Rampant Tigers Seek Seventh Straight Win

The rampaging Consolidated Tigers go after their third district win and their seventh victory of the season when they meet Katy high school Friday night in Katy.

Riding the crest of a tremendous scoring and defensive record, the Tigers will be heavy favorites to add Katy to their string of grid victims.

In their six victories, Consolidated has rolled up a total of 288 points for an average of 48 points per contest, while holding the opposition to seven points. The lone score made against the Tigers came on a kickoff return for a touchdown by the Navasota Rattlers.

332 Yard Average

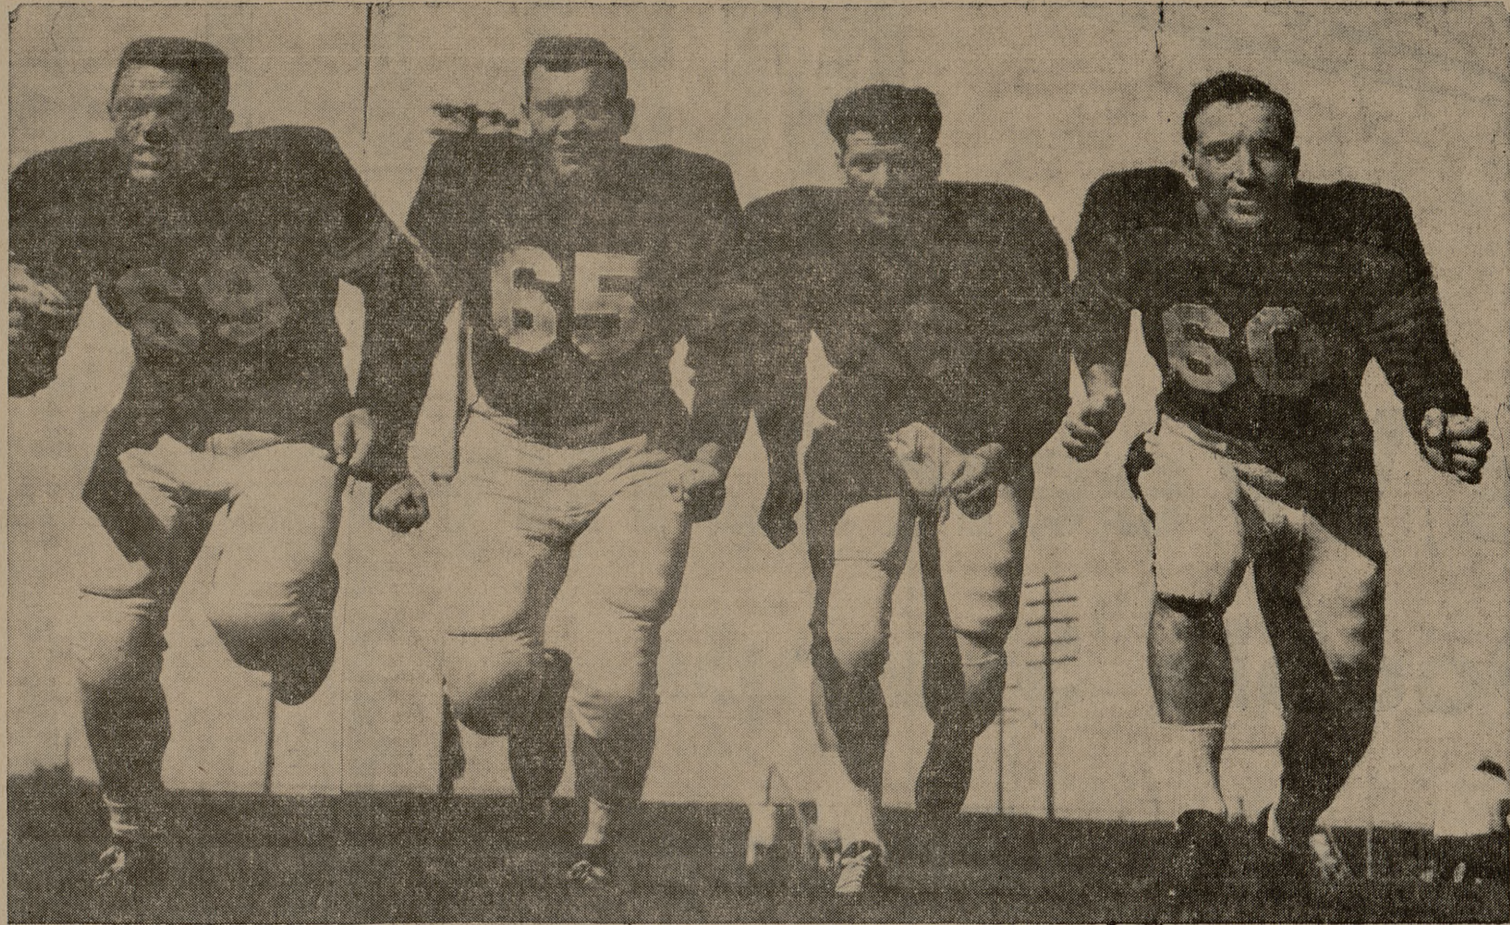

The Tigers have amassed 1,992 yards for a per game average of 332 yards, and have given up only 516 yards in six games for a defensive record of 86 yards per contest.

J. B. Carroll, Tiger extra point specialist who gets a lot of practice, has booted 27 conversion points to lead all central Texas players in that department. Leading Consolidated's high scoring parade are David Bonnen and Bobby Joe Wade, both of whom have totaled 48 points.

In the Katy contest, Melvin Free's tackle post will be filled by Charles Johnson. Free suffered a back injury in the 49-0 victory over Waller, and will be out for the remainder of the season.

Here is the scoring record of undefeated and untied central Texas schoolboy teams:

Team	W	L	T	Pts	Opp
A & M consolidated	6	0	0	1,000	288
Elgin	6	0	0	1,000	143
Crawford	6	0	0	1,000	138
Waco High	6	0	0	1,000	172
Clifton	5	0	0	1,000	196

Ray George Puzzled by Backs; Several Combinations May Start

By JERRY WIZIG
Battalion Sport Staff

Head football coach Ray George is a puzzled man this week. He doesn't know who is going to be in the starting backfield against Baylor except at quarterback.

If Joe Boring is in top shape after missing the last two games with a leg injury, he may start at one halfback. If the Aggies kickoff, Boring's starting chances will be much better because of his fine defensive ability. Bob Easley and Don Kachtik will start at fullback if Boring starts.

Connie Magouirk, Elwood Kettler or Billy Pete Huddleston will start at the other halfback. Magouirk put on a fine offensive and defensive performance against TC U and is a likely prospect.

One thing is certain about A&M's backfield, however. Don Ellis will start at quarterback.

Ellis is the Southwest conference scoring leader with 31 points on five touchdowns and an extra point. He has passed for three

other scores, thus accounting for 49 of A&M's 82 points this season. Ellis was selected in the United Press backfield of the week after the TCU game.

Asked about the effect of rain on A&M's chances Saturday, George said, "It'll rain on both sides of the field. I'm hoping for good weather, but rain would hurt them just as much as us."

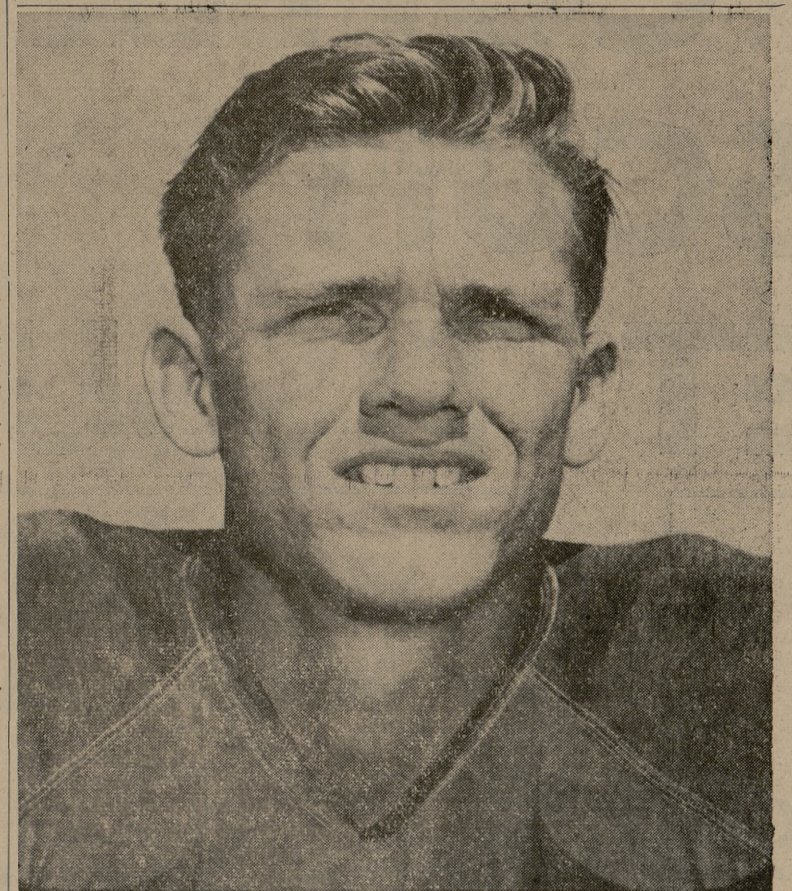

"I hope that Ellis gets to run a lot," said George. "That way we can control the ball, and we're going to have to hold the ball to win."

A&M's defense is 10th in the nation, giving up 186.2 yards per game to five opponents. In Boring and Ellis the Aggies have two of the best defensive backs in the conference. Take it from George,

"Our line will have to play its best game of the season. They have a really terrific running attack to go with their passing."

The Cadet defensive line has allowed only 129 yards rushing per game. The pass defense average of 57.2 yards per game is first in the conference.

A&M has run 241 ground plays this season to 203 for their opponents, the third largest advantage in the conference. The Cadets have driven to 71 first downs this season, second in the conference. Baylor, however, has averaged 20 first downs per game.

DAVIDSON'S PET TARGET — Wayne Hopkins, classy Baylor end, is second in the conference in pass receiving, with seven caught for 158 yards and two touchdowns. Hopkins leads the league in average gain per pass with 22.6 yards.
