

# Cadets Lose to U of H, Meet OCU Tonight

The A&M varsity basketball team meets Oklahoma City university tonight in DeWare field house after last night's 62-56 loss to the University of Houston in Houston.

OCU outscored TCU, 58-31, last week.

A promising Fish team plays Lon Morris junior college in its first game of the season at 6:30 p.m. The varsity game begins at 8 p.m.

Last night Center Roy Martin, 6 feet 8 1/2 inches, scored 24 points, but a second half gouger rally was too much for the Aggies.

The Cadets led at half-time, 36-30, but were outscored 19-9 in the third quarter. This gave Houston a 49-45 lead at the end of the third quarter, and the Farmers couldn't make up the difference.

A&M now has lost two of three

games, bowing to Lamar Tech in the season opener and defeating Trinity at home Saturday night.

Forward James Addison contributed 10 points to the Aggie scoring. Houston's top performer was Center Gary Shivers, who scored 15 points.

A&M tied the Cougars, 21-21, in field goals, but Houston sank 20 of 31 free throws to the Cadets' record of 14 out of 21. Both were good performances.

Freshman coach Larry Hayes yesterday said that he hadn't decided on the Fish starting lineup.

"They've all been looking good and working hard," he said.

The Fish roster shows six players 6 feet 5, or over and two out-of-state players who made all-state high school teams. The former all-stars are Center Charles Okla., 6 feet, 5, of Peaca City, Okla., and Guard Ted Harrod, 6 feet, of North Little Rock, Ark.

Others players 6-5 or over are Center Robert Judd, 6-6; Forward George Mehaffey, 6-5; Center Jeffrey Penfield, 6-6; Center Joe Schiraldi, 6-5 1/2; and Forward James Stephens, 6-5.

## Ag Fencers Reach Finals In Dallas

Members of the A&M fencing team reached finals in all events of the Dallas YMCA Invitational meet Saturday and Sunday but failed to win any of the three divisions.

About 40 entries representing Texas Tech, Abilene, Wichita Falls, Tarleton State college, Dallas, El Paso and A&M were at the meet.

Aggies reaching finals were Foil, Bob Braslau and Lonnie Southernland; Epee, Gus Wulfman and Bill Huettel; Sabre, Wulfman and A&M's Garter.

Eleven freshmen and first-year varsity members will meet Bryan air force base tonight in a practice match. It will be held in the BAFB gym at 7 o'clock.

Jewel McDowell among the best he has coached. Davis tallied 952 points in varsity play, and McDowell scored 865.

## LATEST COLLEGE SURVEY SHOWS LUCKIES LEAD AGAIN

She hoped that he'd propose by mail. And when she got his letter, All he wrote upon the note Was: "Luckies taste much better!"  
Hyman Levy  
C. C. N. Y.

Last year a survey of leading colleges throughout the country showed that smokers in those colleges preferred Luckies to any other cigarette.

This year another far more extensive and comprehensive survey—supervised by college professors and based on more than 31,000 actual student interviews—shows that Luckies lead again over all other brands, regular or king size...and by a wide margin! The No. 1 reason: Luckies taste better.

Smoking enjoyment is all a matter of taste, and the fact of the matter is Luckies taste better—first, because L.S./M.F.T.—Lucky Strike means fine tobacco. And second, Luckies are made better to taste better. So, Be Happy—Go Lucky!

She's got a red convertible And flashy diamond rings. Smokes fresher, smoother Luckies, too—She likes the best of things!  
Fred D. Mitchell, Jr.  
University of Texas

To make a hit at Christmas time, And really spread good cheer, Give all your friends that smoother smoke—Give Lucky Strike this year.  
Frank G. Wylie  
Kansas State College
