All-Star Track Meet Brings Mexico's Best

The track meet with the international flavor comes to Kyle field tomorrow when the Aggies and the Gulf Coast Women's AAU team meet the national track and field team of Mexico.

A&M, winner of the Southwest conference title six times in the past seven seasons, takes on a 20-player squad composed of the best male track stars in Mexico.

The Texas women will meet a 10-member squad of the Mexico's best female runners and throwers.

Mexico Has 15 Champs

Mexico's team has 15 national record-holders.

Tickets are 50 cents for adults and 25 cents for students. Student season tickets will not be good. The meet is sponsored by the College Station Kiwanis club, and events

will be staged in metric distances. Field events will begin at 2:30 p. m., with running events starting at 3.

Blake Out

The Aggies have 13 lettermen back from last year's team, but one will not compete and another will be slowed down. Glenn Blake is out with a sprained ankle and Jim Blaine, recovering from a bad knee, will only run the 800 meters.

A&M's team will be:

1,500 meters — Dale DeRoun, Verlon Westmoreland and Bob Boles.

400 meters — Carroll Libby, Gerald Stull and Terry Vetter.

100 meters — Pete Mayeaux, Don Watson, Stull, Bob McCarn and Sid Goyer.

200 meters — Larry Kennedy, Bill Holloway, Watson, Stull and McCarn.

High hurdles — Tom Dollahite, Harley Hartung, and James Hollingsworth.

800 Meters — Blaine, Wallace Kleb, and Carl Wilmsen.

3,000 meters — DeRoun, Westmoreland and Bill Cocks.

400 meter hurdles — Stull, Ken Fry and Don Tedder.

Dash relay — Hartung, McCarn, Goyer and Watson.

Shot put and discus — Bobby Goss, Bob Bonorden, Harry Cox, Jim Cavitt and Fred Hartman.

Javelin — Mayeaux, Dollahite, George Knipple and Joe Wilson.

Pole vault—Billy Tutor and Edward Reeder.

High jump—Marvin Swink and W. J. Post.

Broad jump — Jerry Thomas, James Stansel, Bobby Robinson and Tommy Strait.

Hop, step and jump—Strait.

Fish To Open Tennis Season Here Saturday

The freshman tennis squad opens its 1954 season tomorrow against San Angelo high school on the courts by the Grove.

Game time is 2:30 p. m.

The Fish will be minus two players, Thurman Watson and A. L. Crenwelge, because of ineligibility.

"Claude Wooley, San Angelo coach, usually comes up with a good squad," said W. M. Dowell, Aggie tennis coach.

Don Dixon, Jake Harper, Tom Morrison, Gordon Glover and Bill Davis will compete in the singles matches. Dixon and Morrison will team up in the doubles, as will Harper and Glover.

The varsity's first match is with Southeastern State at Durant, Okla., March 3.

"Our varsity is in the rebuilding stage," said Dowell. Only Ronald Wolff returns from last year's team that finished behind Texas and Rice in conference play. Jack Bessellieu and Ed Paschall, 1953 lettermen, have been declared ineligible.

The varsity will play a 16-game schedule before entering the Southwest conference tournament at Waco, May 14.

Cadets Polish Up For TCU Saturday

The Aggie basketball team puts on the finishing touches today for the TCU game in Fort Worth tomorrow night.

After a thorough practice session last night the Cadets will take things easy today. They play Arkansas in DeWare field house Monday night and meet the University of Houston here Wednesday night.

The non-conference game with Houston will be the third game in five days for the Aggies. They close out the season with Baylor in Waco a week from Monday.

Coach John Floyd will start James Addison in his new center post, Roy Martin and John Fortenberry at forwards and probably Joe Hardgrove and Pat McCrory at guards.

Hank Ohlen, TCU's center, has a sprained ankle and missed Wednesday's SMU game. Forward Ray Warren, the other top Frog player, has an injured knee and played little against the Mustangs. Both should see some action against the Aggies.

TCU has beaten A&M twice this season. The Frogs took a 69-41 win at the Southwest conference pre-season tournament and defeated the Farmers, 69-52, in DeWare field house.

Tigers Lose 41-34 To Tomball; Play Tonight for Title

A&M Consolidated high school saw an eight point half-time lead waste away last night and lost 41-34 to Tomball as the district 25-A basketball title playoff was evened at one game each.

Consolidated plays Tomball at 8 tonight in Sealy for the district championship. The winner will meet Sweeny in the bi-district round.

The Tigers had beaten Tomball, 49-28, at home Tuesday night, but couldn't turn back a surging last-half rally last night. Playing on their home court, the Cougars outscored Consolidated, 24-9, in the last half.

Roy Ford scored 13 points for Tomball and was the game's high scorer. Danny Nicholson scored 11 for Tomball, while Bobby Jackson and Fred Anderson had 10 each for Consolidated.

After averaging 20 points a game in his last seven starts, Jack-

son couldn't find the range in the vital last half.

James Earle, Castillo Win

Lightweight James Earle, one of two Aggies fighting in the state Golden Gloves tournament at Fort Worth, won a close decision last night over Frankie Corpus of Austin.

Eddie Castillo, the other A & M student in the tourney, won a hairline decision over Ray Hernandez of El Paso Wednesday night.

Earle now has a career record of 31 wins in 33 fights. He won the lightweight title at the Waco regional tournament. Castillo replaced Paul Terrill as Waco's light-heavy representative.

Castillo's fight Wednesday night was called a tie by the three judges but one gave him a plus point.

Ag Wrestlers To Take 27 To Dallas Meet

Twenty-seven members of the A&M Wrestling club will travel to Dallas this weekend to compete in the Southwestern Amateur Athletic union meet, said Coach J. W. Griffith.

Seven lettermen return from last season's team. They are Bob Beattie, 123 pounds; Dick Cappel, 137 pounds; Rudy Henson and Jerry Pyle, 147 pounds; John Johnson, 157 pounds; Bob Poteet, 177 pounds; and John Huff, heavy-weight.

Beattie won second place in the 130 pound class at last year's tourney. Cappel was the Louisiana state high school champ in the 127 pound division. Henson was the 1952 state AAU 147 pound champ, and Pyle was second at the '53 SWAAU meet in that class.

Poteet was the '52 state AAU 177 pound title-holder.

Others making the trip are:

123 pounds—Dave Riemer, Paul Breen.

130 pounds—Taylor Green.

137 pounds — Don Burchard, Al Crow.

147 pounds — Dub Bailey, Bill Gilbert, Charles Jenkins.

157 pounds — Carl McGee, Jim Witcher, Sam Ray.

167 pounds — Al Rial, Gene Myers, Ronnie Hayes, F. W. Heldenfels.

177 pounds — Kenneth Jones, Bill Nourie.

191 pounds — Don Kachtik.

Heavyweight—Lawrence Winkler, George Fehrmann.

Fish Swimmers Try for Third Straight Win

A&M's Fish swimming team pushes off tomorrow in a triangular meet with the San Antonio Aquatic club and the Houston YMCA in P. L. Downs jr. natatorium.

Starting time is 2:30 p. m. Admission will be free.

No varsity meet will be held. Plans for a dual meet with St. Thomas college of St. Paul, Minn., could not be completed.

Strengthened by the addition of Rippey Woodard, state high school 200 yard freestyle champ at Houston's Lamar, the freshmen will be out for their third win of the season without a loss.

The Fish won a meet with their two opponents earlier in the season and defeated the Texas Shorthorns last Saturday.

Dick Hunkler and Norman Ufer will pace the freshmen. Hunkler, state 100 yard freestyle champ at Houston's Reagan, set a freshman pool record in that event in the Shorthorn meet. Ufer, state 100 yard backstroke champ, set a pool Fish record in that event last Saturday.

Krueger To Lead Bowlers in Arkansas

High scorer Doug Krueger will lead the A&M Bowling club in a dual match with the University of Arkansas at Fayetteville Sunday.

Krueger's average of 176 is high for the 10-man squad.

A CAMPUS-TO-CAREER CASE HISTORY

"My first assignment at Bell Labs"

Fresh out of school, Bob Wilson, '53, was put to work on a Transistor project at Bell Laboratories. He explains why he never had time to be awed.

BOB WILSON works on a "breadboard" circuit, studying the electrical properties of a carrier system.

"In some ways it was hard to believe. I had received my B.E.E. at the University of Delaware in June, 1953, and a week later I was working in the world-famous Bell Laboratories.

"But I didn't have time to be awed because they put me right to work. They gave me responsibility fast.

"My group was working on the experimental application of transistors to carrier systems. My assignment was the electrical design of a variolossor for the compressor and for the expander to be located in the terminals.

"The supervision I received and the equipment I had were tops. I quickly discovered that I had to rely on my ingenuity as much as on the college courses I had taken. Perhaps that's one reason for the

great new discoveries continually turned out by the Labs.

"Now, I'm in the Communication Development Training Program, continuing my technical education and learning what all the Laboratories sections do and how their work is integrated.

"In a year I'll be back working with the group with which I started."

Assuming responsibility fast is a common experience among the engineering, physical science, arts and social science, and business administration graduates who join the Bell System. Bob Wilson went with Bell Laboratories. There also are job opportunities with the operating telephone companies, Western Electric and Sandia Corporation.
