UNITED NATIONS, N. Y.—American delegates took urgent steps today to bring the U. S. Army's documented report of Communist atrocities in Korea before the U. N. General Assembly. Chief U. S. Delegate Henry Cabot Lodge jr., announced the move last night, a little more than 24 hours after the Army War Crimes Division issued its account of the torture, murder and starvation deaths of 29,815 persons—including 6,113 American soldiers—behind Red lines in Korea.

LONDON—Britain and the United States reportedly have worked out detailed arrangements for withdrawing their troops from Zone A of the bitterly-disputed Trieste territory and handing the area over to Italy.

DETROIT—Big-time gambler Frank Costello came out of prison today only to face the prospect of more federal prosecution. The New York racket boss whom the government set down for a year for his defiance of Congress, rode away from the Milan Federal Correctional Institution to a place and purpose he wasn't telling about.

KANSAS CITY—The federal government today hoped to complete another legal step in its plans for speedy conviction of the kidnap-killers of 6-year-old Bobby Greenlease. U. S. District Attorney Edward L. Scheufler had his final witnesses ready for appearance before a federal grand jury which has been gathering evidence on the case since Tuesday.

BUTTE, Mont.—Somebody called three hotels early yesterday and said smoke was streaming from top floor windows. While night clerks in two of the hotels investigated the report, thieves cleaned out the tills. They got about \$229.

BRLIN—U. S. State Department officials said today reports of Soviet army deserters fighting in anti-Communist underground bands in East Germany are "not solid."

LOS ANGELES—A woman helped blind Carl Carstensen across the street last night and led him to the door of his home. Then, he told police, she took his billfold from his pocket, removed \$53, put the wallet back in his pocket and drove away in an auto.

BALTIMORE—The Baltimore Zoo will need an interpreter when a 3-year-old elephant it has ordered arrives next week. The elephant, born in India but reared in Milan, Italy, responds only to Italian commands and ignores those given in English.

A&M Students Will Quiz Industrialists

A&M students will get a chance to fire questions at four top-ranking Texas industrialists on subjects ranging from world economics to chances for a good job after graduation.

The four executives, all members of the Texas Manufacturers' association, will hold a panel discussion at 7:30 Monday in the Memorial Student Center assembly room.

Panel members will be Louis Ball, southwestern manager Rheem Manufacturing Co., Houston; Frank Chrenick, assistant general manager, Diamond Alkali Co., Pasadena.

Industrial Relations

J. R. McEntee, Shell Oil Co., Houston and J. George Miles, director of industrial relations, Sheffield Steel corporation, Houston. Kenneth Flagg of Fabricon, Inc., Austin, will be moderator.

The panel will discuss subjects with students and faculty members on current economic and political trends. Mitchell Spadachene, president of the Business society which is sponsoring the panel here, said everyone is invited to attend.

Housing Office To Be Used in Poll

Non-military students who live in College View or off the campus will have to vote on the Kyle Field seating arrangement in the Housing office instead of being polled by their student senators.

S. J. Smith, chairman of the seating committee, explained the senators did not have time to poll each College View apartment or areas outside A&M.

Deadline for the voting is 6 p. m. Saturday. The question is whether or not the non-military seating section should be divided by academic classification or opened on a first-come first-served basis.

A&M Administrators Go to UT Inauguration

Four A&M administrators attended the inauguration of the University of Texas' new president yesterday in Austin.

Making the trip were Chancellor M. T. Harrington, President David H. Morgan, Dean of the College John P. Abbott, and Registrar H. L. Heaton.

Dr. Logan Wilson is the new president of the University.

Special invitations have been sent to accounting, business products and marketing, economic and marketing clubs, Spadachene said. All these groups except the economics club are under the business administration department.

Monday Night
The panel Monday night is one of a series sponsored by the Texas Manufacturers' association in Texas colleges. Purpose of the panels is to give business men and students a chance to discuss current events and business trends.

TMA started the programs two years ago. Since then panel members have answered questions from more than 17,000 students.

Completely Unrehearsed
The Monday program will be completely unrehearsed, Spadachene said.

People in the audience will ask the panel questions. Panel members will reply with facts and opinion. There will be no formal speeches, Spadachene said.

Reds Lose Support in Unions

By JOHN CHADWICK
Associated Press Writer

WASHINGTON — The Communists have "lost heavily" in membership and trade union support in Western Europe during recent years, a Senate foreign relations subcommittee said in a report published today.

The 60-page study surveys the strength, tactics and objectives of the Communist movement throughout the world, country by country and region by region.

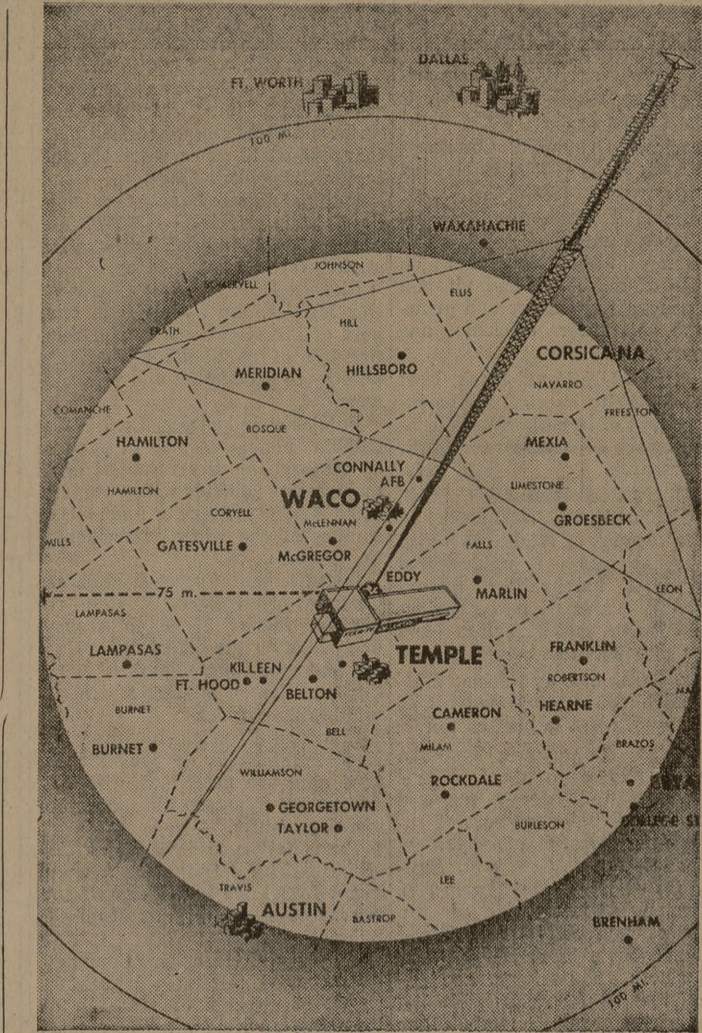

While the report said Red strength in Western Europe reached a peak prior to 1947 and since has declined, it expressed no complacency about the Red menace there or elsewhere in the world.

On the contrary, Sen. Wiley (R-Wis.) said in an introduction that "perhaps the most basic impression which will arise from this study is the very rapid growth of the Communist movement."

Wiley is chairman of the Foreign Relations Committee and of its security affairs subcommittee, for which the study was prepared.

It said that, although Communist party membership in Western Europe has dropped heavily, the Reds have succeeded in maintaining electoral strength in Italy, France and Iceland.

Wiley commented, however, that

KCEN-TV AREA—Pictured here is the "prime" area to be served by Central Texas television station, KCEN-TV, Channel 6, when the station goes on the air Sunday, at 5:30 p. m. The new television station will be received in a 32-county area.

Rinard Chosen Fish Drill Team Commander

John W. Rinard, chemical engineering major from San Antonio, was chosen commander of the Freshman Drill Team at final eliminations Tuesday afternoon.

John C. Bain, electrical engineering major also of San Antonio, was made guide of the team.

Both men attended Thomas Jefferson high school and were members of the ROTC unit there. Rinard is in G company and Bain is in H company of the third battalion, first composite regiment.

Forty men were picked by double elimination from the group of candidates who reported for try-outs. Alternates were chosen from the remaining candidates.

The team will make their first appearance of the year during the parade in Houston the weekend of the Rice corps trip. B. A. (Scotty) Parham, commander last year, said the team has tentative plans for trips to Dallas and San Antonio.

They will march in the annual "Battle of Flowers" parade in San Antonio in April. Performances will also be given after all major reviews on the A&M campus.

Capt. J. C. Brusse, of the military science department, is faculty adviser and sponsor of the drill team.

Aggie Gift Gives Hervey New Position

J. B. (Dick) Hervey, former student secretary, now has a new job.

The crowd that was here for the A&M - Baylor game last weekend taxed the facilities of the Memorial Student Center. Each of the seven ladies' rest rooms had a long line in front of it after the game.

A former student who was here for the game thought that this was a deplorable situation, so he did something about it.

He designated Hervey as trustee of a fund to provide more ladies' rest rooms, and sent a \$25 check to start the fund.

News Briefs

THE AGGIELAND Orchestra is going to play a dance at Bryan Air Force Base this Saturday night. The dance will be held in the Cadet Officers Club in celebration of the graduation class. Singing with the band will be Pete Mayeaux and the Kelly sisters, Sylvia and Sandra, of Bryan.

EIGHT DAIRY husbandry students will receive Herman Heep

scholarships Tuesday night at a meeting of the Cream and Kow Klub. The meeting will be held at 7:45 p. m. in room 3C of the Memorial Student Center.

DR. KEITH L. DIXON of the wildlife management department was elected to full membership in the American Ornithologists' union at the annual meeting in Los Angeles, Oct. 21-24.

ABOUT 25 COUPLES and their children attended the picnic sponsored by the Architectural Wives society Wednesday. Families brought box suppers and roasted wieners at Bryan city park. Mrs. Roddie Ray was in charge of the evening. The next meeting of the society will be Wednesday, in the south solarium of the YMCA.

STUDENTS WHO HAVE lost bicycles may be able to find them by contacting Chief of Campus Security Fred Hickman in his office. Hickman said his officers picked up and stored all bicycles left here when school closed for summer vacation. He explained the bicycles were stored to prevent them from being stolen.

ERNEST LANGFORD, head of architecture department, will attend a meeting of the Texas Society of Architects to be held in Austin Nov. 3-6. He is a member of the board of directors of the society.

ONE HUNDRED AND twenty five Woodrow Wilson fellowships for students in the humanities and social sciences are now available. Interested students can get details from W. L. Delaplane, dean of arts and sciences. Application deadline for the 1954-54 school year fellowships is Dec. 1.

Aggies To Start Veteran Backs

Hogs Are Priming For Saturday Upset

By BOB BORISKIE
Battalion Sports Editor

Coach Ray George plans to start a veteran backfield against the Arkansas Razorbacks Saturday night in Little Rock.

His choice leans to players with experience, since the oft-defeated Hogs are dangerous on any given Saturday.

At quarterback will be Don Ellis, with Connie Magouirk and Joe Boring at halfbacks, and Don Kachtik at fullback.

All four are fine defensive players, and can certainly carry the ball when called upon. With the Hogs likely to put everything into an effort to capture a win, backfield experience may be the difference.

The Saturday contest has special appeal in that the Aggies' Don Ellis will be pitted against Lamar McHan, Hog quarterback who is making a serious bid for all conference man-under honors.

Comparison of the two teams in the latest Southwest conference statistics shows McHan is putting up quite a battle in most of the departments where Ellis is the leader.

In total offense, Ellis leads the conference with 655 yards in 181 carries. McHan is second with 665 yards in 155 carries.

The leading punter in the league is Sammy Morrow with a -48.4 average for 12 punts. Right behind him is McHan with a 40.1 average for 26 boots.

McHan moves ahead of Ellis in the punt return column, ranking third in the conference with a 12.7 yard average return, while Ellis is fifth with a 7.2 average.

Ellis Grabs Enemy Tosses

Ellis leads the conference with pass interceptions with 3, and an average return per interception of 28.7 yards. McHan is not listed among the leaders in that category.

Leading scorer in the SWC is Ellis with 31 points, and here again McHan does not register, but in the passing department where Ellis excels, McHan is putting up (See FOOTBALL, Page 2)

Wood Cutting For Bonfire To Start Nov. 9

The wood gathering area for the bonfire has been selected.

Arrangements were made by Monty Montgomery, Jimmy Tyree, Mac Gough, and Tommy Arhopoulos.

The seventy five acres of cut timber is near Wellborn just off the old Houston Road. Arhopoulos, '48, owner of the acreage, showed the group the timber and discussed plans with Montgomery.

Since the timber was cut eight months ago, no trimming will have to be done. All there is to do is stack it and get it out, Montgomery said.

"We hope to have the first load out Monday following the Rice game. This year we are going to be hauling when we were talking last year," said Montgomery.

Arhopoulos said he would cooperate in every way possible. The only thing he asked was that the bonfire's ornamental top, usually called the Tea Sip Tea Room, not be taken from his property.

Fund Shortage Delays Marker For North Gate

Funds from the class of '53 were not enough to erect the proposed entrance marker at the north gate.

Harold Badgett, manager of physical plants, said the project might be started in the spring after additional funds are raised by the college.

The marker is to be made of Austin lime stone and the letters will be made of some metal that contrasts with the stone. The marker will be located between Houston street and Sulphur Springs road at the north gate.

The class of '52 monumental marker is sited for the east gate on highway 6 but also needs funds. The project was revised to cut down the cost.

Robert F. White of the landscape and horticulture department will have to make a working drawing of the projects before construction will begin, said Badgett.

The class of '53 has approximately \$2,000 in its treasury and the class of '52 has \$1,500.

Lights will illuminate the markers at night so persons driving will be able to distinguish them clearly.

Trophy Committee Will Meet Tuesday

The student committee evaluating the Moore Trophy award has postponed their final meeting to Tuesday. They had planned to meet yesterday afternoon.

The group, composed of three seniors and three juniors, has met twice. They have recommended that grades be given less value in the awarding of the trophy.

They are now making changes in the number of points awarded for various extra-curricular activities. Bennie Zinn, assistant dean of men, will present the committee's recommendations to the Executive committee Nov. 10. They must approve the changes.

Society To Provide Christmas Display

A Christmas floral display in the Memorial Student Center will be sponsored again this year by the floriculture and landscape architecture society.

A. F. DeWerth, sponsor, said the display will be presented about Dec. 7, but no definite plans have been made.

It will be based on the display last year, he said.

Blind Bogey To Start Tomorrow in MSC

A Blind Bogey tournament will be staged again Saturday at the MSC bowling alleys.

The tourney is based on chance, not skill.

A free chicken dinner will be presented to the winners of the high game and high series.

To enter, the bowler bowls one game for high score and three games for high series. He must register his games at the bowling alley desk.

Blood for Arnold To Be Replaced

The blood given Charles Arnold, hurt in an automobile accident, by the Waco blood bank will be replaced soon.

The blood donated was a rare type, and an attempt is being made to replace two pints for each one used. A list of students having 0 negative type blood has been compiled from old records, and each person on this list will be contacted by seniors of squadron 22 and urged to donate to this cause.

Arnold's outfit, squadron 22, is scheduled to donate 24 pints of blood when the bloodmobile arrives at A&M. These 24 pints along with the 0 negative blood will be sent to the district that donated its last pint of 0 negative blood.

"It would be wonderful if we could get a big turn out of the men with this type blood, so we could repay someone who helped a buddy when he really needed it," said Bob Landrum, commanding officer of squadron 22.

Jan Garber Set For Rice Dance

Jan Garber will play for Rice Institute's homecoming dance the night of the A&M-Rice football game in Houston.

The dance will be at 9 p. m. in the Crystal ballroom of the Rice hotel. Admission will be five dollars a couple.

Extending an invitation to all A&M students, John McClintock, Rice homecoming chairman, said, "We would like to make this a big dance for both schools."

Weather Today

CLOUDY
Cloudy to partly with possible light rain for the weekend. High yesterday 75. Low last night 50. Temperatures today will reach the middle 70's. Expected low tonight in the lower 50's.
