

12th Man Bowl Teams Stage Rough Workouts

The army and air force 12th Man Bowl teams Monday put on pads and staged their first scrimmages. Both teams probably will work without pads today.

Each squad was cut to 35 players Friday.

Kickoff time is 2:45 p. m. Thursday on Kyle field. Tickets are 50 cents, with proceeds going into the student aid fund.

The Fish band, Fish drill team and the tumbling team will put on half-time exhibitions. A graded corps pass-by will be held before the game, said Lt. Col. Taylor Wilkins, assistant commandant.

Tickets are being sold by unit athletic officers and the following places, Office of Student Activities, Aggield Pharmacy, Black's Pharmacy, Madeley's Drug Store, Major's Cafe, Canady's Pharmacy, Lipscomb's Pharmacy, Smith's Cleaners, Youngblood's and the Memorial Student Center.

Air force head coach John Salyer sent his squad through a lengthy and spirited scrimmage after spending some time on polishing plays and blocking. "They're looking fine, and we've got some pretty good running backs," he said.

Salyer listed the following combination as the possible starting backfield-Dale West, squad 17, 150-pounds; David Rochelle, squad 25, 155-pounds; James Denard, squad 13, 170-pounds; and Fred Wilms, White band, 175-pounds.

The air force will use the Y-formation on offense, while the army will employ the T. Both teams have agreed to use a 6-2-2-1 defense.

Assisting Salyer are Louis Capt. and Bob Gosney with the line, Benie Sinclair with the ends and Elwood Kettler with the backs.

The army squad concentrated on blocking and passing before staging a short but sharp scrimmage. Durwood Scott and Norbert Ohlendorf

worked with the linemen, and Dave Smith and Joe Schero helped out with the backs. Connie Magouirk is the army's head coach.

Army quarterbacks put on a sharp passing exhibition as the backs polished up some plays using wide flankers.

Dr. David Morgan, president of A&M, W. T. Doherty and J. H. Dunn, members of the board of directors, members of the coaching staff and football players were introduced.

Bob Pettit Paces LSU Tigers To 77-56 Cage Win Over Ags

BATON ROUGE, La.—(AP)—Undeclared Louisiana State University handily disposed of A & M, 77 to 56, here Monday night before 5,000 basketball fans.

Bob Pettit, LSU's 6-foot 9-inch center, raced for a field goal after only eight seconds of play and LSU was never headed. The Aggies, going down to their third defeat in four starts, had difficulty solving LSU's tight zone defense. In the first quarter A&M made 18 points, mostly from the outside, while LSU got 30.

After that Center Roy Martin stuck close to Pettit and the Ag-

gies drew to within 5 points by the middle of the second quarter.

However, LSU moved to a 44-to-34 lead by half time with Forward Don Belcher sparking a drive on a series of corner shots.

Pettit, who came into the game with a 39.9 scoring average for three games, shook loose for 27 points and the night's scoring honors. Teammates Norm Magee was next with 21.

Rodney Pirtle paced Aggie scorers with 17 points, followed by Roy Martin with 16 tallies.

The Tigers hit on 24 out of 57 shots, while the Aggies connected

on 21 out of 52 attempts.

Wednesday night the Aggies entertained Texas Tech at DeWane Field House, with the Freshmen taking on Allen Academy in the curtain-raiser beginning at 6.

Tigers Take First Place In Bryan Tournament

The Consolidated Tigers swept past three opponents to capture the AA, A and B bracket title in the fifth annual Bryan Chamber of Commerce basketball tournament held Friday and Saturday in Bryan.

In the opening round Friday afternoon, the Tigers breezed past Spring Branch, 42-35, with Fred Anderson looping in 15 points to walk off with scoring honors. John Cooper, with 14 points, led the losers.

Saturday morning in the semi-final round, Consolidated downed El Campo by a 51-37 margin, with Bobby Jackson scoring 15 points to lead Tiger scorers. High point man for the game, however, was El Campo's John Paul Appling with 19 tallies.

An unusual aspect of the game was the fact that only five Tigers saw action in the tilt, and the other four players, Roland Beasley, Pinky Cooner, J. B. Carroll and Anderson each chalked up nine points in the four-way tie for runner-up honors.

The final game of the tournament turned out to be the real thriller, with Jackson popping in a free throw with four seconds left in the game to give the Tigers a hard-earned 28-27 win over Brenham.

With the score deadlocked at 27-27, Brenham had possession of the ball and played a stalling game for a full minute and a half, waiting to get a last second shot at the basket for the win.

Brenham's Rost took a set shot at the basket with five seconds left and Jackson was fouled in the

scuffle for the ball. He sank the free throw to give the tournament championship to the Tigers.

Anderson and Jackson were selected on the all-tournament team composed of players from AA, A and B schools.

Thursday night the Tigers will journey to Hempstead for a double-header with Hempstead. The Tiger "B" team will meet the Hempstead "B's" in the curtain-raiser, followed by the game between the Consolidated and Hempstead "A" teams.

Weather Cancels Pistol Team Trip

The A&M pistol team's scheduled air trip to West Point last weekend was cancelled because of the weather.

Eleven members of the team were supposed to leave by plane Friday morning for a match Saturday.

Col. John A. Way, PAS&T, and Capt. M. R. Mitchell were to fly the team in a C-47. Sgt. R. C. Cox, team coach, also would have made the trip.

A match with West Point will be scheduled in the spring, Cox said.

The Aggies fired a postal match with Washington State Wednesday night. The results, which are mailed to each of the opposing teams, will be announced later.

Ag Handball Team Sets Three Games

The A&M handball team has games scheduled with Rice, the University of Texas and Baylor.

Dates of the games have not been set, said Coach Herman Segrest. A match had been set for last Tuesday with Southwest Texas State Teachers college but had to be postponed.

A&M's team is composed of members of the Handball club. A ladder tournament is held throughout the year, and the six highest men at the time of a match compose the team.

Segrest believes the team will give a fine account of itself this year. There are several sophomores who will improve as the season progresses, he said.

John Centilli is the club president. Paul Meiners is the secretary.

PARKING METER WILDLIFE

DOVER, N. H. (AP)—Police were dubious when a motorist told them he had seen two eyes peering at him from inside a parking meter. Investigating, they found an eight inch snake.

FINE ALL-AROUND COURT MAN—Joe Hardgrove has picked up 21 points in four games to lead Aggie guards in scoring. A fine ball handler with a good eye for the basket on outside shots, Hardgrove shows signs of becoming one of the strongest offensive and defensive players on the squad.
