

Ellis Leads Nation's Passers

# Aggies Scrimmage For Georgia Game

By BOB BORISKIE  
Sports Editor

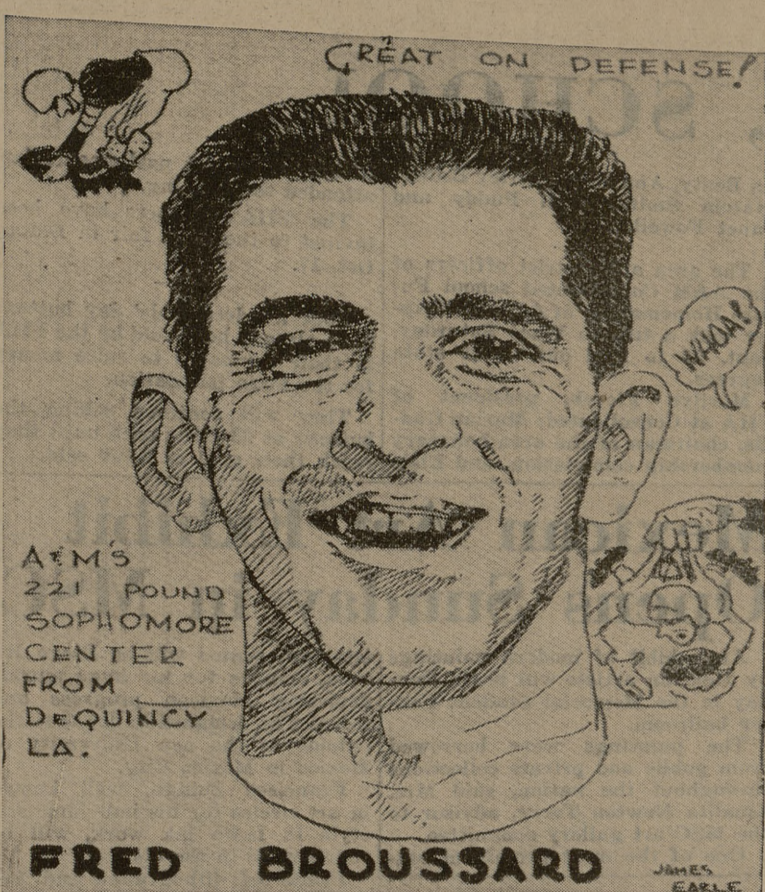

The Aggies tested their defense against the freshman squad Tuesday in preparation for the Saturday night grid tilt with the University of Georgia in the Cotton Bowl. Remaining workout schedule calls for offensive scrimmage today and further work on the kicking game on Thursday, then a light workout Friday before leaving by train for Dallas.

Track Coach Andy Anderson tells us he could use 10 or 15 more track candidates, and that it isn't necessary to be a champion to apply. "You can work up to that," Coach Anderson said.

Freshmen interested in playing tennis sign up with Coach W. M. Dowell any afternoon around four at the tennis courts.

The Official Football Statistics received yesterday lists Don Ellis, Aggie quarterback, as the nation's leader this week in forward passing with 22 completions in 39 attempts for two games. Zeke Bratkowski, Georgia quarterback, is seventh with 13 completions in 22 tosses, which should make Saturday's game the focal point for some of the nation's finest passing.

## Bowlers Can Enter \$50,817 Contest Here

Aggie bowlers will have an opportunity to share in \$50,817 worth of prizes to be distributed in the nation-wide Red Crown bowling contest by the Brunswick-Balke-Collender Co. during the coming bowling season.

The Memorial Student Center bowling alleys is participating in the contest. Entry blanks can be obtained there, said John Geiger, bowling director.

The contest is open to all tenpin bowlers and is broken down into six separate contests, each lasting nine days.

The first runs from October 3-11, and succeeding ones are scheduled for November, December, January, February and March.

Nothing to Buy

An entrant doesn't have to purchase anything, write any letters. He just bowls three successive games of non-league play in accordance with the rules and enters the scores on the free entry blank provided.

The bowling proprietor forwards all entry-blanks at the close of each contest to Brunswick's main office in Chicago, where winners are chosen by Brunswick's self-rating system. High scores do not necessarily win.

Each entry will be judged individually, according to the self-rating system. To protect all contestants, this formula for judging winners will not be revealed.

If the entrant thinks his bowling is not good enough to compete with the "hotshots", he can compete in one of six classifications, ranging from "beginner" to "star". Regardless of what a person's average is, the scores rolled in the contest will determine into which classification the entry falls.

# Six All-Staters Start For Fish Against JTSC

Six Texas All-State football players probably will be in the starting lineup when the A&M Fish open their season here Thursday against the John Tarleton Plowboys.

Kickoff time is 7:30 p. m. on Kyle Field. Coupon books or student ID cards will be honored. Admission for everyone else will be \$1.

All-Staters in the lineup are end John Ray, Corpus Christi; tackles Bobby Jack Lockett and Houston Green, Breckenridge; guard Benny Bloomer, Belton; and backs Bill Grandberry, Beeville, and Bobby Keith, Breckenridge.

Pardee Best

John Pardee, the probable starting fullback, has been called the best six-man team football player in the state.

Ray was on the All-American high school team and played in the East-West high school game at Memphis, Tenn., this summer.

The Plowboys will feature fullback Herman Tidwell, of Hearne. Tidwell played with the Fish last year. Tarleton lost to Paris Junior college, 33-13, last week.

Coach Willie Zapalac describes his team as a big squad, with average speed and good power in the backfield, but below average in passing.

"I think we'll make a pretty good showing," Zapalac said. He coached at Tarleton in 1949, '50 and '51.

Fish to Use T

The fish will use a T formation offense with a balanced line.

Robert Karow, highly rated Ohio football star and son of former Aggie baseball coach Marty Karow, is out for the season with an injured knee.

The probable starting lineup and their weights for the Fish will be: ends, Ray, 185, and Eugene Stallings, Paris, 180; tackles, Green, 205, and Lockett, 210; guards, Bloomer, 200, and Lloyd Hale, Iram, 200; center, Walker Griffith, Humble, 195; quarterback, Charles Scott, Alexandria, La., 160; Halfbacks, Keith, 185, and

Grandberry, 180; and fullback, Pardee, Christoval, 200.

Line Averages 196

The line averages a hefty 196 pounds per man and the backfield 181 pounds.

Tarleton's starters will be: ends, Chuck Williams and Bull Puryear; tackles, Harry Cannon and H. Sultemier; guards, Ludie Bitner and Gus Wilson; center, Webb Bishop; quarterback, Maurice Hodges; halfbacks, Gene Ward and Herman Kaufman; fullback, Tidwell.

## Bevans Tells Kiwanians About Football Prospects

Jim Bevans, A&M Consolidated high school football coach, gave a rundown on CHS football prospects for this year to the Kiwanis club yesterday.

"We've got to use the early ball games to get ready," he said. "All 25 men who suited out for Friday's game played."

Bevans seemed pleased with the outcome of the game with Navasota. He praised the poise of the players after they were behind.

Bevans was ready to make the Hempstead game Friday CHS's fourth win of the season.

He explained that Hempstead has only four returning lettermen, and that Consolidated has tied them the last two years, 7-7, 6-6.

After giving a rundown of this year's squad, Bevans explained why the Tigers are playing to win in every game.

"I think football is a teaching situation," he said. "We want to teach the boys to win in football so they will win in life."

"Above all, we want to have the respect of the other team when we leave the field," Bevans said.

### Squadrons 19 and 21 Win Sign Contest

Winners of last week's sign contest were squadrons 19 and 21. First and second prizes of \$5 and \$3 will be awarded to the winners. Eugene Rush, agent for the American General Life Insurance company, said he will give the awards to the squadron commanders if they come by his office.

Beclaws He Flunked The Finger-Nail Test

"Go jump in the lake," squalled Sheedy's mermaid with baited breath. "You look simply crabby with that messy hair. Better get your hooks into Wildroot Cream-Oil, America's favorite hair tonic. Keeps hair combed with no trace of greasiness. Removes loose, ugly dandruff. Relieves annoying dryness. Contains lanolin. Non-alcoholic. I shall never sea you again until you start using it." Paul crabbed 29¢ and bought Wildroot Cream-Oil. Now he's the crab-apple of her eye. So water you waiting for? Hurry and get a bottle or handy tube at any toilet goods counter. And nets time you visit your barber, ask for Wildroot Cream-Oil on your hair. Then you'll be the best catch on campus.
