Dining Schedule Street Program Altered by MSC

The MSC dining room will be closed on Saturdays and will be open only for noon and evening meals on Sundays for the remainder of the summer.

The building will be closed completely after 5 p.m. on July 3 and all day July 4. Beginning July 5, the main lounge and dining room will open at 11:30 a.m. the Consolidat and will close at 2:30 p.m. This football field. will be the only area open, except the fountain room which

of a swimming meet being held

Reason for the dining room's close is because many summer students go home on weekends and it is not practical to remain open, said Wayne Stark, MSC director.

Rural Churches

3 Inch Downpour Restores Life to Crops, Grasslands

A fireworks display will high-light the College Station community picnic to be held Thursday, at the Consolidated A&M High School football field.

A softball game, starting at 5:15 p.m., will be the first event of the evening. It will be played by the two leading teams in the College Station Recreation Council Soft-ball League.

to parched crops and grasslands.

The rains started to fall at 12 midnight Sunday and by 5 p.m. Monday weather bureau officials at Easterwood Airport had recorded three inches. Scattered thunders were predicted to constitute Tuesday.

Rainfall varying from one to four inches was reported in most areas over the eastern half of Texas. Farmers along the Brazos sweating from heat woke up the pall League.

ball League.

The picnic will start at 7:15 p.m.

Each family is expected to bring their own picnic supper and blankets which they may wish to spread to their own picnic supper and blankets.

Texas. Farmers along the Brazos sweating from heat woke up the next morning feeling unseasonably chilly. Some students even thought as four inches. Austin had more than inch and Dallas, .98 inches.

The rain also brought a few mineral property and the property reported as much as four inches. Austin had more than inch and Dallas, .98 inches.

Refreshments will be available and may be purchased at the picnic.

A fireworks display, beginning at 8:15 p.m. will be held on the football field. Raymond Rogers will be in charge of the display. In line with the many requests turned in by the College Station citizens, every attempt is being mode to have a bigger and better.

Most immediate consequence of the downpour, outside of breaking a long heat wave and sending many from those students who got "stuck" going to classes. Others windows, was an upsurge of cattle prices in Brenham. It was reported that in the Brenham Auction Ring Monday prices jumped on an average of \$2.50 per head.
