

WHAT IS IT?—It's a paper mache sculpture being worked on by Melonie Way, A&M Consolidated high school art student. Guests will have the opportunity to see students at work in classes at open house at the A&M Consolidated high school open house at 6:45 p.m. tonight.

LET ME HELP YOU—says Mrs. C. Holzmann, fourth grade teacher who has been at A&M Consolidated for 25 years, as she gives a student a hand. This week is public school week in College Station.

High School

Open house at A&M Consolidated high school will be held at 6:45 p.m. tonight instead of Friday as originally planned.

The program will include short attendance at several of the students' classes and an assembly program beginning at 8 p.m.

The program will be opened with greetings from Fred Anderson, president of the high school student council. There will be a musical program presented by the high school students and a short play by junior high students.

Jerry Mills, president of the junior high school council, will close the program.

High school students will have a sock hop from 7 p.m. to midnight Saturday in the school cafeteria. Admission "stag or drag" is 35 cents.

A floor show is planned, and students have been asked to come in jeans and old clothes.

The date of the senior play has been set for Monday and Tuesday, March 8 and 9.

Tickets, which are 35 and 50 cents, are being sold by students in the senior class.

The play, "For Beauty's Sake," is a three-act comedy with an all-girl cast.

A date has been set and the cast has begun rehearsal for the junior class play.

The tentative date is March 26 and 27. The class has chosen two one-act plays, a comedy and a melodrama.

You'll save current if you keep your electric light bulbs clean. To clean a bulb, remove it from its socket and wash the glass but not the metal screw. Be sure to dry thoroughly before replacing the bulb in its socket.

FAMILY FAVORITES

By Mrs. C. H. Groneman

(Ed. note—Guest columnist this week is Virginia Groneman, wife of Chris Groneman, head of the Industrial Education department. A native Pennsylvanian, Mrs. Groneman insists she's a Texan through and through. She holds a BA degree in music from the University of Oklahoma and an MA in English and education from East Texas state college. Her hobbies in addition to music include weaving and collecting antique glass. She is a member of the PEO society.)

Orange Marmalade

Mrs. Krug, my mother, and I would like to share her Orange Marmalade recipe with our friends. It is as near an original method as can exist these days. Years ago she took forty-eight hours to make it, but since has streamlined it.

Remove end blemishes from: 3 oranges 1 lemon
Boil fruit in 1½ quarts water for 30 minutes. Remove from heat and allow to cool until fruit can be handled comfortably.

Cut fruit in two, remove seeds, then slice very thinly (or put through a grater).

Put cut up fruit back in the water and add: 6 cups sugar.
Cook by three or four cupsfull until the mixture drops from the spoon in thick drops like jelly.

Add: Thinly sliced pecans to preference When cool, put in glasses, and seal with paraffin.

Cheese Pimiento Bread

The following is a very delicious cheese bread which we found in Betty Crocker's Cook Book. It is excellent for sandwiches or toast. Combine in large saucepan:

2 tbsp. soft butter (margarine) 2 or 3 (or more) tbsp. minced pimiento
2 tbsp. flour Stir until cheese is melted. Cool to lukewarm
1 tbsp. sugar Mix together and add:
2 tsp. salt ¼ cup lukewarm water
Stir in: 1 cake compressed yeast
1½ cups milk ¼ cup compressed yeast
Cook, stirring over low heat until thickened. MIX IN:
Add: 3 to 3½ cups sifted Gold Medal Flour
½ cup (or more) of sharp flavored grated cheese

Knead and let rise twice. Shape into loaf (9x5 3" pan). Let rise 1½ times its size (about 30 minutes). Bake: Temperature 375 degrees. 45 to 50 minutes.

Chicken Bodini

My good friend, Mrs. Spike White, has seen me through a lot of dinners by giving me this recipe.

Boil: 1 chicken until tender. Remove from broth and add to the onion. Also add:
1 tsp. flour to this Put with spaghetti
Add:
1 can tomato sauce
2 level tbsp. brown sugar
Salt to taste

Fry crisp several slices of bacon and add to the onion. Also add:
1 tsp. flour to this Put with spaghetti
Add:
1 can tomato sauce
2 level tbsp. brown sugar
Salt to taste

Cut chicken into bite size pieces and add: Add also 1 cup grated sharp cheese. Top with ground Fritos, and bake for 20 minutes or until the mixture bubbles up from the middle of the dish.

Kisses

These kisses are convenient to have on hand; are unusual to look at; and still better to eat.

Beat well—(very stiff) 1 egg white 1 pinch salt
Mix in 1 pinch soda 1 cup pecans
1 cup brown sugar

Drop on ungreased cookie sheet. Bake at 300 degrees for 40 minutes.

Set pan on damp kitchen towel when you take it from the oven, and the kisses will come off easily.

Another method of baking is to line a cookie sheet with brown paper; drop the kisses in teaspoons full on the paper, bake, then remove from oven and set on a damp cloth to loosen them from the paper.

Slides Shown To Band Wives

Mrs. L. J. Bolmanski showed scenery slides at the meeting of the Band Wives club at the home of Mrs. E. V. Adams Tuesday evening.

Mrs. Bolmanski, who is from Van Dyke studio, had views of Grand Canyon, Zion national park, Utah and Wyoming.

At the business meeting the members discussed awarding diplomas to girls whose husbands were graduating.

A committee was appointed to plan a spring social at Normangee lake. Chairman is Thelma Zak. She will be assisted by Ruth Reed.

● STOPS COSTLY OIL BURNING!
● INCREASES GAS MILEAGE!
● RAISES COMPRESSION!

MOTALOY

RING and VALVE JOB FOR ONLY \$6

While You Drive!

HERE'S PROOF OF MOTALOY PERFORMANCE

● Chief Mechanic, A State Highway Dep't.: "By placing Motaloy in gas tank, noticed improvement in compression and gas mileage; decrease in oil consumption." J.B.S.

● Large Motor Company, Oklahoma: "Last trip, with Motaloy, we used only 384 gallons of gas (2,250 miles round trip) saving us 66 gallons of gas." W.C.

● Auto School—Official State Agency, Florida: "Remarkable improvement in compression, smoothness and quietness of operation since using Motaloy." D.H.R.

● Cool Dealer, Iowa: "Tried Motaloy in one truck and it proved 100% as claimed. Now using in all trucks and cars with good results." C.C.

● Independent Testing Laboratory, Texas: Performance Tests show: "By use of Motaloy, the oil consumption was reduced and compression was definitely increased." D.W.C.

What Should You- as a PROFESSIONAL ENGINEER Expect from Your Job?

All Our Engineers Are On Regular Salary — Not Paid By the Hour

- GOOD SALARY? It's ALWAYS good at LOCKHEED! Regular performance reviews to give you every opportunity for promotion.
- PLEASANT WORKING CONDITIONS? LOCKHEED'S new Georgia Division offers the best—and your associates will be outstanding leaders in their fields. Your work with them will be inspiring and rewarding.
- CHANCE FOR FUTURE? LOCKHEED is one of the greatest names in both civilian and military aviation. You can count on LOCKHEED leadership now and in the future—and you can count on YOUR opportunity with LOCKHEED.
- OFF-THE-JOB ADVANTAGES FOR YOU AND YOUR FAMILY? LOCKHEED'S Georgia Division, at Marietta, only 8 miles from the Atlanta city limits, offers unexcelled opportunities for healthful, pleasant living, for cultural and educational advantages for your whole family.

North Georgia is famous for its fine climate and outdoor sports. Atlanta's 88 parks cover 1600 acres, and 22 excellent golf courses offer year-round enjoyment.

Desirable, modern housing and gracious Southern living; exceptional schools, colleges and universities; outstanding movie, theatre, radio and television entertainment await the LOCKHEED Engineer and his family. The needs of all creeds and denominations are filled by more than 500 churches.

EVERYTHING you, as a PROFESSIONAL ENGINEER, could want from your job awaits you at LOCKHEED'S Georgia Division

W. R. Parks, Lockheed Counsellor, will be on the campus to talk with . . . MECHANICAL, ELECTRICAL, AERONAUTICAL, and CIVIL ENGINEERS MONDAY, MARCH 15th Contact your Placement Officer today for an appointment with the Lockheed Counsellor.
