'Mural Boxing' Might Stop, Says Welch

Intramural boxing probably will be discontinued at A&M, said Barney Welch, director of intramural athletics. Boxing is not a Southwest conference sport and was only being tried as an A&M intramural sport said Welch. Welch said he thought underclassmen were being compelled to compete in intramural boxing by upperclassmen. A boy should not be made to participate in any sport, he said. Boxing was chosen one of the least popular sports at A&M in a sports popularity survey of over 5,000 students. This shows that there are not enough Aggies interested in it to justify its place in the intramural program, said Welch.

Fish Can Start Three Teams

By BILL BRASHEAR
Battalion News Staff

Larry Hayes, Fish basketball coach, is probably the only coach in the Southwest Conference who can start one of three teams and still not lessen his chances for a win. Hayes has 20 players 11 of them over 6-2 and only three under 6 feet. They compose three teams, each with a definite advantage over the other.

Team one has George Mehaffey, 6-5 1/2 center from Houston, Lewis Blood, 6-4 forward from Ponca City, Okla.; Ted Harrod, 6 foot guard from North Little Rock, Ark.; Roger Harvey, 5-10 guard from Denison and Lee Smith 5-10 guard from Dallas.

This team is faster than the others. If the opposing team is small and fast, Hayes will start this combination.

Team two has Jeff Penefield, 6-6 center from Hollywood, Cal.; John Henry, 6-3 forward from Oklahoma City; Greenville Gattis, 6-4 forward from Fort Smith, Ark.; Donk Wilson, 6-3 1/2 forward from Humble; and Channing Williams, 6 foot forward from San Marcos.

This team is tall and would start against a tall opposing team.

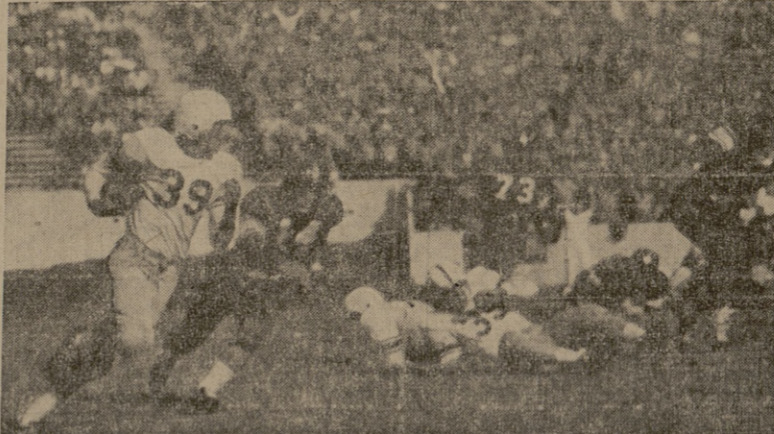

The third team consists of Joe Schiraldi, 6-6 center from Baytown; Bill Ballard, 6-3 forward from Dallas; James Stephens, 6-5 forward from Mineral Wells; Conley Phipps, 6 foot guard from Coolinsville, Okla. and Herb Bishop, forward, from Baytown.

This team is fast and has plenty of height, making it flexible enough to take on any type of opposition.

Capable Reserves
Capable reserves working out are Truman Bartlett, 6-4 forward from Houston; Audie Musgrove, 5-10 guard from Pleasant Grove; Ernie Bruss, 6-3 forward from Farmington, N. M.; Robert Judd, 6-6 center from Mamoraneck, N. Y. and Walter Thomas, 6-3 forward from Mineral Wells.

Any of these boys may soon break into a starting lineup.

Several promising players from the corps are trying to make the squad. Some should be ready for

MAGUIRK ON THE GO—Connie Magouirk steps down the sideline for 54 yards in the second quarter after taking a pitchout from Don Ellis. Magouirk carried for the Aggie 8-yard line to the Rice 38. Chasing him are Mendel Lavigne (No.14), LaVon Cox (73) and Blois Bridges (89).

Aggies Begin Workouts For Final Game of Year

The Aggies went through a light workout and listened to scout reports yesterday in preparation for the Thanksgiving clash with the Texas Longhorns on Kyle Field.

Several players were shaken up in the Rice game, but all are expected to be ready to take the field against Texas.

Don Kackfik, Connie Magouirk, Billy Huddleston and Elwood Kettler are all nursing minor bruises but with 19 days in which to work out their hurts, all should be in good shape for the game.

Coach Ray George expects Texas to make an all-out bid to win and he respects their power.

"That Texas team is plenty tough. They have a good active line, plus depth, and some fine running backs," he said.

However, George hinted that the Aggies might have a few surprises to spring in the Texas game.
