## News Briefs

ALICE, Tex., March 24-(AP)-Political Boss George Parr last night was convicted of illegally carrying a gun and fined \$150 plus court costs. He paid the \$150 fine and \$10 of the court costs from his billfold.

★ ★ ★ WASHINGTON, March 24—(P)—Sen. Millikin (R-Colo) predicted yesterday after a conference of all Republican senators that efforts to cut the federal excise tax on autos and drop it from household appliances will be beaten.

He said he expected the GOP members to be solid in opposition to this effort sponsored by Sen. Douglas D-III and other Democrats.

WASHINGTON, March 24—(AP)—The House Appropriations Committee yesterday recommended an additional 215 million dollars to pay for veterans' compensation and pensions in the next three months, but ordered a closer check on them.

HOUSTON, March 24—(AP)—Operations of Trans-Texas Airways returned to normal Tuesday after eight Houston dispatchers failed to report for work Monday night. Company officials had said several flights were cancelled

because of the wage dispute walkout.

HOBBS, N. M., March 24—(AP)—Two fires raged out of control in Lea County oilfields last night.

Efforts to extinguish a fire burning for 11 days west of Jal by exploding nitroglycerine failed yesterday.

A well 10 miles southwest of Hobbs, put out a week ago in a nitro blast, caught fire again last night and was still uncontrolled today.

WOODSTOCK, Ill., March 24—(AP)—A Texan from Muleshoe admitted yesterday cleaning out lock, stock and barrel the home of a man who was out of town.

Richard Blair, 30, more commonly known as "Tex" naturally, said he posed as a new owner of the Joseph Stange home at nearby Richmond, and then set about selling everything in the place.

PEARL HARBOR, March 24—(AP)—The Navy said last night the Navy tanker Patapsco received "light and not dangerous contamination by radioactive fallout" during the recent hydrogen tests at Bikini Atoll.

The 4,000-tanker, working in support of the H-bomb task group, carried a crew of deck officers and 86 men.

WASHINGTON, March 24\_(P)\_The Air Force last night announced the arrest in Japan of a finance officer who it said admitted turning nearly \$200,000 in worn out military money to his own use.

The officer, Maj. Thomas Pate of Los Angeles, the announcement said, has been placed under arrest in quarters. He was finance officer at Tachikawa air base near Tokyo.

Exchange revealed a shortage of about \$75,000. The official, who took part in the check of records, declined to be quoted by name. He said there is at least that much of a deficit, but added that personal holdings which banker Royall Reynolds has promised to ante up work not taken into concert. not taken into account.

PEORIA, Ill., March 24-(*P*)-William A. Wittick, 93, of Peoria, announced yesterday that he's becoming a bridegroom Thursday.

His bride-to-be is Miss Julia A. Leckley, 78, of Chicago.
