Intramurals Offer Summer Tourneys

Tournaments in open golf (singles and doubles) and open tennis (singles and doubles) will be conducted for students during the second semester, and in-tramural medals will be given in both sports, according to Bar-

ney Welch, program director.

The golf tournament will be by flights, while the tennis will consist of one tournament only, Welch said.

Both sports tournaments will be single elimination, that is, one loss will eliminate the contestant, he added.

Students interested in competing in either or both tournaments may enter by filling in the entry blank available in the student activities office before Wednesday, August 5, Welch
