

MSC Has Complaint Department

The Memorial Student Center has a complaint department.

It's called the public relations committee and has the sole duty of bettering the relations among the MSC, A&M students and other colleges.

Headed by Charlie Parker, chairman, and C. C. (Chuck) Neighbors, vice chairman, the committee is composed of 15 members.

Its biggest problem is to convince students that the MSC is not a "state-run hotel," Parker said.

"The MSC is run by the college, and it's for extra-curricular activities of the students," he said. "It gives the students a place to go for culture, education or just a place to relax."

During football season, the committee invites the visiting college's student center members to the MSC for coffee, where they discuss each other's problems.

Members write press releases to state newspapers, and conduct the "Show Time From the Center" radio program.

The program is broadcast twice a week. It presents classical music on Monday and features local talent on Wednesday. The broadcast is at 4:30 p. m. each day.

The committee is also in charge of the annual pipe smoking contest each spring, distributing brochures, pamphlets about student activities at the Center and other public relations work.

The committee meets at 7:30 p. m. every other Tuesday in the MSC directorate office.
