Tigers Blast Bellville; Meet Tomball Here

With the play-off series evened at one-all, A&M Consolidated high school's Tigers last night swept to a 50-44 win over Bellville at Navasota for district 25-A's western zone basketball title. The red-hot Tigers play Tomball at 8 tonight in the Tiger gym in the opener of a two-out-of-three series to decide the district championship. They play again at Tomball Thursday. The third game, if necessary, will be played at Sealy Friday. Bellville evened the series Friday night on their home court with a 43-40 victory. The Tigers had won the series opener here, 47-38. Center Bobby Jackson again led Consolidated, scoring 21 points. In

the three game series he pumped in 55 points. Consolidated jumped off to a 17-12 lead at the first quarter mark and led all the way, although the Tigers were outscored 18-25 in the last half. By the half-way mark, the Tigers had built up a 32-19 bulge from which the Brahmas could never recover. Bellville center Lergie Sisa scored 15 points but couldn't make up for all of Consolidated's advantage on the backboards. Fred Anderson and David Bonnen put in 12 and 10 points, respectively, for Consolidated. Bellville led at the free throw line, tossing in 16 of 19, but could not consistently break through a tight Tiger defense and failed to solve Consolidated's offense. Friday night the Brahmas over-

took Consolidated with a second half rally after trailing by three points at half-time. Jackson scored 18 points, and Sisa had 15. Bellville held the Tigers to 7 points in the last quarter, after pulling up to within one point at the end of the third period.

Ag Soccer Squad To Play SA Team

A&M's soccer team will play Busy Bee of San Antonio here Sunday in the opening game of the spring semester. The game will be played at 2:30 p. m. on the soccer field west of Law hall. The Aggies won three out of four games last semester. Their only loss was to Chance-Vought of Dallas. A&M later edged the Dallas team, 1-0, in a return match here. Probable starters for the Aggies will be: Forwards—V. M. Artecona, Juan Letts, Guillermo Cardenas, M. LeSage and Lee Blocker; Backs—Emilio Medina, Dudley Swofford, Jorge Ducos, Terry Wilson, A. Casas and E. Pabon; and Guy Fernandez, goalie. Other home games will be played with the University of Houston, Texas, Chance-Vought, Allen Mulhauser of Dallas and another with Busy Bee. King's College, precursor of Columbia University, is believed to have been the only college in Colonial America which did not have a theological faculty.

Fish Tennis Team Has Bright Future

A&M's freshman tennis team may be the best in recent years, said W. M. Dowell, Aggie tennis coach. "The Fish team has better prospects this year than in the last two or three seasons," said Dowell. He listed Don Dixon, Gordon Glover, Jake Harper, Tommy Morrison, Therman Watson, Alton Krenzelwe and Bill Davis as the best prospects. Dixon now is the team's number 1 man. The Fish open the season Friday, meeting San Angelo high school here in a practice match. "I feel that the entire team will make a good showing," said Dowell.

Ags To Enter 38 In Mexico Meet

A&M Track Coach Frank G. Anderson released the names of 38 Cadets who will participate in Saturday's meet with the Mexico national track team at Kyle field. The international meet is sponsored by the College Station Ki-

Players Meet New Coaches

A&M's football players and their new coaches met for the first time yesterday as Paul (Bear) Bryant and his assistants continued work on spring football practice. Bryant has announced that spring workout will start March 3 and will last through March 27. He expects about 100 to turn out. Yesterday was the first chance Bryant and new assistants—Jim Owens, Phil Cutchin and Jerry Claiborne—have had to meet with the players. Pat James, the other new assistant coach, still is in New Boston, O., where his mother is critically ill. Charles (Smockey) Harper, the new trainer, arrived Sunday night. Seventeen lettermen will be on hand for spring drills, along with several outstanding members of Willie Zapalac's freshman team of last year. Under the new set-up, Zapalac will be the chief scout and will help with the backs.

wanias club. Tickets are 50 cents for adults and 25 cents for students. Cadets who will participate in Saturday's meet with the Mexico national track team at Kyle field. The international meet is sponsored by the College Station Ki-

Field events will start at 2:30 p.m., with running events scheduled to begin at 3. All events will be in metric distances. Anderson expressed high hopes for A&M's chances of victory but expects stiff competition in most of the events. "I hope everybody that can possibly make it will come out for the meet," he said. Aggie trackmen scheduled to compete are:

- 100 meters—Don Watson, Bobby McCarn, Bill Holloway, Pete Mayeaux and Kyle Killough.
- 200 meters—Watson, McCarn, Holloway, Mayeaux, Killough and Frank Norris.
- 400 meter relay—Harley Hartung, McCarn, Carroll Goyer and Mayeaux.
- 400 meters—Carroll Libby, Gerald Stull and Terry Vettors.
- 800 meters—Wallace Kleb, Jerry Cashion, and Carl Wilmsen.
- 1,500 meters—Dale DeRouen, Verlon Westmoreland, Robert Hooper and Bob Boles.
- 3,000 meters—DeRouen, Westmoreland, Hooper, and Bill Cocks.
- High hurdles—Jim Hollingsworth, Hartung, and Tom Dollahite.
- 400 meter hurdles—Kenneth Fry, Don Tedder, Watson and Stull.
- 1,600 meter relay—Norris, Stull, Vettors and Libby.
- High jump—Marvin Swink, Jerry Thomas and Bernie Post.
- Broad jump—Howard Robinson, Jim Stansel and Tommy Strait.
- Pole vault—Billy Tutor, James Earle and Ed Reeder.
- Shot put—Bobby Gross, Tom Bonorden and Fred Hartman.
- Discus—Gross, Bonorden and Jim Cavitt.
- Javelin—Mayeaux, Dollahite, George Knipple and Joe Wilson.
- Hop-step-jump—Robinson, Stansel, Strait and Dollahite.

'I'm an Aggie Now' Harper Carries Gold Dust, Too

By RONNIE GREATHOUSE
Battalion Sports Staff

If precedent is followed, some of the gold dust that Charles (Smoky) Harper carries in his limnetic bottles should rub off on A&M's football teams. Harper, A&M's new trainer, arrived here Sunday night. The 55-year-old native Georgian (you can tell it by his accent) comes here after four years at Kentucky. Success seems to be a habit with the football teams that Harper has taken care of. Four have played in bowl games, and three have won the New Year's Day classic in which they appeared. Three teams have won championships, and at least SIX of his players have been chosen on all-America selections. Yesterday when The Battalion's photographer went to take his picture, Harper said, "Wait until I put on my Texas Aggie jacket—I'm an Aggie now."

46 Rose Bowl games. Kentucky won the 51 Sugar Bowl and the '52 Cotton Bowl games while Harper was there. The list of players that Harper has administered to reads like a list of football's Who's Who—Vito (Babe) Parilli, Harry Gilmer, Bob Gain, Doug Moseley, Vaughan Mancha and Steve Meilinger. All were all-Americans. Parilli and Gilmer rewrote the passing record books. Gain, Moseley and Mancha were among the outstanding linemen of the nation during their playing days. Meilinger was the one-man team of the '52 and '53 Kentucky elevens. Harper considers the unbeaten 1950 Wildcat team which rolled over Oklahoma in the '51 Sugar Bowl the best he has ever trained. He first met Paul (Bear) Bryant, the new Aggie head football coach and athletic director, at Vanderbilt in 1940. Bryant then was an assistant coach. Starting his 28th year as a trainer, Harper was employed at six other schools before coming here. He started in 1926 at Clemson and moved to Vanderbilt, where he was employed three different times, Florida, Alabama, UCLA and Kentucky. Harper is a 1923 graduate of Mercer college at Macon, Ga., where he earned four letters each in baseball and basketball. Mercer then was an all-male college.

What kind of a job do YOU want?

If you still haven't made up your mind, here's how to get practical information that may help you decide

All over America there are thousands of young men and women in college who are genuinely uncertain about this question of a business career.

Perhaps you are one of them. Perhaps you've talked with your placement bureau about prospects in transportation, in engineering, or in one of the new, fast-growing industries like electronics or plastics.

Only you still find it hard to make up your mind when you've had no personal experience in considering the kind of facts and figures that might decide your whole business future.

As advertising representatives for over 700 college newspapers, we've long been aware of this campus problem. And, since we deal with some of America's biggest companies, we also know that there is a good deal of authentic business data available that would be very helpful to college students considering a career.

So if you'd like to be better informed about a particular field, fill in the coupon and turn it over to the business manager of this paper. He'll send it to us.

Let us make it plain that we're not establishing either an employment agency or an information bureau. But we will do our best to see that your inquiry is referred to the proper source.

In some cases you may hear directly from companies in the field you designate. In others you may receive an industry-wide report. It is entirely possible that in some fields no information will be readily available.

But we do know that American business is keenly aware of its responsibility to American youth and constantly on the alert for promising prospects. So send in your coupon today. You have nothing to lose—and a great deal to gain.

The Aircraft Observer... eyes... ears... brains... of the Air Force Team!

IN THE still of the night—high above a sleeping American city—an unidentified aircraft is spotted. In a matter of seconds a lightning-like jet interceptor takes to the air. Unerringly, with an Aircraft Observer showing the way, the Air Force F-94 Night Fighter speeds to intercept the stranger. The Aircraft Observer is the man behind the pilot—the officer who keeps America's planes flying on course and on target. Without him the Air Force couldn't do its job.

He's a Bombardment Officer... in full control of the plane over the target area... the Air Force Officer who "lowers the boom" on the enemy.

What is the Aircraft Observer?

He's a Radar Officer... employing an all seeing eye that penetrates where human sight fails.

He's an Aircraft Performance Engineer Officer... knowing everything there is to know about his plane... keeping it fit for the skies and ready for action.

He's a Navigation Officer... plotting his plane's course... with an entire crew depending on him for a safe flight.

What the Aircraft Observer gets

He earns over \$5,000 a year. His silver Aircraft Observer wings give him prestige and distinction, and he wears the bars of an Air Force Lieutenant. They mark him as the eyes, ears, and brains of America's Number One flying team.

What it takes to be an Aircraft Observer

The Aircraft Observer must be sound of limb, keen of mind, and above all, must have the determination to be the best.

To qualify as an Aircraft Observer you must be single, between 19 and 26½ years old, and a high school graduate. However, it will be better for you and the Air Force if you stay in college and graduate before you apply. Then you, too, can be one of the best... as an Aircraft Observer.
