explained.

The Council is a non-partisan organization which brings nationally important personalities to Dallas to speak on current world events. It is sponsored by prominent Dallas citizens.

The MSC Student Forum hopes to make arrangements with the Council to bring these speakers to A&M after they have spoken to the Dallas group, Samuels said.

### Dallas Council

Speakers this year at the Dallas Council have included Secretary of State John Foster Dulles and Adlai Stevenson.

Hubert Whitney and John Wilson make up the planning committee for the MSC Forum. Whitney is a freshman from Big Spring. Wilson is a freshman from Dallas.

Samuels explained no dates for the speakers have been set. The program is only in the planning stages, he said.

### Study of Americanism

Samuels said the Forum would like to have a full week devoted to the study of Americanism.

During this time the Forum would try to bring a famous speaker to the campus each day, Samuels said.

Plans would be made for the speaker to hold seminars with student organizations during the day and give an open lecture at night, he explained.

## Todd Named To Coach SMU 'Backs'

Dick Todd, former A&M and pro football great, was signed yesterday to coach the SMU backfield, said Head Coach Chalmer Woodard.

Todd made all-conference at A&M in 1937 and 1938. He played with the Washington Redskins from 1939 - 1942, when he entered the service and added to his football laurels as outstanding service player of 1943.

He retired from pro football in 1948 and coached backs at A&M the next two years, returning to the Redskins as backfield coach in 1951. He was head coach in 1952 but retired again last August.

## Home Eco Group Elects President

Mary Ruth, clothing specialist for the Texas Agricultural Extension Service, is president-elect of the Texas Home Economics Association.

A native of Gatesville, Miss Ruth received her bachelor of arts degree in home economics education from TSCW in 1940. She received her master's degree in clothing in 1947 from Columbia University.

Miss Ruth entered extension service work as county home demonstration agent in 1940 in Wilson County. She served as agent in Jackson County from 1943-45.

Member of Many Groups  
A member of Eastern Star, she also belongs to Phi Epsilon Omicron, professional honorary fraternity for home economists; American Home Economics Association; Epsilon Sigma Phi, honorary extension fraternity; and Business and Professional Women's Club.

Her work as clothing specialist includes technical training of county home demonstration agents in tailoring and dressmaking, as well as guiding the clothing program of work for Extension Service.

During 1952, she and Nena

## Record Seen In Enrollment

A&M may have a record freshman enrollment for the 1953-54 school year.

On May 1, a total of 690 graduating high school seniors had been accepted for enrollment for the fall semester of 1953, said H. L. Heaton, registrar. The figure for the same date last year was 491.

"This represents a 40 per cent increase over the same date last year, Heaton said. "If the applications continue at this rate we shall have an even larger enrollment of freshmen this fall than we had with the return of the GI's at the end of World War II."

Roberson, also clothing specialist, worked with agents in 150 counties where clothing had been selected as a major phase of study. The work included advanced dressmaking, children's clothing and tailoring.

The agents trained nearly 3,000 women leaders who in turn taught more than 44,000 other women. The women reported making 1,481,000 dresses, 150,000 children's garments and more than 47,000 garments for men and boys.

WHAT, COEDS?—Col. Ed V. Sauer, senior Quartermaster Corps Instructor, is surrounded by pretty coeds in ROTC uniform, but they aren't Aggies. The girls are company sponsors at the University of Houston. Col. Sauer was recently head of a Federal inspection team for the ROTC unit there.

## State SLA Chapter Meets Here Soon

The Texas Chapter of the Special Libraries Association will meet at 10 a. m. Saturday in the Texas Engineer's Library.

This will be the first meeting to be held in the new building. The program will be arranged by Robert Betts, librarian.

Louis J. Horn, supervisor of the Publications of the Texas Engineering Experiment Station, will give a paper on engineering research at land-grant colleges and its growth and literature.

Few realize the enormous amount of engineering research carried on at institutions such as A&M, or the great importance of the publications issued by the engineering experiment stations, Betts said.

Dr. H. W. Barlow, dean of the school of Engineering will speak on the significance of the Texas Engineer's Library to Registered professional engineers of the state, and its potential contribution to the economic and industrial development of Texas.

### Give Report

A report will be given by Charles Zerwekh, librarian of the Baytown Technical Library of the Humble Oil and Refining Co., on the workshop on technical reports recently held at Catholic University in Washington.

Afterwards, a luncheon for the group will be held in the MSC. A business meeting in the afternoon and a tour of the Texas Engineer's Library will conclude the day's program.

### Club Officers

The officers of the chapter include Mabel Wilkerson, librarian of the Federal Reserve Bank of Dallas, president; Mary Hensarling, librarian of the Baroid Sales Division of the National Lead Co. Houston, vice-president and president-elect.

Dorothy Streidtman, librarian of the Pasadena Public Library, secretary; and Helen Holt, librarian of the Houston Academy of Medicine Library, treasurer.

## Vets Must Contact VA For Curricula Changes

World War II and Korean veterans must contact the Veteran's Administration for permission to change courses or academic schools said Bennie A. Zinn, assistant dean of men.

Those planning changes should report to 102 Goodwin Hall to file their request.
