

## AAUW Hears Talk On Delinquency

The juvenile delinquent was the topic at the American Association of University Women meeting Monday. The speaker was Barry Levin of the state health department.

"The words juvenile delinquent are heard so frequently that many have come to believe that the terms adolescence and juvenile delinquent are synonymous," was the beginning of Mr. Levin talk.

Later he said in speaking of the development of family tension that in rearing our children, it should be remembered that they have the following needs: someone to show confidence in their abilities; the feeling of belonging; family experience; and freedom plus responsibility.

Levin was introduced by Mrs. Melvin Rotsch, president of the Brazos county mental health society.

## Committee Calls Prayer Day Success

A committee which extended an invitation to all members of the Council of Church Women to attend the World Day of Prayer service which was held Friday, is responsible, says Mrs. Raymond Rogers, for making the service a success.

The committee was composed of Mrs. Travis Engelbrecht, Mrs. Gordon Gay and Mrs. Harold Sorensen.

Mesdames David Morgan, J. C. Miller, Walter Delaplaine, and Milton Huggert were in charge of the program which was given by Mrs. A. E. Carter and Mrs. Lee Thompson.

Local ministers who assisted in the program were Rev. Clarence Ketch, Rev. Norman Anderson, Rev. Nolen Vance, Rev. Thomas Sviggert, Rev. Robert Darwall and Gordon Gay of the YMCA.

Special music was by Mrs. Chris Groneman and the Harmony Singers directed by Mrs. Grace Krug and accompanied by Mrs. C. W. Simmons.

Mesdames Edward Madeley, A. M. Murchhead, Barney Welch, and Tom Taylor were in charge of the offering. Mrs. Travis Engelbrecht and Mrs. Harold Sorensen kept the guest book.

Co-chairmen for the service were Mrs. Horace Bass and Mrs. Raymond Rogers. Mrs. Morgan is council president.

Local ministers who assisted in the program were Rev. Clarence Ketch, Rev. Norman Anderson, Rev. Nolen Vance, Rev. Thomas Sviggert, Rev. Robert Darwall and Gordon Gay of the YMCA.

## Accessories Called Two Men Named In Poultry Club

The new word for accessories is "props." Claire McCardell coined it for her gay and personalized designs in gloves, spees and jewelry. According to Miss McCardell, the attractive woman today uses her little costume extras as much for glamour as for practical appliance, and with the effectiveness of an actress employing the props of her stage role.

Pretty gloves are spanking white cotton, luxurious thin beige suede, or flower-tinted kid according to the effect wanted in the costume. Necklaces are adjusted like a flower "lei" or looped in long strands to point to the spread of a wide-open neckline or the siren plunge of a deep sophisticated V. Eardrops (that's what Claire McCardell calls her new dangling bead earrings) express your mood as much as match your clothes.

Mrs. Walter Delaplaine, president of the local AAUW called for a report from treasurer, Mrs. S. H. Hopkins; fellowship committee represented by Mrs. J. H. Sorrels; and education committee represented by Mrs. H. S. Creswell.

Mrs. Creswell reported that at 2:30 p. m. Wednesday in the Consolidated cafeteria, Miss Joeelle McDowell of Waco will discuss mending and rebinding of books. Following a coffee, all who wish may mend books under her directions. She asks members and other interested persons to bring scissors, heavy brown paper and tissue paper.

Hostesses were Mesdames R. N. Stephenson, K. L. Dixon, B. W. Wilson, C. F. Richardson, Omar Sperry, L. A. Gimbrede, D. H. Morgan and R. D. Lewis. Coffee was served at the end of meeting.

## Music Is Topic For Discussion At Study Club

Mrs. B. A. Hardaway's kindergarten was the scene of the Child Study club meeting Tuesday morning. Mrs. Hardaway was assisted by Mrs. Tom Covey, and Mrs. Joyce Ann Khurri.

A demonstration of songs was given which pre-school children enjoy. The demonstration was used as a basis for a talk on the development of music appreciation.

Mrs. Hardaway feels that appreciation for music starts with the lullaby that a mother sings to comfort her child. The next step is noticing rhythm, beating, clapping, stepping or swinging to it, and from there the child progresses to nursery rhymes repeated over to him.

Then comes the little songs said Mrs. Hardaway, with which children are familiar and which have actions which children can enjoy.

Mrs. Hardaway feels that all children can learn to sing if they are started early enough in the home. A short business meeting was held and plans made for the coming meeting. The April meeting will be in the home of Mrs. Charles La Motte.

## Plans Completed For Asian Study Tour

Plans for the Asian Study Tour of 1954 are now almost complete, according to Charles Beagle, of A&M, and Vera Faye Tomlinson, of Oklahoma A&M College, Stillwater, Oklahoma, Co-chairman of the Regional Council of the YMWCA.

Planned for twenty students and faculty, with two leaders, the study tour group will leave San Francisco June 20 on the President Cleveland, traveling to Manila, in the Philippines, then to Hongkong, Formosa, and Japan, with a stop at Hawaii on the return trip. They will arrive in San Francisco by Pan American Airlines on September 5th. The basic purpose of the study tour is to bring American students into direct contact with students, workers, and leaders in various walks of life. The tour is a part of a three-year study of the Far East by Associations in the Southwest. This year it will concentrate on Japan and the Philippines.

On different sides of the last conflict, these nations have been most affected by western culture and are struggling with problems of communism, rearmament, trade, nationalism, religion and culture. Applications are now being received. The cost per person, for all expenses, is \$1991. Applications should be sent to D. Ned Linegar or

She was a Little Hot Over Her Income Tax. KNOXVILLE, Tenn., March 10.—A woman called Internal Revenue officials to ask if she could deduct the cost of stoker coal from her income tax. The man said he was sorry, but she can't.

"Well!" she replied indignantly, "if that's not a loss by fire, I'd like to know what is."

**FOR TALENT SHOW**—This young lady will be one of the acts on the Intercollegiate Talent show at Guion hall at 8 p. m. Friday, March 19. She has sung with the North Texas State college band where she attends school.

## Faculty Rue Pinalle Set For March 18

With C. K. Esten named as emcee, arrangements are practically completed for the second annual Rue Pinalle to be staged March 18 at the Memorial Student Center by the A&M Employees Dinner club. Esten, a member of the English department, directs the Aggie Players.

"All for fun and fun for all" will be the order of the evening when Cafe Rue Pinalle opens for business at 8 p. m. in the recreation room adjacent to the bowling alleys according to J. Wayne Stark, cafe manager.

Music for dancing will be furnished by Dean Howard W. Barlow's Brazos Bottom Boogie Busters and this versatile band will also contribute specialty numbers to the evening's entertainment.

"The Boogie Busters deserve a large share of the credit for the success of the first Rue Pinalle," Stark said, "and the management feels fortunate in being able to secure them for a return engagement for 1954."

**Band Members**  
With the exception of trumpeter Dr. E. H. Kirk, of Bryan, the band's personnel is comprised entirely of faculty members and includes R. B. Alexander (chemistry) and L. S. Spangler (horticulture) on the saxophones; R. H. Fletcher (mechanical engineering) trombone; D. R. Lee (chemistry) accordion; H. B. Curtis (mathematics) piano; George Reynolds (oceanography) bass; and Dean Barlow, drums.

Lloyd Heaton will be in charge of ticket collections and Joe Sorrells has been cast in the role of head waiter with Roy Garrett and Raymond Reiser as assistants.

Garcons who will do the serving will be Deans W. L. Penberthy, Walter Delaplaine and John Paul Abbott, G. G. Gibson, director of the Extension Service, G. W. Schlesselman, Don Vestal, Dr. J. C. Miller, Carl Landiss and Bill Hensel.

Roving cafe personnel will include Howard Berry as photographer, and Mrs. Don Vestal and Mrs. C. K. Manning as cigarette girls. There will also be competent bouncers on duty, Stark said.

**Big Floor Show Planned**  
Among the headline attractions booked for the floor show are a "two men on a piano specialty" featuring Bill Turner of the Sing-

ing Cadets and Dick Baldauf; Nita and Manning Smith, nationally famous dance team; and Bud Matthews and Company from the physical education department with a French ballet tumbling act.

Stark and his assistant, Miss Margaret Long, MSC program consultant, have planned many innovations for the 1954 Rue Pinalle including imported Chinese fortune wafers, suitable favors for the ladies and numerous other novel features which are being kept for surprises. "There won't be a quiet moment during the entire evening," Stark promises.

**Will Wear French Costumes**  
To add to the gaiety of the occasion all cafe patrons have been asked to don French attire. Costumes needn't be elaborate, Stark announced, although it is rumored that one lady plans to attend disguised as a French pastry.

"A flowing tie, a gay cummerbund, a beret, sideburns or whatever else you can dream up to give a Parisienne touch to conventional masculine attire will be acceptable," Stark suggested. "The ladies, bless them, don't need any advice on how to be chic."

Tickets for Rue Pinalle will go on sale at the main desk of the MSC at 8 a. m. Friday, March 12 and will be available until 2 p. m. Wednesday, March 17 or until the quota is sold.

"Judging from the advance inquiries on tickets and the success of last year's Rue Pinalle, I predict that the affair will be a complete sell-out," Stark said. "Patrons who want to be sure of a table will do well to get their reservations early."

Visit the countries of your choice . . . study from 2 to 6 weeks at a foreign university. You can do both on one trip when you arrange a university-sponsored tour via TWA. Itineraries include countries in Europe, the Middle East, Asia and Africa. Special study tours available. Low all-inclusive prices with TWA's economical Sky Tourist service.
