FAMILY FAVORITES

By Mrs. C. G. (Spike) White

(Ed. note: Guest editor this week is Darnell White, wife of Spike White, head of student activities at A&M. Mrs. White, a native of Dallas, is president and general manager of the "White's Boys Club" composed of Spike, 39; Bob, 10; Bill, seven; and Joe, five. She is an active member of the A&M Consolidated Mothers and Dads club.)

When I was asked to write this week's Family Favorites column, I felt that in a place like College Station where there are so many expert cooks that it is like sending coal to Newcastle.

The women here—especially of the original campus families—are noted for their social grace and picture-book table fare. They don't open cans—they cook with art and savoir faire!

During football season when we are all thinking of dishes we can have ready for the week-end company, I like this one.

Barbecued Sandwiches

Carl Tishler, head of the PE department, brought this recipe from Ohio and passed it on to his friends. Do it the day before if you wish and have ready to heat throughly and serve with heated or toasted hamburger buns. They are served without further relishes or spreads.

- | | |
|-----------------|--------------------|
| 2 onions | 2 lbs. ground beef |
| 2 green peppers | 1 can tomato soup |
| 8 slices bacon | 1 tablespoon sugar |

Chop onions, green peppers, and bacon. Brown slightly. Add meat and stir until brown. Season with salt and pepper and sugar. Add soup and simmer an hour, or until thick. Flavor with a little Worcestershire sauce.

Strawberry Salad

This is a pretty and festive-looking salad that can be made beforehand.

- | | |
|----------------------------|-----------------------------------|
| 6 oz. cream cheese | 1 cup hot water |
| 1 cup chopped nuts | 1 10 oz. pkg. frozen strawberries |
| 1 package strawberry Jello | |

Dissolve Jello in 1 cup of hot water; then add frozen strawberries and mash a little until thawed. Chill until partially set. Stir and add small cream cheese balls that have been rolled in nuts. Make individual molds or one large mold.

Apple Sauce Cake

This is an old family recipe that my aunt gave me. You can make it now and pack it away for Christmas holidays. It keeps beautifully if you can keep it hidden from your family!

- | | |
|----------------------|---------------------------|
| 1 cup shortening | 2 teaspoons baking powder |
| 2 cups sugar | 1 teaspoon cinnamon |
| 1 egg | 1 teaspoon allspice |
| 2 cups cooked apples | 1/2 teaspoon nutmeg |
| 2 teaspoons soda | 1 cup chopped dates |
| 4 cups flour | LOTS of nuts |

Cream shortening with sugar. Add egg and apples mixed with soda. Mix. Sift flour with remaining dry ingredients and add to mixture. Add dates and nuts and bake at 350 degrees for one hour.

CHS Honor Roll Lists 29

Twenty-nine students were named yesterday to the first honor roll in the history of A&M Consolidated high school.

These students made an average of 90 or better in all their subjects for the first six weeks. Health and physical education grades are figured in the averages, and grades nine through 12 are included.

The highest ranking student for

the first six weeks was Penny Laverty, who maintained an average of 96.5. Second and third on the honor roll were Maurice Olian with 95.6, and Jimmy Simpson with 94.3.

"As far as I know this is the first honor roll CHS has ever had," said J. J. Skrivanek, principal.

Students and faculty members drew up the plan for the honor

roll. The students decided that no average below 90, even 89.99, would be included on the list, Skrivanek said.

Students listed on the honor roll are as follows:

Ninth grade: John Harrington, Jimmy Simpson, Marcia Smith, Donald Patton, James Martin, David Lloyd, Charles Delaplane, Maurice Olian, Larry Leighton, Lucy Rogers, Jo Ann Walker, Ronald Gandy.

Tenth grade: Rita Hughes, Margaret Berry, Bobby Wither, Marilyn Davis.

Eleventh grade: Eugenia Rush, Clifton Bates, Bonnie Carroll, Betsy Burchard, Jerry Oden.

Twelfth grade: Jimmy Bond, Fred Anderson, Robert Cleland, Robert Jackson, Charles Johnson, Carolyn Landiss, Penny Laverty, Janice Latimer.

Tours of the campus, conferences, and meetings of state-wide associations brought 1,600 visitors to the campus during October, according to P. L. (Pinky) Downs Jr., A&M's official greeter.

The visitors ranged from 35 seventh and eighth graders just touring the campus to an Agricultural Experiment Station conference attended by 350 persons.

Also included in the total were 25 patients from the Veteran's Administration center in Temple and 35 patients from the U. S. Army hospital at Ft. Hood.

These men were guests of the college at the A&M-Baylor football game.

Conferences held during the month included meetings of the Texas Dehydrating association, Texas Nutrition association, Texas Peach Growers association, Texas Beekeepers association, American Brahman Breeders association, Women of the Presbyterian Church, A&M Research Founda-
