

EMPLOYEES DINNER DANCE—Pictured at the College Employees Dinner club dinner-dance last night are Dean W. H. Delaplaine, chairman for the dance, Mrs. Delaplaine, A. C. Magee, treasurer of the club, and Mrs. Magee. The dance was held at the Memorial Student Center assembly room.

Employes Dinner-Dance Held

About 80 A&M employees attended the dinner-dance sponsored by the College Employees dinner club last night at the Memorial Student Center assembly room.

The tables arranged around the room were centered with tall white tapers with sprigs of Pyracanthus scattered around the base. "Chicken in the rough" was

served at the candlelight dinner.

Dean Walter H. Delaplaine, chairman of the club, presided at the dinner.

The dinner was followed by dancing. Lee Thompson was in charge of the music.

Mrs. S. T. Keim was chairman for the tables and decorations. Mrs. D. D. Burchard and Maj. J. C. Lowell were in charge of publicity.

Other committee members were Stanley P. Clark, G. W. Schlesselman, Mrs. J. B. Coon, Mrs. Charles Richardson, A. C. Magee, H. C. Hampton, and J. Wayne Stark.

Kittens Win 14-12 Over Madisonville

A&M Consolidated junior high Kittens scored a 14-12 win over Madisonville junior high last night for their third win of the season.

The Kittens scored both their touchdowns in the first half and held Madisonville scoreless.

The T.D.'s came on a 45 yard quick opener by John Martinez and a double reverse with Bill Kavanaugh running the ball over from 30 yards out.

Kavanaugh ran one extra point and a pass from Buddy Holick to Virgil Arnold scored the second.

Madisonville controlled the ball most of the second half. They scored on a quick opener that covered 45 yards, and got the second T.D. on two passes, one covering 20 yards, the other two.

Job Calls

● Oct. 23—Texas Employment Insurance Association will interview January graduates at all degree levels in architecture, chemical, civil, electrical, industrial, mechanical and petroleum engineering and industrial education for safety engineering work. To qualify you must be twenty-five years of age or older.

● Mr. Allen C. Tyler, dean at LeTourneau Technical Institute at Longview, is trying to locate a man trained in engineering or mathematics who is interested in teaching in these fields and who could also coach basketball or intramural sports. If he cannot find such a person he will need someone to take care of extra activities, basketball and intramural sports and use his teaching abilities wherever necessary and where he is qualified.

● The Texas Electric Service company of Fort Worth has an opening for an electrical engineering graduate to represent their Company in negotiations with their customers concerning the use and sale of electric power.

When the edge of a knife blade is worn back to the thicker part of the metal, or when it is nicked, grinding is needed to produce a new thin cutting edge.

Local A&M Mothers Club Introduces New Officers

New officers of the Brazos County A&M Mothers club were introduced yesterday at a tea in the YMCA.

They are Mrs. Ide Trotter, vice-president; Mrs. O. J. Moss, secretary; Mrs. Charles La Motte treasurer and Mrs. O. A. Ashworth, parliamentarian.

Mrs. A. C. Magee is president and Mrs. David H. Morgan is honorary president.

Mrs. Magee introduced the club's mittee chairmen. They are Mrs. Trotter, membership committee chairman; Mrs. Fred Weick, hospital committee chairman; Mrs. E. C. Klipple, extension service chair-

Mrs. Howard Barlow, student activities chairman; Mrs. Spencer Buchanan, chairman of the hostesses, and Mrs. Jewell Covington, finance committee chairman.

'Dean's Report' To Be Given As Radio Program

A series of radio programs called "A Report From The Dean," is being recorded on station WT-AW. They will be presented over the Texas State Network next spring.

The first series was called "Jobs Ahead" and was done for Vocational Guidance. C. O. Spriggs was director from 1940 to 1950. H. L. Kidd began as script writer, and has been directing and writing the show for the past two years.

These programs are a continuation of a statewide participation with other Texas Schools. The programs were begun in 1940 and were called "The Texas School of the Air."

The "School of The Air" was discontinued in 1950, but in 1951 through the cooperation of the Texas State Network, "The Story of A&M" was presented.

"Texas Turns To Science" was the next series, presented in 1952.

A&M students and wives participating in the present series are Bob Hollenbaugh, Calvin Pigg jr., John T. Smith, Frevel Brady, Joe Joseph, Buddy Carr, John Scoggins, Shirley O'Connell, Dorothy Bell and Barbara Rubin.

A small reamer that fits over a measuring cup is handy to use when you are extracting juice from oranges or lemons to use in a recipe.

Mrs. Smith Talks To Vet Auxiliary

The American Veterinary Medicine Association auxiliary met in the social room of the Memorial Student Center at 8 p. m. Wednesday.

Mrs. Covington outlined plans for a benefit game party to raise a scholarship fund for some deserving student. A faculty committee on scholarships will select the student.

The party will be a desert bridge. It will be held at 2 p. m., Nov. 5 at Maggie Parker's dining room.

Mothers of freshmen were honored yesterday with hot tea and cookies. Hostesses were Mrs. Don Lindsay and Mrs. L. L. Stuart. Mrs. Barlow and Mrs. Buchanan assisted.

If you are thinking of using black, navy blue or brown in your kitchen color scheme, remember that these dark colors show dust and other soil more quickly than lighter tones.

Presbyterians Are Host to Meeting

A&M Presbyterian church will be hostess for the meeting of Brazos Presbytery, Oct. 27-28.

Miss Jamie McCutchen of Atlanta, director of spiritual growth, Board of Women's Work, will be main speaker for the sessions which open Tuesday at 1 p. m. Mrs. G. S. Colburn of Orange will preside.

A meeting Tuesday evening will feature Dr. George Mauze, pastor of the First Presbyterian church of San Antonio and will include the partaking of Communion.

Other speakers for the program include Mrs. J. A. Little, Wichita Falls, Texas Synodical president; Mrs. Percy Terrell of Navasota, Board of Women's Work; Mrs. Joe B. Moore of Port Lavaca, past synodical president.

Travel Talk Set For Dames Club

Dr. Sidney O. Brown of the biology department and Mrs. Brown will give a talk on Europe at the next meeting of the Dames club. It will be at 8 p. m. Tuesday in the south solarium of the YMCA.

The Browns will show films they took while touring Europe.

The program will be preceded by a short business meeting to elect a new vice-president to replace Eleanor Holland who left for Honolulu this week.

Here are two points to remember when you buy a new car! . . .

Chevrolet BUYER-BENEFITS are the Soundest

The thrilling "Two-Ten" 4-door sedan. With 3 great new series, Chevrolet offers the widest choice of models in its field.

Chevrolet PRICES are the Lowest

of any line in its field!

MORE PEOPLE BUY CHEVROLETS THAN ANY OTHER CAR!

SEE YOUR CHEVROLET DEALER FOR ALL YOUR AUTOMOTIVE NEEDS!

Conveniently listed under "Automobiles" in your local classified telephone directory

Look at Chevrolet! You'll see that it brings you big-car styling, smoothly rounded Fisher Body beauty, and a rich, roomy, colorful interior with Safety Plate Glass all around in sedans and coupes. Features ordinarily found only in higher-priced cars.

Drive a Chevrolet! You'll be equally impressed by the outstanding pick-up and power as well as the smoothness and quietness of its advanced high-compression Valve-in-Head engine.

Test Chevrolet's handling-ease and riding-ease! You'll find that this car alone combines the greater comfort and convenience of Powerglide automatic driving,* Power Steering* and the Knee-Action Ride—just as it alone gives the protection of Jumbo-Drum Brakes, largest in Chevrolet's field.

And here's the best news of all. Chevrolet offers all these fine-car advantages at the lowest prices and with exceptional economy. Come in, see and drive this car, at your earliest convenience!

*Optional at extra cost. Combination of Powerglide automatic transmission and 115-h.p. "Blue-Flame" engine available on "Two-Ten" and Bel Air models. Power Steering available on all models.
