

Bob Karow, Ohio All-Stater, Quits A&M for Operation

Bobby Karow, all-state high school football player from Ohio, is expected to return to A&M next fall, said Willie Zapalac, freshman football coach.

Karow quit school in October because of a knee injury suffered in high school and went home to have an operation on it. He is not attending school at the present time.

Karow was limited to light practice workouts this year to give the knee time to completely recover from an operation performed earlier. Coaches decided to hold him out of competition this year to protect the knee.

Bobby is the son of Marty Karow, former A&M baseball coach who is now at Ohio State. Karow's Aggie teams won Southwest conference baseball titles in 1938, '39, '40, '41, '48, '49 and '50.

Florida State U., located in Tallahassee, has only one home town boy on its varsity football squad. He is Jim Olsen, a sophomore tackle.

SMU, Texas, Bears Picked

Scribes Due Rest; Owls to Beat Ags

By JERRY WIZIG Associate Sports Editor

Sports writers are due a temporary respite Saturday from the hazardous business of picking winners of Southwest conference football games.

All four games involving SWC teams have strong favorites. Before they get overconfident, however, writers, and fans, should remember this is the SOUTH-WEST conference, and anything can, and does, happen.

Here are this week's predictions: Rice over A&M, 19-7. SMU over Arkansas, 27-7. Texas over TCU, 21-6. Baylor over Houston, 20-14.

The high-flying Rice Owls will have every incentive for playing one of their best games of the season against the Aggies Saturday.

It will be the Rice homecoming game, a usual occurrence when the home team plays A&M, parents of Rice players will be honored at the game and the Owls know they have to win to stay in the running for a New Year's Day date in the Cotton Bowl.

As if that weren't enough, Rice has a rushing attack that is seventh in the nation, and a line that is one of the best in the conference, offensively and defensively.

Don Ellis will be throwing a lot, if the weather is dry, and the team will be in fine physical condition.

Harriers Meet Steers Today

A&M's undefeated cross-country team today meets University of Texas on the Aggie course and goes after its sixth straight win of the season.

The varsity meet will start at 3:45 p. m. A freshman meet also will be held, beginning at 3:30.

James Blaine, first place finisher in all five A&M meets, will again pace the Cadets. Monday he set a record of 11:36 over the 2.6 mile course, the second in two weeks.

Against SMU Blaine set a record of 11:41, and, if pushed hard by any of the Steers, might put on another record-breaking performance. He has been conference champ the past two years and is also the two mile champion.

The Cadets are now the top choice for the Southwest conference title. The conference meet will be held Nov. 23 in Dallas. It originally was set for Waco.

Blaine's performance and Verlon Westmoreland's third place finish pushed the Aggies past Oklahoma A&M Monday, 27-28. The Cadets previously had beaten Oklahoma, Arkansas, Texas and SMU.

Other Aggie Harriers are Dale DeRouen, Frank Whitwell, Bill Cocks and Bob Boles.

Tigers Play Bellville Tonight

The undefeated Tigers of A&M Consolidated high school play Bellville tonight in Bellville, with a berth in the state playoffs probably going to the winner.

Kickoff will be at 8 p. m. The Tigers have won eight straight games, and the Brahmas have a 6-1-1 record. Both are unbeaten in district play and only

have one game left to play after Friday. Bellville will have a 16 pounds per man weight advantage.

Consolidated has the best high school scoring record in Central Texas, with 365 points to 21 for their opponents. The Tigers have averaged 329 yards per game offensively and have rolled up a total of 2,631 yards.

Halfback William Arnold leads the Consolidated rushing, with 619 yards on 87 tries for a 7.11 yard average.

J. S. Mearns faked well, then gave the ball to Cecil Fair who went over for the score to help company C edge squadron 24, 12-0.

Roy Campbell made some fine runs to set it up, then scored the final touchdown for company C.

Basketball

Scoring seven points, Bob Sears helped squadron 25 edge squadron 17, 13-10.

Company E's Larry Piper scored seven points to help his unit win over Fish band, 17-6.

Ray Van Eaton scored 12 points to help company F smother company A, 29-17.

ASA's Jerry Thomas scored nine points to help defeat B composite, 17-8.

Janak scored 10 points to help squadron 21 romp over company H, 29-15.

In tennis matches played at the cement courts, company I beat company E, two matches to one; B armor defeated squadron 11, 2-1; and B field artillery won over B infantry.

In bowling, held at the Memorial Student Center, A transportation slipped past squadron 14; squadron 8 defeated A infantry; squadron 4 out scored squadron 11; and squadron 13 edged squadron 2.

Company B blanked company G 3-0 in horseshoes.

Undefeated Riflers Face Rice Owls

dition. The squad looked good in an offensive scrimmage Wednesday, and might come through with a typical SWC upset. But the Aggie ground game hasn't compared to Rice's in the last few games.

All in all, it looks like nine straight over A&M for Rice.

SMU Defense Second

SMU, another possible conference champ, puts up the second best defensive record in the country against the Razorbacks. This game should be interesting, because the Hogs' Lamar McHan is 7th nationally in total offense.

The Mustangs, with star back Jerry Norton again in the lineup, will have a 17 pounds per man weight advantage in the line. SMU also has a dangerous offense which should reach its peak.

Texas Heavy Favorite

Texas, now given the best chance for the title after its 21-20 win over Baylor, is a heavy favorite over the Frogs, on paper.

TCU reverted successfully to the single and double wings against Washington State and might employ them against the Steers. However, the Texas defense should have enough to hold it in check, and a ground-consuming rushing attack headed by Dougal Cameron and Delano Womack should score several times.

Bear Offense Too Strong

Baylor's offense, which gained 314 yards in defeat last Saturday, looks too high - powered for a Cougar defense that hasn't been too strong this season.

A solid vote for Baylor in an unexpectedly close game.

How the stars got started

ANNE JEFFREYS dreamed of being an opera star, studied long and hard. BOB STERLING could have been a pro athlete, but chose the long, hard pull of acting. Both eventually won good parts on stage, radio, TV. They met on a TV show... sang an impromptu duet... became Mr. & Mrs. in real life... and "Mr. and Mrs. Kerby" in TV's brilliant, new "Topper" program!
