

SINCLAIR SCORES FOR AGGIES — Bennie Sinclair, Aggie end, gathers in a 17 yard pass from Don Ellis as Baylor backs Jerry Coody and Cotton Davidson look on helplessly. The scoring play took place in the fourth quarter to climax an 87 yard drive.

“For A Job Well Done” Regulars Rest After Losing To BU, 14-13

By BOB BORISKIE
Battalion Sports Editor

Aggies who saw action in Saturday's football game with Baylor were given the day off Monday as the freshmen squad ran Arkansas plays against the varsity reserves.

“The Aggies played their hearts out Saturday,” Coach Ray George said, “and for a job well done, I gave the regulars Monday off.”

The 14-13 Baylor victory marked the second straight year the Bears have eked out a one point win over the Aggies. In 1952 Baylor downed the Aggies 21-20, coming from behind in the final few minutes for the win.

This year the Bears tallied twice in the first half and then battled the Aggies' last half surge to again emerge with the one point difference that meant victory.

Baylor received the opening kick-off, which L. G. Dupre took on the Bear 11 and ran out to the 31 before the Aggies swarmed him under.

On the first play from scrimmage, it was Dupre again as the speedy halfback skirted left end for 29 yards to the Aggie 45, but there the Bear attack bogged down.

Bears Score in Two Plays
The next time Baylor got the ball, they moved to a touchdown in two spectacular plays.

After Dupre had taken Joe Schero's punt on the Baylor 41 and returned it to the Aggie 45, Allen Jones swept around right end for 34 yards to put the ball on the A&M 11, and from there Jerry Coody went up the middle and fell across the goal line with Joe Schero hanging on to one foot.

Tackle James Smith converted the extra point and Baylor led 7-0 with 9:15 left to play in the first quarter.

In the second quarter the Aggies moved 64 yards in four plays to rack up the first A&M touchdown. Joe Boring took a Cotton Davidson punt on the Aggie 24 and ran it up to the Aggie 36, and from there the Aggies moved both in the air and on the ground in their touchdown drive.

Magouirk Scores For Ags
Don Ellis passed to Bennie Sinclair for 12, and after Don Kachitk hit the line for two more yards, Ellis completed a pass to Connie Magouirk, who carried the ball to the Baylor 23.

It was Magouirk again on the next play as he hit the right side of the Bear line, cut back to the middle when he reached the Baylor secondary and scored standing up. Boring's try for extra point was wide to the left and Baylor held a slim 7-6 lead with 12:45 left in the first half.

After the ensuing Aggie kickoff, Baylor was unable to move and Davidson punted out of bounds on the Aggie 13, but Bob Easley fumbled on the first play from that point and Smith recovered for the Bears on the 12.

Aggies Held
Brilliant defensive play by the Aggie line gave the Baylor attack 2 yards in four plays and A & M took over on its own 10.

The next time Baylor got the ball, the Bears covered 45 yards in 9 plays to score 13 seconds before the half ended. Starting on their own 45, Dupre hit the line for 1 yard, then Boring broke up a Davidson-to-Wayne Hopkins pass play. Another pass to Hopkins was good for 14 yards and a first down.

Dupre carried over the left side for 3, then Davidson hit Coody for 32 yards, but a clipping penalty moved the ball back to the Aggie 20. Davidson tossed to Coody again and Elwood Kettler made the tackle on the Aggie 2.

Coody tried the left side again for no gain, and Jones followed with a plunge on the right side that carried to the shadow of the goal.

NEW JITTERBUGS—Elwood Kettler, Aggie back, and L. G. Dupre, Baylor ball carrier, join in a high speed dance routine late in the first quarter as Dupre skirts the Aggie line for nine yards to the Bear 25. Kettler stopped Dupre just after the picture was taken.

Easley Summarizes Game— “That Dad-Gum One Point”

By JERRY WIZIG
Battalion Sport Staff

Fullback Bob Easley perfectly summed up A&M's second straight one point loss to Baylor Saturday afternoon.

“That dad-gum one point!” is the way Easley put it, and that's about the best way to wind things up. In the last four A&M - Baylor games, all won by the Bears, there has been a total difference of nine points.

“They've got a good team, but I think we could have beat 'em if the breaks had gone right,” said Easley. “Dupre is terrific,” he added. Bob was A&M's leading rusher, netting 44 yards in 11 carries. He also had a 43.5 yard average on four kicks and caught one pass.

Had All Day

“Anyone can throw when he's got all day,” said Don Ellis. He connected on 11 of 19 passes for 168 yards and a touchdown and now is first in the Southwest conference in total offense and passing.

“Our line did the job on my passing and the receivers did a great job catching the ball,” said Don. “Lucky was great in the line for Baylor. Dupre was good at first

but slowed down later in the game.”

“Ellis is everything they say he is,” said Baylor coach George Sauer, “but I'll still take Davidson.” Davidson, like Ellis, played 60 minutes. He completed 5 of 15 passes for 77 yards.

He's Cool, Calm

Clyde (Bulldog) Turner, Bear assistant line coach and one of the all-time great centers of pro football, also complimented Ellis. “Ellis runs around back there until someone gets loose,” he said. “He's cool and calm, that boy!”

“We'll be going after Arkansas,” Don Kachitk emphatically asserted. “We're not out of the race yet. We just got in a hole and they kept us there. Jones, Coody and Dupre are all good backs and can sure run,” he said.

“We got started too late,” said Marvin Tate. “Smith and Lucky were great in their line.”

“That tackle, James Ray Smith, was good, but I thought their guard, Bill Lucky, was better,” said Fred Broussard. “All their backs were good—that's the best backfield we'll face all season.”

“If we could have passed a little more in the first half, it might have been a different story,” said

Dalton Faircloth, Aggie backfield coach. “We did all right, but not good enough. I'm looking forward to that one next week (the Arkansas game).”

“We just didn't have the ball enough and were in the hole too much,” said coach Ray George in the press box. “Their fine kicking and potent running was the big difference,” he added.

“Baylor has the best all-around backfield I've seen,” said Sid Theriot. “You just can't move that guy Lucky,” he added.

“Surprise of Conference”

“They're sure got a good team and they're the surprise of the conference,” said Sauer. “When you beat one by one point, that means they're an awfully good team. We had heard they (A&M) were sky-high—I told the boys they might be too high.”

Sauer then made an “off-the-record” comment on the “visiting team's dressing room” in Kyle Field. He then said, “A&M had us worried all the time. I thought their two tackles (Durwood Scott and Lawrence Winkler) were pretty good.”

“They were a well-drilled, well-tackling team and very good sports,” said halfback L. G. Dupre. He averaged four yards on 14 carries, returned five punts 68 yards and two kickoffs 58 yards. “They're better than Arkansas, and I think are the best we've played so far,” said Dupre.

Credits Blockers

“I give my credit to my blockers,” said halfback Jerry Coody. “I wouldn't get anywhere without them. A&M had a well-coached line—Iron Mike (Michalske) must really be pulling it through.”

“I always thought Ellis has been a good player,” continued Coody. “I thought he was one of the best in the conference last year when nobody was giving him any credit.”

Quarterback Francis Davidson also gave out with compliments on the Aggies' hard-hitting play. “I believe they had a harder hitting team than any other we've played this season,” he said.

“Easley and Broussard were both firing good,” said Davidson. “I was disappointed in their running.” This is the roughest year since I've been in it (the Southwest conference).

Harriers Beat UT For Third Win

A&M's unbeaten cross-country team scored its third straight win of the season Friday, beating the University of Texas in its drive to the first Aggie athletic championship of the year.

James Blaine, Southwest Conference cross-country and two mile champ, finished first for the third straight time this year. Verlon Westmoreland was second.

Blaine covered the 2.6 mile Austin course in 11:57. Texas' Inocencio Cantu was third.

Squadron 10 Ekes Out 8-7 Win Over A Field

Squadron 10's Billy Moore and Doug Scott each scored four points to help their unit squeeze past A field artillery, 8-7 in intramural basketball at the Grove yesterday.

Others members of the winning squad include Jack Lonquist, Gary Leslie and H. R. Patterson. Poncho Willis scored six points for A field artillery.

Gene Smith, scoring 10 points, helped A infantry outlast A armor, 27-21. Rollins Rubesaman was high point man for A armor with nine points.

Squadron 14's D. L. Williams scored six points to help his unit outscore B field artillery, 18-10. Ronny Hayes was high point man for B field artillery with five points.

An ordinance's Johnson scored five points to help his unit romp over squadron 12, 17-5.

Tennis

ASA's Jerry Thomas, Buddy Brandt, Sid Pitzer and Jerry Bowen won their matches to beat squadron 4, 2-1. Pitzer and Bowen had to go 24 games before getting credit for a 13-11 win. J. D. Marek and James Tepleck won a match for squadron 4.

Squadron 5's Gaines Godfrey, Ken Richmond, Lynn Goldstein, Joe Fehrenkanp, Clarence Jochen and Larry Kester won their matches to blank A quartermaster, 3-0.

Burton Young, Tom Ratcliff, Chuck Newman and Joe Foster of AAA won matches to beat squadron 3, 2-0.

Squadron 15's G. F. Oglesby, R. Hinojosa, Bob Young, and Cullen Davis won matches to edge squadron 2, 2-1. Joe King and Bob Williford won a match for squadron 2.

Spencer Coleman, Carl Sherman Buddy Schlieter and George Burrell of A signal corps won their matches to beat squadron 11, 2-1. Gus Mijalis and J. P. Winters won a match for squadron 11.

ENGINEERS
BOEING AIRPLANE COMPANY
will conduct PERSONAL INTERVIEWS on campus October 29 & 30
Boeing has many positions open for graduating and graduate students. These opportunities are in all branches of engineering (AE, CE, EE, ME and related fields). Also needed are physicists and mathematicians with advanced degrees.
Fields of activity include DESIGN, RESEARCH, and PRODUCTION. Your choice of location: Seattle, Washington or Wichita, Kansas.
A group meeting, first day of campus visit, will precede personal interviews. Details of openings, nature of assignments, company projects, etc., will be explained. Married students are invited to bring their wives.
Come and learn about these excellent opportunities with an outstanding engineering organization—designers and builders of the B-47 and B-52 multi-jet bombers, America's first jet transport and the BOMARC F-99 pilotless aircraft project.
