Tickets cost \$4.80. No applications for more than four tickets will be accepted. A check and stamped self-addressed return envelope must accompany each request. A 25 cent mailing fee must be included in each check.

## Volleyball Club Gets Instruction

Capt. Ralph Stapper showed how volleyball is played by professionals at the first meeting of the newly-formed Volleyball club Thursday night in DeWare Field House.

The club is open to any A&M student interested in learning the finer points of volleyball, said Stapper, the club's coach. Approximately 25 students were at the meeting.

great player, I think, and one of the finest in the conference."

## Ags in Good Shape

With the exception of a heavy sprinkling of bumps and bruises, the Aggies came out of the Baylor game in good shape. Guard Sid Theriot suffered a cut on the forehead.

The case of sophomore end Donald Robbins will be brought up at the meeting of the Southwest Conference Executive committee in December, said George. Robbins, a promising end who was sidelined with an injury last year, too, broke his arm on one of the first plays of the Kentucky game.

TCU's Malvin Fowler was granted another year of eligibility after being hurt in the first four minutes of his first college game. He had to miss TCU's 1953 season opener, but was able to play the remainder of the '53 season.

At least five touchdowns have been scored in every A&M-Arkansas game since 1946.

The situation in 1951 was very similar to that of this year. The Razorbacks had lost an inter-sectional game the weekend before, while A&M had tied Baylor 21-21, in a thriller and still had a chance for the conference title. The aroused Hogs blasted A&M's last hopes with a 33-21 victory.

## For The Hogs . . . Figure This One

Arkansas, try to figure this one out.

Yesterday at practice, the Aggie football team was trying something different. Guards were running the back-field positions, ends were playing in the center of the line.

Maybe Coach Ray George is coming up with something new?

During the 1952 season the Detroit Lions led the National Football League in home attendance with 262,675 admissions for six home games.

Michigan State quarterback Tom Yewic is a catcher on the baseball team and is considered a major league prospect.

## J. Paul Sheedy\* Switched to Wildroot Cream-Oil Because He Flunked The Finger-Nail Test

"Safari as I'm concerned" said Sheedy's gal, "your hair looks like something the cat dragged in. Purrhaps you better spring for some Wildroot Cream-Oil, America's favorite hair tonic. Keeps hair combed without greasiness. Removes loose, ugly dandruff. Relieves annoying dryness. Contains Lanolin. Non-alcoholic." So Sheedy roared down to his druggist for Wildroot Cream-Oil, and now he's feline mighty fine. All the girls paws and stare when he passes. So you better leopard on the bandwagon and try Wildroot Cream-Oil right meow. Scratch up 29¢ for a bottle or handy tube at any toilet goods counter. And ask your barber for some Wildroot Cream-Oil on your hair. Then you'll be the cat's whiskers!

ROLLING ALONG—Baylor halfback Jerry Coody (44) bulls over from the Aggie 11-yard line for the first Bear touchdown. Joe Schero (44) caught him by the leg but couldn't stop him.

Are we stretching things a bit? Maybe—but when you find out how mild and sweet and refreshing the Medico pipe can be, you'll go for Medico, too! It's the replaceable filter in Medico that makes the big difference. That little filter traps dangerous nicotine and tars, disagreeable juices and flakes.

That's why countless smokers, beginners and old timers alike, who never enjoyed the pleasures of a pipe, now enjoy the clean mild fragrance of Medico—the pioneer in filtered smoking.

Try a Medico Pipe. See why Medico's filter has sold over a billion to date!
