A gift for the graduate! What shall it be? A pen, a watch, clothes, money? Yes, any of these gifts will bring joy to the young graduate.

And so it's just a matter of choice. We make our purchase, and see that the package is delivered with our congratulations.

It is natural and right that we should yield to these generous impulses. But at a time when young people begin their own careers, with their own decisions to make, we should see that they are fortified with gifts that make for character and good living. At this turning point in life, we should do all in our power to help them establish their careers upon the strong foundations of godliness, love, honesty, charity, and friendship.

Let us give our graduates gifts of lasting quality. By example and advice let us teach them the merits of Christian living. Let us bring them with us to our churches, where they will find the greatest gift of all—the gift of God's love.

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
