

# CHS Students Talk On Boys, Girls State

Boys State and Girls State, high school student organizations that teach government, were explained yesterday to the Kiwanis club.

Janice Latimer and Dan Williams, who represented A&M Consolidated high school at the meetings last year, gave the Kiwanians their report. Expenses to the Boys and Girls State meetings are paid by the club.

Janice said that the dormitories at the camp were divided into cities and counties. She told the club how elections were held to show the students the functioning of the government. Those attending the meet were divided into the "Federalist" and "Nationalist" parties.

"I ran for county school superintendent" but the Federalists defeated me," she said.

"When we took a tour of the capitol in Austin, we found out how much red tape is involved in government," Janice said.

Dan explained Boys State, which was almost like Girls State.

## Six Aggie Baptists Report on Meeting

Six members of the A&M Baptist Student Union presented a program on the benefits of the Texas BSU Convention in San Antonio at the Sunday evening service of the First Baptist Church of College Station.

David Mitchell, president of the A&M BSU, presided over the meeting and spoke on Howard E. Butt's opening speech at the convention. Others on the program were DeWayne Peterson, Louis McKnight, Frank Pollard, Dick Bumpass and Tommy Dunagan.

About 30 Aggies attended the convention last weekend. Total attendance was estimated at 3,000 Baptist students. The A&M students ushered Friday night and assisted Baylor university in ushering Sunday morning.

## Kiwanians to Sell Lunches Saturday

The College Station Kiwanis club will sell box lunches before the A&M-Baylor football game Saturday.

There will be six selling stations set up in the city to sell the \$1 lunches.

The lunches will contain chicken, pickles, buttered rolls, potato chips, a cupcake and an apple.

Kiwanis members who will sell the lunches are Ray Berry, Joe Campbell, Ralph Rogers, Walter Manning, E. B. Reynolds, R. L. Skrabatek, Mike Krenitsky, S. L. Loveless, Joe Sorrels, and J. B. Longley.

"We were divided into the "Pioneer" and "Longhorn" Parties, and I was put with the pioneers," he said. "I was glad they did because the other party sounded too much like TU."

Dan showed how the boys attending the meeting got the same opportunity to learn about government as the girls' group.

He summed up the value of the whole project by saying, "You get to live the government and not just get it out of the book."

## Kiwanis District Elects Loveless

S. L. Loveless of the College Station Kiwanis club has been elected lieutenant governor of division nine of the state Kiwanis organization.

Loveless was elected at the division meeting in Houston last week. At the College Station Kiwanis club yesterday, he said he hoped the club would be proud of the division's selection.

"It took the help and support of the club to make the election possible," Loveless said.

He then issued a challenge to the club to continue to uphold the high standards that are "bringing notice to the club."

## Membership Drive Set by CHS Cub

The Mother and Dads club of A&M Consolidated elementary school began a membership drive recently.

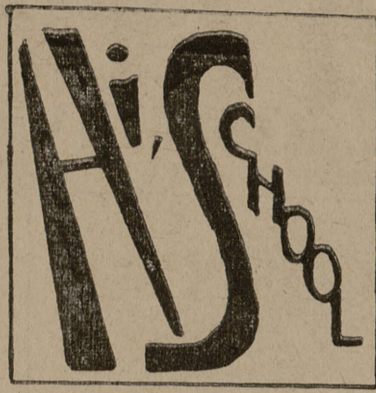

"The room mothers decided to carry out the campaign on a room basis, and parents will be given an opportunity to join the club and pay dues through their children and their children's teachers," Mrs. John R. Bertrand president, said.

In the past, membership fees and other earnings of the club have been used to buy essential equipment for the school for which school money was not available, said Mrs. Bertrand.
