

Ags Smooth Offense For Turkey Day

A&M's football team went through an offensive drill yesterday, their first heavy exercise of the week, in preparation for the traditional Thanksgiving Day game with the University of Texas. The Aggies Tuesday listened to scouting reports and saw movies of the Rice game. Quarterback Don Ellis tuned up his passing arm in yesterday's drill, warming up for his last college football game. He climbed from 16th to 10th nationally in net offense and from 9th to 6th in passing after the Rice game. Ellis now has gained 1,019 yards on 274 rushing and passing plays. He has completed 70 of 161 passes for 880 yards and 4 touchdowns. In the Southwest conference,

Ellis is first in passing, second in total offense, 6th in punt returns, 5th in kickoff returns, 3rd in pass interceptions and 4th in scoring. Backs Bob Easley and Connie Magouirk also can be expected to give the tough Texas defense a thorough test. Easley is 9th in conference rushing, with 245 yards, and Magouirk is 10th, with 236 yards. Guards Phil Branch and Herb Gray and ends Carleton Massey and Gilmer Spring are some of the outstanding names in the Texas line. The Steer backfield doesn't have any of the national leaders, but Dougal Cameron and Ed Kelley are two of the hardest running backs in the SWC.

Tigers Can Wrap Up Title With Tomball Win Friday

The undefeated A&M Consolidated high school Tigers go after the undisputed district 25-A title Friday night when they play Tomball on Tiger field. Kickoff time is 8 p. m. Consolidated cinched a tie for the district championship when they beat Bellville 19-14 Friday in their toughest game of the season. They have won nine straight games.

The Tigers have rolled up 384 points and 2,781 yards this season for an average of 42.6 points and 309 yards per game. The opposition has scored only 35 points and has gained 1,168 yards, an average of 4 points and 130 yards per game. Fullback David Bonnen is the team's leading scorer, with 12 touchdowns. He scored twice against Bellville, including the winning touchdown.

Fish Close With Shorthorns

In the line it will be Eugene Stallings and John Ray, ends;

Bobby Lockett and Houston Green, Martin, guards; and Walter Griffiths; Bennie Bloomer and Jim Smith, center.
