Thy KING Cometh

Amid joyous hosannas and waving of palm branches, He rode into the city of Jerusalem, past these same walls which are standing today.

Long ago in ancient Palestine, the prophet had heralded the coming of a king. But now few thought it more than the usual procession of some new earthly ruler. Yet no king ever came as He came. No king ever built such a kingdom.

This was the King of Heaven who rode into the hearts of men and built there a Kingdom of Love!

They crucified Him, but death could not stop His coming. He comes in every age to all who will believe. He comes to you.

Go to church this Palm Sunday, for "thy king cometh." Let the King of Heaven ride into your heart.

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

PROCLAMATION

WHEREAS, the architects of Texas have used their creative ability and technical knowledge to play key roles in the developments of the past and of the present; and

WHEREAS, as we plan for the future, their skills are increasingly important in solving the complex problems of shaping the environments in which we are to live and work; and
