

FAMILY FAVORITES

By Mrs. H. A. Luther

(Ed. note—Guest editor this week is Gertrude Luther, wife of H. A. Luther of the mathematics department. Originally from Eire, Pa., the Luthers have lived here for 17 years. They have three children, Mike, 14, Bice, 13, and Mark, 11, all students at A&M Consolidated school. A graduate of the American Conservatory of Music in Chicago, Mrs. Luther teaches piano here. She taught public school music before coming to College Station. The Luthers are members of the Promonaders dance club.)

I'm very flattered that I should be included as an editor for this column—there are so many fine cooks in College Station.

My family voted on these because they're different from other people's and are our favorites. I have had several requests for the sponge cake recipe. As for the beans and barley, I've taken it to covered dish suppers here, and the pot always comes home empty, which should justify its appearance in this column.

Cream Sponge Cake

- 4 eggs separated
- 1 c. sugar
- 3 tbs. cold water
- 1 tsp. lemon extract
- 1 c. flour less 1 1/2 tbs.
- 1 1/2 tbs. cornstarch
- 1 1/4 tsp. baking powder
- 1/4 tsp. salt

Sift sugar once before measuring and four times after. Sift flour once before measuring, then sift all dry ingredients together once.

Beat egg white until stiff but not dry and beat in gradually one tablespoon of sugar for each egg white and set aside.

Beat egg yolks with same beater until thick and lemon-colored. Then beat in remaining sugar. Beat in water and flavoring.

Fold beaten whites into yolks.

Sift about 1/3 of flour mixture over egg mixture and fold in. Repeat until all is used.

Do not grease pan. Bake at 325 degrees for 35 min.

This is the basic sponge cake recipe I use in many different ways. To make the whipped cream cake requested for this column I simply increase the amount to 1 1/2 recipes (since the above makes a small cake) and bake in an angel food tin. Substitute strong cold coffee for all of the liquid in the recipe. When cold split the cake thru the center (use your bread knife) and use whipped cream, flavored with coffee and sugar, between layers and as icing. Sprinkle with finely chopped nuts. It takes a full pint of whipped cream to cover the cake. Can be fixed hours ahead and stored in refrigerator until time to serve.

Though desserts are more or less my specialty it take more than fluff to fill a 6 ft., 14 year-old son not to mention the rest of the family. It takes something like the following "family favorite" to do the job.

Beans And Barley

- 1 c. navy beans
- 1/3 c. barley
- Beef brisket (about 1 lb. will be enough for flavor — more if you want some meat to eat)
- 1 large onion
- 1/2 c. canned tomatoes
- Salt (it will take more than you think)
- Pepper

Soak beans overnight. Pour off water. Combine all ingredients in large casserole, roasting pan or what have you and cover with water. Bake in slow oven at 275 degrees for about 5 hours. Uncover last hour for browning. Add water if necessary since beans should not be baked dry.

The week would start all wrong if anything but pancakes and sausage came to our Sunday breakfast table. But none of your package mixes—it took many a "flop" jack (and I spell that advisedly) before I finally worked out the following recipe for our favorite pancakes.

Corn Cakes

- 1 c. flour
- 1/2 c. cornmeal (we prefer the yellow)
- 2 tsp. baking powder
- 1 tsp. salt
- 1 tsp. sugar
- Sift together dry ingredients.

Beat egg in measuring cup and fill to top with milk. Stir into dry ingredients. Add another 1/2 cup milk and one good tbl. melted butter. Batter should be on the thin side so add more milk if necessary. Do not grease griddle. Of course, you know that your griddle is hot enough when drops of cold water when sprinkled on it dance madly around. Use a medium flame and don't worry if the first one sticks a bit — the rest won't. I frequently substitute 1/4 c. buttermilk for same amount of milk and add a pinch of soda to dry ingredients. Any leftover batter keeps perfectly for several days in refrigerator.

*Ed. correction—In last week's column edited by Mrs. A. C. Magee there was an error in the baking instructions for the "cereal bread" recipe. The directions should have read: "Bake at 375 degrees for 15 minutes, and then lower to 325 degrees for 35 minutes."

★ Job Interviews ★

(Continued from Page 2)

For Cessna will be assigned to either their aerodynamics, structures, design and development, or research and testing groups. They also wish to talk to students of Junior standing in mechanical and aeronautical engineering who would be interested in summer employment in their Engineering Department.

● Feb. 11—Ohio Oil Company will interview all geology students (B. S. and graduate) who are in the upper one-third of their class.

● Feb. 11—Olin Industries, Inc. will interview mechanical, chemical and civil engineering, chemistry and physics majors for work in their plants at New Haven, Conn. and East Alton, Illinois. Present openings are for trainees in administration, executive, technical and professional fields.

● Feb. 11—The Colgate-Palmolive Company will interview spring and summer graduates at all degree levels in mechanical, industrial, chemical, civil and petroleum engineering.

● Feb. 11 & 12 - Shell representatives will be here to interview graduates at all degree levels in chemical, electrical, civil, mechanical, geological, and petroleum engineering, and chemistry. (This includes Shell Oil Company (Manu-

facturing and Production), Shell Chemical Corporation and Shell Development Company.

● Rayonier Incorporated is in the process of completing their staff of professional people prior to operation of their newly constructed plant this spring at Jesup, Georgia. They still have openings in their Laboratory for three chemical engineers, two chemists with strong analytical background, and one chemist who has had some paper physical testing experience.

personals

Anne Gouffon, whose engagement is announced in today's Battalion, has been visiting with her future "in-laws", the Carl Tishlers, for the past week and a half.

She left for Houston last night, and flew to San Francisco this morning. She will sail for Yokohama to meet her fiance, Lt. John Ward Tishler.

She was accompanied by Shirley Long, daughter of Wayne Long, former professor of mechanical engineering here. From Yokohama Shirley will go to Siam to meet her parents.

Mr. and Mrs. Long are in Bangkok, Siam where he is working for the United States state department to aid industry in that country.

Shirley Hampton of Port Arthur visited with her parents, Dr. and Mrs. H. E. Hampton last weekend. When she left Sunday she was accompanied by her grandmother, Mrs. Myrtle Hampton, who has been visiting here for the past three weeks.

They traveled together to Wallaceville, Mrs. Hampton's home, and Miss Hampton went on to Port Arthur.

Marilyn Floeck gave a birthday luncheon for twelve of her friends Saturday at her home.

Those attending were Sandra Couch, Betsy Burchard, Marian Gaddis, Pat Owen, Mary Lou Lloyd, Carolyn Landiss, Betty and Jean Williams, Rosemary Leonard, Penny Laverty, Janice Lattimer and Ann Williams.

Mildred Dew was hostess for a coke party for about 35 of her friends from A&M Consolidated high school Saturday afternoon.

News Briefs

All of A&M candidates for Who's Who Among Students In American Universities and Colleges have been accepted, according to H. Pettus Randall, editor.

Dr. J. R. Couch of the department of poultry husbandry and biochemistry nutrition was chairman of a panel discussion at the Feb. 1 meeting of the Southern Agricultural Workers in Dallas. The discussion was on the "Chick Hemorrhagic Disease."

Michalske

(Continued from Page 1)

The former all-time pro great twice has been interviewed by the council, and his was the only name remaining from an original list of more than 40 names.

This original list was cut to seven—Michalske, J. V. Sikes, former head coach at Kansas who resigned under pressure after a losing 1953 season; H. N. (Rusty) Russell, former Southern Methodist university head coach who signed at Victoria junior college; Dick Todd, former Aggie grid great who was an assistant at SMU last year; Mike Brumbelow, head coach at Texas Western; John Vaughn, head coach of Mississippi; and Jim Tatum, head coach of Maryland.

Later this list was reduced to four—Michalske, Todd, Sikes and Vaughn. Then Vaughn removed himself by signing a new contract at Mississippi. Sikes signed at East Texas State, and Todd said he preferred to stick to his ranching at Crowell.

Bernie Crimmins, head coach at Indiana, made a secret plane trip to College Station and was interviewed at the last meeting of the council. He later announced he was staying at Indiana.

TO BE WED — Mr. and Mrs. Charles L. Gouffon, of Norris, Tenn., announce the engagement of their daughter, Anne Adair, to Lt. John Ward Tishler, son of Mr. and Mrs. Carl E. Tishler of College Station. Miss Gouffon attended the University of Tennessee where she was pledged to Chi Omega sorority. Tishler, a 1952 graduate of A&M, is serving with the air force in Japan. The wedding will be there Feb. 26.

Two Area Churches To Hear Rev. Kim

The Rev. Don M. Kim of Korea will speak at the Rock Prairie Baptist church at 11 a. m. Sunday.

Sunday night he will speak at the Saint's Rest Baptist church in Steep Hollow. His subject for both meetings will be "Christianity and Persecution in the Far East."

Kim said when he was a college student in Japan, he witnessed "hundreds of American B-29s over Tokyo skies, unloading their lethal bombs as thousands of terrified people died." This was when he decided to become a minister instead of a civil engineer, Kim said.

Both Kim and his wife were born in Seoul, Harrying after they came to the United States in 1949, both are enrolled in Southwest Baptist seminary in Port Worth.

Mrs. Kim was a high school teacher in 1939 when she was arrested and shipped to North Korea.

FOR THE RICH THEY HOOT

FORD CITY, Pa. — (AP) — Residents of Ford City have "experienced difficulties with dive bombing owls" says District Game Protector W. J. Brion.

"About dusk, for several evenings, a family of barn owls swooped on residents of Ford City, causing them to run for cover," says Brion.

He adds that similar owl attacks have been reported elsewhere in the state this year.

If you are reducing, try this for a mid-morning snack and pick-up, or for a first course at lunch or dinner. Put about a cup and a half of canned tomato juice in a small saucepan; sprinkle an envelope of unflavored gelatin over the juice and stir well. Place over moderate heat and stir until the gelatin dissolves and tomato juice is hot. Nice to drink!

Coulter Tells Club About Furniture

"How to Mix Oil and Water" was the subject of a speech by Frank Coulter at a meeting of the Newcomers club yesterday afternoon at the home of Mrs. Frank Anderson, 501 Fairview S.

He explained how to mix period furniture in a home stressing the use of pieces that one already has.

Twelfth Man To Be Featured By Baptists

The Aggie Twelfth Man will be featured in services at the First Baptist Church of College Station Sunday.

The service begins at 9:45 a. m. and a goal of 1,011 has been set for attendance at Sunday school. The 11 department superintendents will represent the football team and the Sunday school members will be the "twelfth man," according to announcement of Rev. R. D. Longshore, pastor.

Attendance goals have been set for the departments with the Aggie freshman department expecting 850 to attend.

A football stadium painted on plywood holds seat reservations for each member.

The evening service marks the end of the week-long revival meeting being conducted by Dr. Herbert Howard, pastor of the Park Cities Baptist church, Dallas. The revival began last Sunday and services are held each night at 7:15. Music is directed by Gene Layman.

What's Cooking

THURSDAY

12:35 p. m. — Squadron (1951-52) meeting, dorm 9, lounge
A meeting of the past freshmen members to plan a reunion party.
7:15 p. m. — Rusk county club meeting, room 307, Goodwin hall.
7:30 p. m. — Beaumont A&M club meeting, room 104, Academic building. Election of officers.
Robertson county A&M club meeting, room 303, Goodwin hall.
Central West Texas A&M club meeting, room 123, Academic building.
The Port Arthur hometown club will not meet this week.
