

# Ags Win Fourth in Row; Beat U of M in 10th, 8-4

The Aggies posted their fourth straight win of the baseball season Saturday in Houston as they downed the Cougars of U of M, 8-4 in a game which went 10 innings.

The Cadets pushed over four runs in the tenth to win going away. The Cougars had runners on first and third in the ninth when one out, but failed to put across the winning tally.

Jerry Nelson pitched the first six innings for the Aggies, giving up six hits but only two runs. He gave up no walks. Joe Hardgrove, who relieved Nelson, allowed the tying runs to score but became the winning pitcher after Jim Dishman scored the winning run for the Cadets in the fiery tenth inning.

Former Aggie quarterback Don Ellis, in a role as an outfielder, slammed a two-run triple in the tenth to put the game on ice. John Stockton hit the game-winning single to center which scored Dishman.

A 2-2 tie was broken earlier in the game when Les Byrd of the Cadets exploded a home run in the fourth, scoring Charley Leissner, who had walked. Byrd also scored the game's first run in the second following a double to left center.

A&M had a 2-0 lead in the third when Ben Hubbard walked, stole second and scored when the Cougar's Weldon Tiedt dropped Parrish's grounder. U of M scored twice in the bottom of the third but did not catch up to the Aggies until the seventh inning after two were out.

A single, a walk and a double produced the two runs necessary to tie the game at 4-4.

In the ninth, the Cougars had the bases loaded with two down when Shipley hit into a play which forced Tucker at second, ending the rally.

In previous games, the Aggies have beaten Sam Houston state teachers college twice and the Brooke Army Medics of San Antonio twice.

The Cadets begin a four-game home stand here with the University of Minnesota at 3 p.m. Wednesday.

By CHARLES HUDGINS

# IT'S ALL A MATTER OF TASTE

When you come right down to it, you smoke for one simple reason... enjoyment. And smoking enjoyment is all a matter of taste. Yes, taste is what counts in a cigarette. And Luckies taste better.

Two facts explain why Luckies taste better. First, L.S./M.F.T.—Lucky Strike means fine tobacco... light, mild, good-tasting tobacco. Second, Luckies are actually made better to taste better... always round, firm, fully packed to draw freely and smoke evenly.

So, for the enjoyment you get from better taste, and only from better taste, Be Happy—Go Lucky. Get a pack or a carton of better-tasting Luckies today.

It's not surprising Luckies lead in college circulation—these better-tasting cigarettes are tops across the nation!

College Smokers Prefer Luckies

A comprehensive survey—based on 31,000 student interviews and supervised by college professors—shows that smokers in colleges from coast to coast prefer Luckies to all other brands! The No. 1 reason: Luckies' better taste!

If you try hard to write a rhyme for Lucky Strike to use, it really helps if you would taste a Lucky while you muse!
