Dardaganian's Kick Gives Squadron 15 7-6 Victory

Ed Dardaganian's extra point helped squadron 4 slip past squadron 15, 7-6, in intramural football yesterday.

Squadron 4's score came when Warren Anderson broke loose on a 60 yard run for the touchdown.

Eddie Hennig threw three touchdown passes to help A athletics roll over B composite, 40-6.

Two to Byrd

The passes were to Bobby Briggs, who ran 15 yards for a score and two to Les Byrd, one for 35 yards.

Jim Morrison, A athletics, proved his defensive ability by intercepting two passes and running 20 yards and 18 yards for touchdowns.

Curtis Webb scored the only touchdown for B composite.

Squadron 7's Jake Magee scored his unit's only touchdown to defeat AAA, 7-0.

McDale and Crowley scored touchdowns to help squadron 6 beat squadron 14, 13-6.

White Case

(Continued from Page 1)

Eisenhower's remarks may have the effect of applying the brakes to his Cabinet members on any further forays in the communism-in-government field.

But it was plainly evident that Republicans in Congress and elsewhere intended to keep the ball rolling up to election time next November.

Sen. McCarthy (R-Wis.) prepared a radio-television reply Monday night to Truman's indictment of "McCarthyism."

Jenner promised the internal security subcommittee will have new disclosures on the operations of alleged spies in the Treasury after White was promoted from assistant secretary there to the International Monetary Fund.

Jenner challenged a telegraphic statement from John W. Snyder, who served as secretary of the Treasury under Truman, that any subversives in that department were weeded out during his tenure. "We happen to know better than that," Jenner said.

Basketball Crayton Autry scored seven points to help squadron 20 edge squadron 24, 23-22.

W. C. Smith, company A, scored six points to help his unit down company I, 15-13. Charlie Moeller was high man for company I with nine points.

John Janak scored 15 points to help squadron 21 to a 32-17 run-away over squadron 17.

Gerald Tackett, squadron 23, scored 10 points to help his unit outclass squadron 19, 33-14.

In horseshoe matches, A chemical blanked squadron 3, three matches to none; B infantry defeated squadron 2, 2-1; B field artillery beat A engineers, 2-1; and A transportation corps won over A infantry, 2-1.
