

Scott-Led Whites Stun Maroons 19-0

By CHUCK NEIGHBORS
Battalion Sports Editor

Don Watson, a surprise halfback sensation, carried the brunt of an astonishingly strong White attack all the way to a 19-0 win over the burly-lined Maroons Saturday night on Kyle field.

Part of the annual Sports Day activities, the intra-squad game was a preview of Aggie football fortunes for the coming year for 7,000 fans. Charley Scott, freshman quarterback who was booted off the field by cadet fans in an unusual lack of spirit during the TCU Wogs game last fall, redeemed himself and then some by sparking an attack which the Maroon

squad sometimes blunted but never quite stopped.

Bob Easley threw his hefty shoulder into the White effort and carried nine times for 48 yards on the Scott-generated team. Watson was the outstanding White runner, however, with 107 yards in seven onslaughts against the Maroon line.

For the Maroons, who had seven regulars playing for them, Elwood Kettler's 56 yards in 10 tries led the team. With Kettler leading them, the Maroons threatened once. They ended a 56 yard drive on the White's 16, where they gave the ball up on downs.

Five players were out of the line-up because of injuries suffered in practice. They were quarterbacks Charley Ritchey and Ronald Robbins, halfbacks Joe Boring and Tommy Strait and center Cary Wofford.

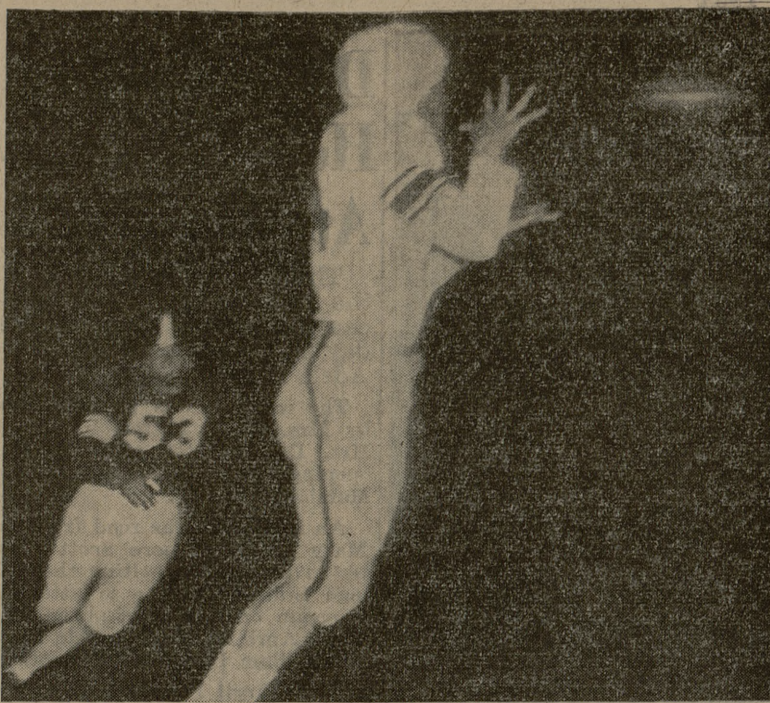

Ags, TU Lead Diamond Loop With 2-0 Count

The Aggie varsity diamond squad is tied with the University of Texas for an early lead in Southwest conference baseball competition.

The Langhorns downed Baylor twice and the Aggies topped the Rice Owls twice in a two-game series here last week. In the final game here Saturday afternoon, Lefty Joe Hardgrove pitched a five hitter to slide past the Owls 3-2.

Friday, speedball artist Jerry Nelson swooshed an 8-3 win past the hapless Owls from Houston.

The Aggies' next conference game is with SMU in Dallas Friday and Saturday. Their next home game is April 6 here against U of H's Cougars who downed Minnesota's gophers in two straight games. The Gophers administered the Aggies' first two defeats of the season last week, 5-2 and 4-3.

WATSON COLLECTS AERIAL—Don Watson, White left halfback, snags a Davey Smith heave in the last seconds of the first quarter of Saturday night's Maroon-White scrimmage. Watson's team won 19-0 in an upset decision featuring his own outstanding receiving and running. Gene Stallings, Maroon right end, is coming up to make the tackle on Watson, who was downed soon after this picture was taken.

Tigers' Cooner Strikes Out 11; CHS Wins 3-1

A&M Consolidated's Pinky Cooner struck out 11, and gave up only three hits to lead the Tigers to a 3-1 win over the Huntsville Hornets Friday afternoon on Tiger field.

Bobby Carter's hit in the third frame got away from the Huntsville second baseman and in the ensuing confusion, J. B. Carroll and David Bonnen scored for the Tigers. Huntsville gave up four walks, two wild pitches, two passed balls and an error in the third inning to allow Consolidated's runs.

Consolidated plays Allen academy this afternoon at 3:30 on Tiger field. In season play, the Tigers have won five games and lost none.

Fish Swimmers Sink Lamar and Scotties

A&M's freshmen swimmers ended their season with a double victory this week-end. They defeated Lamar (Houston), 57-18, and Highland Park (Dallas), 48-27.

In the Lamar meet the Fish won every event except the medley relay. Norman Ufer set a new pool record in the 100 backstroke, with a time of 62.3, this is three-tenths of a second better than his old record.

The Fish sprint relay set a new Fish record with a time of 1:18.0. The old one was 1:19.1 and was set in 1952. Members of this relay team were Ed Kasper, Rippey Woodard, George Boyett and Dick Hunkler.

The Highland Park Scotties offered the Fish more competition than they have faced all year. The

Fish won seven of the nine first places but the Highland Park mermen took many seconds and thirds, giving the Fish a fight.

Lumby won the only first places for the high schoolers. He won the 40 and 200 yd. freestyle. Lumby, a junior, broke the high school meet record in the 200 yd. freestyle with a time of 1:06.4. This is just a second off the pool record held by Dick Weick, A&M junior.

Hunkler led the Fish with a double victory. He won the 100 yd. freestyle and the 120 individual medley.

Ufer, Wally Penberthy, and Woodard teamed up to set a new medley relay record of 1:43.1, the old record was 1:45.0.

The Fish have won seven and lost none this season. They have defeated Lamar (Houston), high school, Highland Park (Dallas), high school, Odessa high school, Texas Shorthorns, SMU Colts, and twice defeated Houston YMCA and San Antonio Aquatic club in triangular meets.

Varsity Golfers Beat Ineligibles

The varsity golf team defeated the ineligible 5-1 Saturday, as part of the Sports Day activities.

Homer Calloway defeated Steve Rowley in the first match, while team mate David Vandervoort beat Bobby Briggs. Vandervoort and Calloway teamed up and beat Rowley and Briggs in the double event.

Bill Franklin downed Doyle Patton. Wayne Godfrey took the only match for the ineligible by beating Wick Varnard. Franklin and Varnard teamed to defeat Godfrey and Patton in the doubles.

Owlets Beat Fish 11-6 in Houston

The Fish baseball team dropped its first game of the season Saturday afternoon in Houston losing an 11-6 decision to the Rice Owlets on Rice field.

Next game for the Fish is this afternoon at 3 p. m. in Bryan with Stephen F. Austin high school.

"Chrome Clad" STEEL TAPES
are preferred by engineers

When you go out on the job, you want the most durable steel measuring tapes you can get—Lufkin "Chrome Clad." The jet black markings won't wear off, for they are bonded to the line and protected by multiple electroplatings that further build up the fine tape steel from which the line is made. The resulting line is heavier, stronger, and most rust and corrosion resistant. It is easier to read, easiest to clean, and won't surface crack, chip, or peel. Only Lufkin tapes are available with Chrome Clad.

Graduating Engineers

Research, development and production activities at Northrop Aircraft, Inc., create a continuous demand for young men who are building careers in the fields of engineering and science.

If you have had training that qualifies you for:

- Aeronautical Engineering
- Mechanical Engineering
- Electrical Engineering
- Boundary Layer Research
- Aerodynamics
- Thermodynamics

... and if you want to build a permanent, successful career in one of America's foremost research, development and production centers... if you want to locate in the Los Angeles Metropolitan area... please contact Texas A & M Engineering Placement Office.

Interviews

Campus interviews will be conducted by Mr. Charles Griffith, Engineering Personnel Representative of Northrop Aircraft, Inc., on March 31 at Texas A & M Engineering Placement Office.

Please make your appointment in advance so your interview may be scheduled for your convenience
