Imitation of a Fisherman

Tommy has borrowed Daddy's rod and reel, a can from the kitchen waste-basket, and a couple of worms from Mama's flower garden. Now Tommy's going fishing—just like Daddy and big brother Bill.

Children like to grow-up by imitation. Even though Tommy won't catch any fish, it's fun to pretend to be a real grown-up fisherman.

The counterpart of imitation is example. That is the blueprint that Daddy and Mama and big brother Bill provide for Tommy's adventure of growing-up.

But the Church has had a vital part in Tommy's growth. Before Tommy was even born, the Church was teaching his parents and his brother the Master Blueprint of Christian Living. And right now, while it's teaching Tommy the first lessons of faith, the Church is helping Daddy and Mama and big brother Bill set the best example.

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
