## Cat Eyes...

Have you ever seen the eyes of a cat at night—with light reflected in their glassy stare?

And the eyes of this tabby—there is an eerie quality in them, something hypnotic and almost without life.

Yet these are the eyes of a living creature, the eyes of an animal that sleeps and eats and walks and runs.

What then is the mystery of cat eyes? What do these eyes lack that would give them softness, kindness, and radiance?

IMMORTALITY is the answer—for a cat has no soul.

A cat has nothing of the spiritual, which in man makes him the unique being among God's creatures. Man has a little something of the Divine in him—the immortal soul. And to develop this soul is one of the greatest responsibilities we have in life.

With the help of God's Holy Word and through the guidance of the Church, man is able to add new lustre to his life, a lustre that shines in his eyes and mirrors the soul within.

### THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
