

# News Briefs

APPLICATIONS to take the Selective Service College Qualification Test to be given here on April 22nd are available at the Housing Office. Students who wish to take this test are reminded that these applications must be in the mail by midnight March 8th.

Second Lt. Joe D. Erette, son of Mr. and Mrs. J. C. Erette, 206 Steves ave., San Antonio, Tex., is serving with Headquarters Company, Special Troops, at the U. S. Army's Alaskan Headquarters, Fort Richardson.

Albert J. Dudenhoefter, 24, son of Ben Dudenhoefter, 805 Prospect st., Amarillo, Tex., was recently promoted to first lieutenant while serving with the 44th Engineer Construction Group.

More than 700 persons are expected to attend the Texas Water and Sewage Works Association short course to be held at Texas A&M College March 7-12. It is sponsored by the Civil Engineering Department with J. H. Sorrels general chairman.

STUDENTS desiring to make application for the College Qualification Test to be given on April 22 may pick up application blanks at the Housing Office. Applications must be in the mail by midnight, March 8 for this test.

AMONG 62 Agricultural Education students at Texas A&M College who will practice teaching vocational agriculture in high schools

Lt. Col. Leslie E. Moore, Texas A&M graduate in '25 and '31 and a former member of the ROTC staff, has been appointed 1954 chairman for the Red Cross fund drive in the X Corps (Group) in Korea.

Col. Moore, whose wife and son reside at 722 Garden Acres Blvd. in Bryan, graduated from Comanche high school and Tarleton College before entering A&M. After receiving a BS in 1925, he returned here for a BS in chemical engineering in 1931. Commissioned a reserve 2nd Lieutenant in infantry on completing his service in the cadet corps here, he was integrated into the regular army at Stephenville in 1946. After assignment to the ROTC staff here, Col. Moore departed for Korea in 1953. He is now chemical officer of the X Corps (Group).

of the state from March 1 through March 13 is Jack L. Thedford of College Station. Thedford will teach at Crosby high school. Ernest F. Sebesta is the regular vocational agriculture teacher for the school.

AMONG 62 Agricultural Education students at Texas A&M College who will practice teaching vocational agriculture in high schools of the state from March 1 through March 13 is James M. Addison of College Station. Addison will teach at Rising Star high school. H. L. Geye is the regular vocational agriculture teacher for the school.

JOHN Q. ANDERSON, of the A&M staff, will be on the program of the Texas Fulklore society's next meeting on the North Texas State college campus April 30 - May 1. Anderson will give a paper entitled "Up Salt Creek Without a Paddle".

Recent appointments of staff personnel at Arlington State College were approved by the board of directors, Texas A. and M. College System, at its meeting here Feb. 27.

The appointments are: Mrs. Mary Ann Dupstadt, assistant librarian; David J. Smith, carpenter-repairman; Vince N. Cole, painter, and Carl C. Tucker, campus foreman. All are replacements.

Appointments recently to the staff of Tarleton State College System.

They are: Mrs. Ima Cook Hensarling, dining hall director, and William Everett Gage, dairy herdsman in the agriculture department. Both are replacements.

Martin, Woodward Governor Co., Rockford, Illinois.

## Committee To Plan SW Land Tenure

Representatives of five states participating in the Southwestern Land Tenure Committee will meet at Texas A&M College March 3-5.

With Dr. T. R. Timm, head of the A&M College Department of Agricultural Economics and Sociology, as chairman, the committee will seek to determine the types of research needed on land tenure in the five states, Texas, Oklahoma, Arkansas, Louisiana and Mississippi.

Committee members, in addition to Dr. Timm, will be H. J. Meenen, head of the Agricultural Economics Department at the University of Arkansas; E. T. Inman of the Agricultural Research Service of the U. S. Department of Agriculture, Washington, D.C.; and Dr. Harold Pedersen, professor of rural sociology at Mississippi State College.

Acting as advisors to the committee will be J. H. "Dixie" Southern of the Agricultural Research Service, U.S.D.A., College Station, currently attached to the Agricultural Economics and Sociology Department at the college, and W. G. Adkins, of the school's Agricultural Economics and Sociology Department.

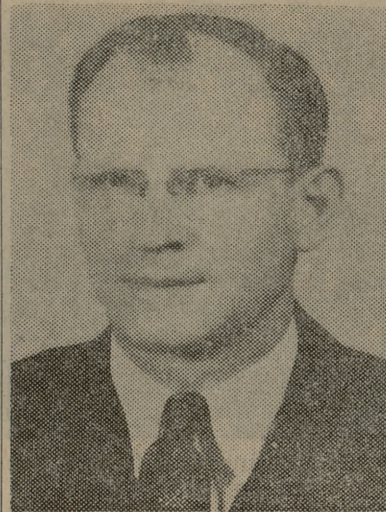

## Rotary International Elects Street As Governor Nominee

Dr. W. E. Street of College Station, Texas, was elected Governor Nominee of Rotary International at the Houston Conference of Rotary International, District 190, today. He will begin his duties as Governor of the District, July 1, 1954.

Dr. Street has been active in Rotary International since joining the Lubbock, Texas, Rotary Club

in 1937. He transferred to the Bryan Rotary Club in 1941 and since that time has served in many capacities, having been Chairman of many active committees, Member of the Board of Directors, Vice-President, and President. Dr. Street served as Chairman of the 190th District Conference in 1953 at College Station.

Dr. Street is Head of the Department of Engineering Drawing of the Agricultural and Mechanical College of Texas and is well known as an educator, author, and as a member of the engineering profession. He has served and is presently serving on many national committees relative to the education profession. He is listed in Who's Who in Engineering, Who's

Dr. W. E. Street

## Philippines To See American Training

Three specialists in the field of vocational education from the Philippines are enrolled in the Texas Engineering Extension Service. They were sent to the United States by their government to study and observe foremen and supervisory training in American industry.

Prior to coming to Texas A&M College they attended an orientation conference in the Office of Education in Washington, D. C. They will spend three months with the TEES.

Those studying at the TEES include Silesio C. Flores, head of the vocational department of the La Union School of Arts and Trades, San Fernando, La Union; Ricardo P. Trinidad, chief of the vocational education section of the Manila division of city schools and Gregorio P. Espinosa, supervisor of technical and trade school education of Makati, Rizal.

Who in the South and Southwest, Beta Pi and Phi Kappa Phi. Who Who in American Education. The Streets are active members of the International Blue Book of the College Station Church of World Notables. He is a member Christ. They have two children, of the Scholarship Societies of Tau Elvin and Louise.
