ALL QUIET AT THE DIPPING VAT-Unemployment has hit the sheep dipping vats in Texas since state sheep dipping requirements were rescinded recently. But it makes sheepmen happy to see empty vats like this one at San Angelo. Because of sheep scabies, sheep leaving auctions and stockyards the last eighteen months have had to be dipped. The scabies problem now seems to be whipped.

WHEN THIS PICTURE WAS TAKEN, the man at the field radio was calling a message to a battery of artillery. Today, he has a message for us. It is this: "Soldier or citizen, we all want peace. We want it enough to defend it—as we would defend our freedom. And if a peaceful future for our country depends upon our strength, we will always be ready .??

We at home are keeping America economically strong-by investing in United States Savings Bonds-just as our Armed Forces are keeping her militarily strong. An enormous thing, but we're equal to it-43 million of us now own Bonds! Because we want financial security for ourselves. Because we want peace. And we know now that peace is only for the strong.

Plan to save more-starting today-through U. S. Savings Bonds. Join the Payroll Savings Plan where you work-a simple, sure plan that saves something out of your pay check before you're tempted to spend it. You may invest as little as 25c a week or as much as you like. The important thing is, you'll be saving regularly-

and those savings mount up! If you are self-employed, :. (Tiger) join the Bond-A-Month Plan at your bank. You built with one c security for yourself, your family, and your country ess firm, when you save with United States Savings Bonds. uer, Mrs.

Here's how E Bonds now earn more money for you!

Now safe, sure U. S. Series E Savings Bonds pay an even better Texas co return than ever before ... thanks to 3 brand new most is anxio mont and earning features announced by the U.S. Treasury.

1 Now every Series E Bond you get begins earning interes wo Marin after only 6 months. It earns 3%, compounded semiannually was in th when held to maturity.

2 Every Series E Bond you own can now go on earning single. interest for 10 more years after it reaches the original local rest maturity date. k Wilson

3 All maturing E Bonds automatically earn interest at las plan s new, higher rate (average 3% compounded semiannually) Montana

Start now! Invest more savings in better-paying Series E Bank agh the Payroll Savings Plan where you work or "ganizin Bond-A-Month Plan where you bank!
