

Texas Gains Title Tie With Win Over A&M

The University of Texas Longhorns tumbled the Aggies to their fourth straight conference loss Thursday by a 21-12 margin before 42,000 Kyle Field fans.

With the victory, Texas gained a first place tie with Rice in Southwest conference standing, but Rice later was chosen to represent the league in the Cotton Bowl against Alabama by virtue of Rice's regular season win over the Longhorns.

The Aggie defeat, coupled with the upset TCU victory over SMU, left A&M and TCU tied for the cellar in conference play.

In the final game of the season for both teams, Texas showed its superiority over the Aggies after the Longhorns stopped A&M's opening goalward drive on the Texas 27.

Aggies Miss Field Goal

An Aggie field goal attempt from that point on fourth down and

8 yards to go, fell short and rolled dead on the Texas 10 yard line.

The Longhorns started their first touchdown drive late in the first quarter from their own 33, and rolled 67 yards in 6 plays, including a sensational 42 yard pass play from Charles Brewer to Gilmer Spring.

The play carried to the Aggie 3, and after Dougal Cameron picked up a yard, Ed Kelly plunged the final two yards for the touchdown.

Phil Branch converted with 1:10 left in the quarter to give Texas a 7-0 lead.

Pass Interference Costly

An exchange of fumbles gave the Aggies the ball on the Longhorn 45 midway in the second period, and with the aid of a pass interference ruling against Texas in the end zone, A&M pushed over in 4 plays.

From the Texas 45, Don Ellis faded back to pass, could find no open receivers and ran 8 yards to the 37.

Billie Huddleston took an Ellis pitchout and swept left end for 22 yards, stepping out of bounds on the 15.

Then came the Ellis pass to Bennie Sinclair in the end zone Brewer was charged with interference, giving the Aggies the ball on the Texas 1 yard line; first and goal to go.

Easley Scores

Bob Easley tumbled into the end zone on the next play to give the Aggies a chance to tie it up, but the pass from center on the point attempt was fumbled. Ellis tried to run for the point, but was smothered just short of the goal line and Texas held a 7-6 lead.

Delano Womack of the Longhorns took the following kickoff on the goal line and ran it out to the Texas 26.

From that point, Texas backs galloped through gaping holes in the A&M line to surge across the Aggie goal in 9 plays. Branch again converted to increase the Texas lead to 14-6. And that's the way the score stood at half time.

Texas Power Tells

In the third period it was more Texas power as they started from their 20 and used 12 ground plays to eat up 89 yards to the third Longhorn score. The point after by Branch jumped the Texas margin to 21-6 and put the game out of reach for the Aggies.

It wasn't until late in the final period with Texas reserves in the game that A&M was able to push across its second marker.

Capitalizing on the second of two chances brought about by Texas bobbles, the Aggies scored in two plays from the Longhorn 16.

After Elwood Kettler put the ball on the 10 with a 6 yard scamper, Connie Magouirk barged over right end for the tally. Kettler's try for point was blocked to leave Texas ahead 21-12, and three minutes later the game ended.

Quarterbacks To See UT, Baylor Films

Movies of the A&M-University of Texas and A&M-Baylor games will be shown at the last meeting of the Quarterback club Friday night.

The meeting will be held at 7:30 p.m. in the YMCA Chapel.

The Baylor game film is a sound movie. The Texas film will be narrated by Jones Ramsey, A&M's sports news editor.

Baylor nosed out the Aggies, 14-13, the first Cadet loss of the season. The Steers gained a share of the Southwest conference title by whipping the Aggies, 21-12, Thanksgiving Day.

Tickets Issued For 12th Man Bowl

Tickets for the 12th Man Bowl Football game will be issued to athletic officers today, said Barney Welch, director of intramural athletics.

The meeting, will be held in room 301, Goodwin Hall, at 5 said Welch. It is very important that all athletic officers attend, he said.

Tickets will be issued according to the exact number of men in each unit, Welch said. "It will help us if you will know the number of men in your unit when you come to the meeting. If we do not have the correct number of tickets allotted for your unit, you can correct us."

Tumblers Perform At Ag Cage Games

The A&M tumbling team will provide half-time entertainment at Aggie basketball games this season, said Nick Ponthieux, a team sponsor.

Seniors, Lew Hampton and Gerald Marshall and junior Bob Sullens return from last year's team. Several sophomores also will be on the team, said Ponthieux.

Last year's "clowns," Bud Matthews and Conard Webb, will be back. Matthews and Ponthieux are the team sponsors.

"You can expect the same type of entertainment as last season," said Ponthieux. The team plans to perform at half-time of the 12th Man Bowl game Dec. 17, he said.

T Association Sets Winter Banquet

The T association's annual winter dinner-dance will be held Jan. 15. The date was set at Friday night's meeting of the association.

Jerry Robinett heads a committee which will complete arrangements. He was appointed by Darrow Hooper, president.

The time and place of the dance will be decided at the next meeting. The date set is the night before the football and cross-country banquet.

Farmers Begin Basketball Against Lamar Tech Tonight

Three returning lettermen form the foundation of the Aggie basketball team which takes the court tonight in the season opener against Lamar Tech in Beaumont.

Roy Martin, James Addison and Rodney Pirtle are the lettermen Coach John Floyd is counting on to guide the team through the early games, with considerable help expected from Joe Hardgrove, junior guard, and John Fortenberry, ace forward up from last year's freshmen team.

Squadron May Help

With these five listed as probable starters in the season opener, much help is expected from the following squadmen who might break into the starting lineup: Pat McCrory, 5-11 junior guard from Waelder; Don Moon, 5-8½ junior guard from Minden; Howard Homeyer, Caldwell product; Frank Miller, 6-6 sophomore forward from Sour Lake; Earnest Kennedy, 5-9 sophomore forward from Fort Worth; Ken Murry, 6-3 senior forward from Wills Point; Stan Baker, 5-11 senior guard from Fort Worth; and footballer Joe Boring, 6-0 guard from Dallas with a sophomore classification in basketball competition.

Pacing the starters will be Mar-

tin, the 6-8½ junior center from Waxahachie, who is a great rebound artist with a good eye for the basket, both from outside set positions and inside hook shots.

Pirtle, 6-2½ junior forward from Coleman, is a fine dribbler who can sweep through or around the opposition for lay-up crisp shots. He is expected to call the plays from the floor for the Aggies.

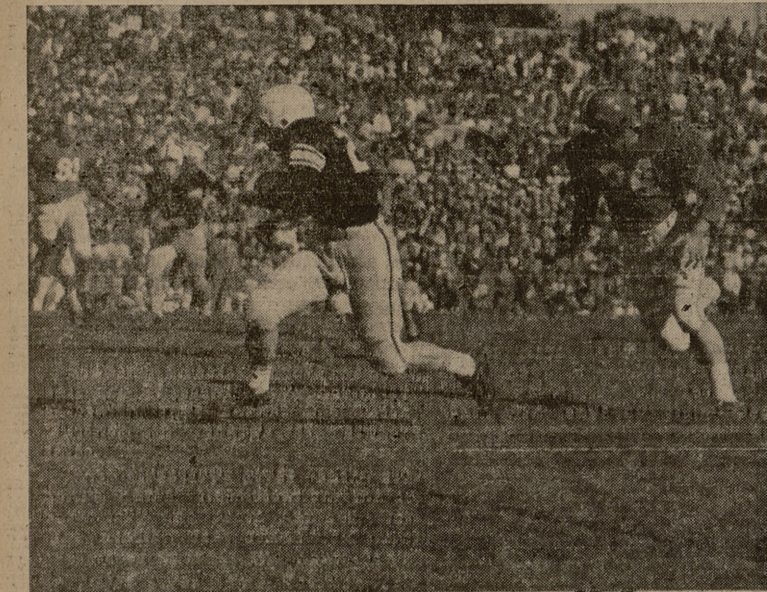

Addison, 6-6 senior from Lipan, doubles at the center and forward positions and is a good ball handler who adds needed rebound strength to the team.

Hardgrove, 6-2, is a steady defensive performer and is strong on outside set shots. He is a speedy

ball handler who will play a large part in Coach Floyd's plans for a "shoot and shoot again" style of basketball for this year.

Fortenberry led the freshmen last season in scoring and is a good dribbler, a deadly outside shooter and a sharp defensive player who frequently steals the ball while opponents are moving down the court.

The Aggies, after the Lamar Tech opener, have December contests scheduled with Trinity, University of Houston, Oklahoma City, LSU and Texas Tech before entering the conference pre-season tournament in Houston during the Christmas holidays.

HUDDLESTON ON THE GO—Halfback Billy Pete Huddleston sprints 22 yards down the left sideline in the Texas game to set up A&M's first touchdown. Huddleston carried to the Longhorn 15-yard line, and Bob Easley scored from the 1 two plays later. He is being chased by Ed Kelley (No. 34), Carleton Massey (No. 81) and an unidentified player.

Tigers Derailed 28-7 By Deer in Bi-District

A&M Consolidated high school's victory train was derailed, 28-7, Wednesday night by Deer Park in a bi-district battle of two undefeated elevens.

The Tigers had entered the contest with a string of 10 straight wins and one of the best high school scoring records in the state.

Three second half touchdowns by the Deer broke the game wide open after Consolidated had tied the score 7-7 at the half.

Tiger fullback David Bonnen was injured early in the game, seriously hurting Consolidated's ground

game. The Tigers had a 10-7 edge in first downs at the half.

Deer Score First

Deer Park scored first, driving 51 yards. The big gainer was a 23-yard pass play from Sammy Blount to James Harris which put the ball on the Tiger 3-yard line. Harris scored on the next play, sweeping left end, and Blount converted.

The passing of Quarterback Fred Anderson and the running of Halfback William Arnold put Consolidated back in the game. Anderson scored from the 2, and J. B. Carroll converted.

Just after the second half started, Fullback Frank McLean bulled through the middle from the 8 to put the Deer ahead to stay.

Blount finished a 66-yard scoring drive for the third score by circling right end. Tackle Luther Cain blocked Anderson's punt from the Tiger 2, and Tackle Leon Wolters recovered in the end zone for the final score.

Statistics	Deer Park	A&M
First Downs	15	12
Passes Attempted	13	4
Passes Completed	7	3
Yards Gained Passing	104	3
Passes Intercepted	1	3
Net yards rushing	180	237
Total net yards	292	245
Punts	2	2
Punting average	31	18
Number of penalties	8	2
Yards lost by penalties	40	20

Pistol Team Starts New Firing Dates

A&M's pistol team starts a new firing practice schedule today, said Frank Norvell, team captain.

New practice times are 7 p. m. on Tuesdays and 1-9 p. m. on Fridays.

The pistol team's next match is with the U. S. Military academy at West Point, N. Y., Dec. 12. The team will leave by plane Dec. 11.

Student Directory Is Now On Sale

Student directories are now on sale for 75 cents by dormitory salesmen, says Ernest C. (Dutch) Dutcher, in charge of student sales.

The directory gives each student's name, classification, major, dormitory and room number, College Station post office box number, home address and home town. It also gives name, position, college business office telephone number, home address and home telephone number of all faculty and staff members.

This year's directory has 142 pages, 35 of which are staff and faculty.

WHEELBARROW JOB
STATESVILLE, N. C. (AP)—Jim Edwards has finished building his lake. It covers a half acre, is 10 feet deep and has a 14 foot dam. The lake took him eight years to build, and a wheelbarrow was his biggest tool. Edwards is 75.

SELECT YOUR CHRISTMAS CARDS THIS CONVENIENT WAY

Have you ever bought your Christmas Cards the Boxed Assortment way?

We think you'll find it a great time-saver—and a real money-saver for you, too!

This year, as always, we are featuring a large variety of Boxed Assortments of Christmas Cards.

Each box contains not one, but several different designs—and the number of cards in each box ranges from 12 up to 25 or more.

And the prices are amazingly low. Many cost only a dollar a box—and some are even less expensive.

Come in and select one box each of several different assortments—and you'll find you've solved your problem of selecting your Christmas Cards THIS year more easily than ever before.

HUGHES Cooperative Fellowship Program for

MASTER
OF
SCIENCE
DEGREES

Purpose

The Hughes Cooperative Fellowship Program has been established to enable outstanding graduates to pursue work for the Master of Science degree while employed in industry and making significant contributions to important military projects.

Eligibility

Eligible for consideration are students who will receive the B.S. degree during the coming year and members of the Armed Services being honorably separated and holding B.S. degrees. In either case the field of the B.S. degree must be: ELECTRICAL ENGINEERING, PHYSICS, OR MECHANICAL ENGINEERING. The awards will be made to applicants who have evidenced outstanding ability and some degree of creativeness. They must also possess traits enabling them to work well with others.

Citizenship

Applicants must be United States citizens for whom appropriate security clearance can be obtained, as their work in the Hughes Laboratories may be related to National Defense projects.

Universities

Applicants must be able to meet the requirements for admission to graduate standing at the University of California at Los Angeles or the University of Southern California.

Program

Participants will be employed at Hughes full time in the summer and 25 hours a week during the university year while pursuing half-time graduate work.

Salaries

Recipients will earn five-eighths of a normal salary each year. This salary will be determined by the individual's qualifications and experience, and will reflect current salary practices in the electronics industry. Salary growth will be on the same basis as for full-time members of the scientific-engineering staff. Recipients will also be eligible for health, accident and life insurance benefits, as well as other privileges accruing to full-time staff members.

Sponsorship

Tuition, admission fee, and required books at either the University of California at Los Angeles or the University of Southern California, covering the number of units required to earn an M. S. degree, will be provided.

Travel Expenses

For those residing outside the Southern California area, actual travel and moving expenses to this area will be allowed up to 10 percent of the full starting annual salary.

Number of Awards

If a sufficient number of qualified candidates present themselves, as many as 100 Fellowships will be awarded each year.

Selection of Candidates

Candidates will be selected by the Committee for Graduate Study of Hughes Research and Development Laboratories.

Application Procedure

Application forms should be obtained immediately. Completed applications must be accompanied by detailed college transcripts.
