Bruises Slow Easley, Broussard, Salyer

Bob Easley, Fred Broussard and John Salyer have been slowed in practice all week with bruises suffered in the Baylor game, said coach Ray George yesterday.

Salyer missed the Tuesday and Wednesday scrimmage sessions because of a leg bruise and Easley and Broussard also took things easy. George did not say definitely that they will miss the Arkansas game, adding, "We hope that they'll be ready by Saturday."

The Aggies staged a hard offensive scrimmage yesterday, running plays against Arkansas defenses. Before scrimmage the backs and ends had a pass defense workout and linemen worked on blocking.

Polish Offense

Today the Cadets will polish up their offense and work on kick-offs and punts. A squad of 34 or 35 will make to trip to Little Rock, said George. They will leave by plane at 2 p. m. Friday and will work out in Little Rock late Friday afternoon.

George pointed out that sophomore tackle Fred Hartman suited up for his first game of the season against Baylor. Hartman wasn't even on the game program. He is a 197-pounder from Cuero and lettered on the freshman team last year.

George listed the following 34 man traveling squad for the Arkansas game, and said that he might add one more player:

Traveling Squad

Don Ellis, Ronald Robbins, Dave Smith, Johnny Salyer, Billy Huddleston, Gilbert Petty, Elwood Kettler, Don Kachtik, Herb Wolf, Bob Easley.

Charles Hall, Connie Magouirk, Joe Boring, Joe Schero, Gary Wolford, Bob Gosney, Cooper Robbins, Bill McMahan, Ivan Greenhaw, Ray Barrett.

Sid Theriot, Marvin Tate, Louis Capt; Durwood Scott, Fred Broussard, Jack Powell, Foster Teague, Lawrence Winkler, Bill Schroeder, Donald Robbins.

Eric Miller, Bennie Sinclair, Norb Ohlendorf, Billy McGowan, Fred Hartman.

Cooper and Donald Robbins are definitely out of the game. There may be some changes in the traveling squad before the trip, said George.

CHS Kittens Will Meet Huntsville

The Kittens of A&M Consolidated junior high school meet Huntsville junior high school in Huntsville at 4 p. m. today.

Victors over Madisonville by a 14-12 score last week, the Kittens will be trying for their second win of the season over Huntsville. The Kittens beat them, 13-6, earlier in the season.

The little Tigers have a 3-1-1 season record.

By scoring more than 100 runs again in 1953 Stan Musial extended his own record of "most consecutive years scoring 100 or more runs." He accomplished the feat for the 10th consecutive year.

Tigers Go for Eighth Win; Still Lead Area Scoring

Still the highest scoring team in central Texas after a "close" 35-7 win last week, A&M Consolidated high school's Tigers roar into Sealy Friday night, seeking their eighth straight victory.

The Tigers go after fourth district victory. They have piled up 323 points to 14 for the opposition, one of the state's best records. Consolidated had an offensive scrimmage yesterday and will probably taper off today with a light workout.

One of Best

Sealy, one of the top teams of district 25-A, has won four and lost two this season. They were edged by tough Bellville, 25-27, two weeks ago. Bellville is Consolidated's top rival for the district title.

Last week Sealy beat Orchard for their fourth win in their last five games. They lost to East Bernard, 19-25, in the season opener, then beat Eagle Lake, 34-0, Columbus, 34-6, and Tomball, 40-20.

The Tigers have scored an average of 46.1 points per game. They

have amassed 2,292 yards this season on rushing and passing for a 323 yards per game average.

Tigers opponents have gained only 755 yards all season, an average of only 106 yards per game.

Halfback Bobby Wade is the team's leading scorer with 60 points and is tied for 13th in central Texas scoring.

Ag Riflers Preparing For SMU

With Southwest Conference victories over TCU and Baylor already chalked up, the A&M rifle team is preparing for their three remaining conference matches.

The team meets SMU on Nov. 7, Rice on Nov. 14 and Texas on Nov. 25.

In addition to these meets the team will compete in the Southwest Invitational Matches and the William Randolph Hearst Trophy Matches in December.

Scheduled for January are the Fourth Army Area Match and the National Intercollegiate Matches.

A trip to the Citadel in Charleston, South Carolina, for a match and a match here with VMI are planned for the second semester.

Team member Sidney Ferrell summed up chances with the words, "pretty good", adding that practice is the thing the team needs most.

Capt. Libby, the range officer, expressed confidence in the team's ability. Sgt. Lucky, freshman rifle team coach, added that the varsity team made up in spirit and heart what they lacked in skill.

Varsity rifle team coach is Sgt. Collins. Rifle members are Alfred Williams, Harry Gayden, Howard Mims, David Allen (captain), Fred Galley, Jack Barbee, Sidney Ferrell, Guy Andrews, W. R. Durrill, Dan Grissom and Carl Schlinke.

Floyd Invites Fish For Court Practice

Any corps or non-corps freshman is invited to try out for the Fish basketball team, said basketball coach John Floyd.

Freshman court workouts will begin at 7:30 p. m. Monday in DeWane Field House. The first practice will be over by 9, said Floyd. The tryouts will continue Tuesday, Wednesday and Thursday nights.

Vaughn Alliston, sophomore guard on the University of Mississippi grid team, once blocked five punts during a high school game in 1951.
