

Plans Made for Little League Athletic Council—

A meeting to plan activities of Little League baseball for the coming year in College Station was held Tuesday night in the Consolidated School library. The meeting was called by Ray Oden, president of the local organization.

The league a part of the four league Brazos County Association of Little Leagues will operate a four team major league and a four team minor league in College Station this coming season.

A site for the proposed new

Little League field in College Station was considered and plans formulated for the layout and construction of a playing field.

In Brazos county there will be a 50% increase in teams. There have been two major leagues of four teams each in prior years. But this year, Bryan will have three leagues of four teams each, and College Station will have one league of four teams.

The number of minor league teams will be kept at the same

level as last year, or possibly increased.

To take care of this growth, it is proposed by the managing personnel of the Little League movement in Brazos county, headed by Cliff Carter, Commissioner, to build three additional playing fields, two to be located in Bryan and one in College Station.

President Ray Oden appointed the following committees for the purpose of implementing this expanded program:

Grounds procurement, Herb Thompson, Harold Sullivan, Jack Fugate, Ran Boswell, and Ed Garner; Field preparation and sodding, Marion Pugh, Barney Welch, Spike White, and T. E. McAfee; Park Layout, Barney Welch and Marion Pugh; Sale of Fence Signs and Scoreboard, Don Dale, Marion Pugh and Herb Thompson; Loud Speaker Procurement, John Denison and Spike White;

Water Kegs, Carl Kuykendall; Minor League Commissioner, Jack Fugate; Concessions, Wayne Stark; Protest Board, Cotton Price, Harold Sullivan and Les Richardson; Minor League Finance, Herb Thompson, Jim O'Brien and Don Vestal; Minor League Equipment, Satch Elkins and Ed Garner;

Minor League Managers and Coaches Procurement, Jim O'Brien; Playing Schedules, Barney Welch; Player Registration, Les Richardson and Taylor Riedel; Player Agent and Spring Training, T. E. McAfee;

Committee on Sportsmanship Awards, (designed to encourage good conduct by players, managers, and partisan spectators) Barney Welch, Chairman, Spike White, and Marion Pugh.

The Little League program is currently obtaining its finances from four principal sources, 1. the sponsors' fees, 2. the sale of fence signs in the parks, 3. the profits from the operations of the concession stands at the games, 4. and the passing of the "kitty" at the games, the last affords supporters of the game an opportunity to participate financially that is not otherwise available.

'Field Wide Open'

The Texas A&M Athletic Council said last night after a 12-hour session it had not yet decided on a new Aggie football coach and "the field is wide open."

Indiana Football Coach Bernie Crimmins was interviewed Wednesday for the vacancy at Texas A&M.

Although Aggie officials attempted to keep secret the fact that Crimmins was on the campus, the word leaked out.

Crimmins spent more than an hour with the Texas A&M athletic council. Others interviewed were Line Coach Mike Michalske and Asst. SMU Coach Dick Todd, a former Aggie great. Todd had said he wasn't interested in the coaching job at A&M but he spent more time with the council than either of the other two men.

Crimmins' 1953 team lost seven of nine games. The Hoosiers beat Northwestern for their only Big Ten victory and they edged out Marquette by one point.

The Associated Press reported from College Station that Texas A&M officials, trying to name a successor to Ray George, indicated that they had narrowed the field to four, including Michalske, then three candidates wiped their names off the most-likely board.

J. V. Sikes, ex-Kansas coach, grabbed up the job at East Texas State. He was on his way to an

interview with Aggie officials. Johnny Vaught of Mississippi withdrew by telephone. He said he didn't feel the job would be an improvement over Mississippi. Dick Todd, SMU backfield coach, said he wanted no part of the job. He said illness and business kept him from entering the candidate's field. Todd, nevertheless, was interviewed Wednesday.

Texas A&M has been in the coaches' market practically since the season ended. First there was rumor that the alumni was dissatisfied with George's record. Then there was the usual denial. Then George resigned. The hunt was on.

Dean W. L. Penberthy, the council chairman, said: "No decision has been reached by this time as to the person to be recommended as head football coach. The council is going to continue interviews. The field is wide open."

Penberthy said other prospects will be interviewed. He didn't say who.

"There is a chance the council will meet next week," he declared. "Spring training very probably will be delayed beyond Feb. 15."

Tigers Stomp Sealy, 65 - 26, In District Tilt

The A&M Consolidated Tigers unleashed a bewildering scoring spree as they walloped the Tigers from Sealy, 65-26 in a district tilt.

In the curtain-raiser Consolidated's "B" team rolled over Sealy's "B" team, 36-10.

The game with Sealy completed first round competition in the West Zone of District 25-A and leaves Consolidated with a 3-0 record.

The zone is composed of Sealy, Waller, Bellville, and Consolidated.

Consolidated led 16 to 5 at the end of the first period of play as Bobby Jackson dumped in 12 points. Jackson was high scorer of the game with 18 points. The Consolidated Tigers led at halftime 36 to 16. Schreiner was high point man for Sealy with nine points.

In the "B" game Manuel Garcia paced the Consolidated with 15 points. Norman Floeck scored ten points for the local group. Eugene Krchnak was high for Sealy with 6 points.

The Consolidated Tigers will face the Bellville Brahmas Friday night in Bellville in another District game.

WHERE WAS WILLIE SUTTON?

SALISBURY, Mass.—(AP)—The entire police force took the day off for the wedding of Police Captain Benjamin Sturgis—and crime took the day off, too.

There wasn't a single crime reported—not even an accident—while department members attended the chief's wedding to Miss Wanda Woron of Newburyport. State police filled in for the local force.
