ASK...SEEK...KNOCK!

Everyone knows that success comes not to those who merely desire it, but to those who achieve it through long, hard work.

It is odd then, that in the spiritual area of life some people should expect blessings to come for the asking.

Those who really understand PRAYER know that it's more than mere asking. It is seeking. It is the hungry search for truth and moral enlightenment...digging for spiritual gold in the hills of life.

But PRAYER is something more even than seeking. It is knocking...meeting life's obstacles bravely...waiting with patient determination until closed doors open...entering portals that the more timid pass by.

[We wouldn't really need churches if spiritual growth came for the asking. But we do need churches to help us seek the treasures of God. And through our churches, with the united strength of millions of Christians, we knock on the portals of the more abundant life—and there find it.

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
