

Addison Scores 26 But Cadets Lose 66-49

James Addison piled up 26 points last night in Austin but Texas rolled to a 66-49 victory over the Aggies and a share of the Southwest conference lead with the Rice Owls.

With starters Gib Ford and Fred Saunders out most of the game with colds, the Steers raced into a 16-7 lead at the end of the first quarter. Jim Richardson, 6-4, took Saunders' place and sparked the Longhorns with 23 points.

Addison, after his 36-point performance against SMU, now has scored 62 points in his last two starts and leads Aggie scoring with 226.

The Cadets were in front only once in the entire game, holding a 5-4 advantage in the opening minutes. Richardson, 6-5 Billy Powell and 6-7 Bob Waggener soon erased the margin and put Texas ahead to stay. Powell scored 14 points.

Addison was the only Aggie to score over 6 points. Both Roy Martin and Pat McCrory had a half dozen points.

Texas coach Strue Hull used his entire team of 14 men, and 13 of them broke into the scoring column.

A&M plays TCU in Fort Worth Saturday night.

Mexico's champions in 15 events will run, throw and jump Saturday when the Aggie track team meets the Mexico national all-stars at Kyle field.

Tickets are 50 cents for adults and 25 cents for students. The meet is sponsored by the College Station Kiwanis club. Season athletic tickets will not be good.

Mexico is scheduled to bring a 29-player team, including a 20-man male squad. The men's team would be Mexico's Olympic squad in an Olympic year. All events will be staged in metric distances under Olympic rules and regulations.

The Mexican girls will meet the Gulf Coast AAU women's team.

Acquire Holds Three Records

The meet will start at 2:30 p. m., when field events begin. Running events will begin at 3.

Jorge Acquire holds Mexico's high jump, broad jump and hop, step and jump records. He has a 6-1 high jump, 22-6 broad jump and 46-8 hop, step and jump.

Dash champ Sergio Higuera has the equivalent of a 9.7 100 yard dash and a 21.8 220. He holds the

national records in the 100 and 200 meters.

Javier Souza Diaz, Mexico's champ in the 400 meters, has covered that distance in 48.9, the equivalent of a 49 second 440.

The team from south of the border also will present Mexico's three best milers—Heliodoro Martinez, Raul Osornio and Rosendo Guzman.

Martinez and Osornio have a mile equivalent of 4:28, and Guzman has a 4:30.

Guillermo Popoca is Mexico's best in the 400 meter hurdles with a time of 56.3 seconds.

Mexico's champ in the 5,000 meters and the 3,000 meter steeplechase—Eligio Galicia—also will be here. His time in the 5,000 meters is 15:52.8. Galicia will run the 300 meter race, the nearest distance to our two-mile run.

Two of Mexico's girls hold five national records between them.

Villalon holds the marks in the 50, 100 and 200 meters. Amalia Yubi is the national champ in the 80 meter hurdles and the javelin. She also will compete in the high jump.

Playing before a wild, standing-room-only crowd in the Tiger gym, A&M Consolidated high school last night battered Tomball, 49-28, in the opener of a two-out-of-three series to decide the district 25-A basketball title.

Tomball is the east zone champ, and Consolidated finished on top in the west zone.

The two teams play again at 8 p. m. Thursday in Tomball. The third game, if needed, will be played in Sealy at 8 p. m. Friday.

Consolidated, sparked again by Center Bobby Jackson, clamped an air-tight defense on their opponent and led all the way. The Tigers gave up only 7 points in the first half, leading 27-7, at the halfway mark.

Jackson pushed in 20 points for high scoring honors after scoring 55 in the three game Bellville series. He now has an 18.7 scoring average in the four playoff games.

Roy Ford led Tomball with 13 points. David Bonnen and Fred Anderson each scored 11 for Consolidated. Ford was the only Tom-

ball player who made over 5 points.

The Tigers vaulted into an 11-3 first quarter lead, made it 27-7 at the half, and 41-18 at the end of the third period. Consolidated now has a 21-3 season record.

SEXLESS SEX REPORT

NEW YORK (AP)—An eastside shopkeeper wanted to boost sales of a magazine with articles on the Kinsey report, but didn't know how the church-going family neighborhood would react. He compromised.

The placard advertising the magazine read "Kinsey's report on behavior of the American family," and had a hole cut out above "behavior."

Customers who didn't know already could buy one of his magazines to find out that the type of behavior Dr. Kinsey was reporting on had to do with sex.

AMERICA'S NEWEST, MOST COLORFUL DANCE BAND

Eddie Sauter and Bill Finegan, leaders of America's most excitingly-different dance band, met in 1939 as struggling young arrangers. Ed had studied trumpet and drum at college, worked up to arranging for "name" bands; Bill had studied in Paris, won a spot with Tommy Dorsey. After 13 years of pooling new ideas, they formed their own band. It clicked!

Bill Finegan says: "WITH ME, CAMELS CLICKED INSTANTLY. THE FLAVOR'S HOW I LIKE IT, THE MILDNESS JUST RIGHT."

Eddie Sauter says: "I'VE TRIED MANY BRANDS, BUT I GET MOST PLEASURE FROM CAMELS. YOU WILL, TOO!"
