Road of Harmony

This road leads to a picnic. It extends through a beautiful countryside, where the trees, meadows, and streams all contribute to the contentment and pleasure of this happy family.

But it leads further than the picnic site. It is the first few miles of a road that winds through the years of family harmony, love, and understanding. And it is over this road that children must travel if they are to grow into successful, happy adults.

For this is a picture of American youth in its proper setting—with loving parents, who have found enough time to enjoy their children and to devote their moments of leisure and recreation to them.

We need never worry about children such as these. They are taken to Church on Sundays, and are taught the principles of Christian living. They are cared for, loved, and respected.

Give your children the same opportunities to make the most of their lives. Start them on their way down the road to the fulfillment of a Christian life of service and security.

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
