Hayes Ends Job As Fish Cage Coach

Larry Hayes, freshman basketball coach for the past three seasons, has gone on full time status in the physical education department and will end his duties as coach. To replace Hayes, varsity coach John Floyd said he will try and get John DeWitt, James Addison or some other outstanding Aggie cager who knows the Floyd style of coaching.

Gross' Two Firsts Lead Ags by UT

Robinson Adds Points In Broad Jump Event

Bobby Gross' final five points and the surprise finish of Bobby Robinson in Saturday's triangular track meet were the straws that broke the back of UT to give the Aggies their first track win of this season over the Longhorns 72½ to 71.

The Aggies were behind in points until the last field event, the discus. Gross' toss won that event and the meet for Col. Frank Anderson's Aggie track team.

In a surprise finish, the Aggies' Bobby Robinson passed Rice's James (Popeye) Beavers in the running broad jump to give A&M five points they didn't expect to have in pre-meet predictions. Robinson is a sophomore from Bryan. He attended S.F. Austin high school in Bryan.

Harley Hartung was the second Aggie to add 10 points to the meet total with his dual victories in the hurdles. He won the highs in 14.5 and the lows in 23.6.

Dean Smith, the Longhorn's top sprinter, finished the 100 yard dash in the near-record time of 9.4 seconds and anchored the sprint relay team that ran a 4:11. Three timers to the finish of the 100 clocked Smith at 9.35, but a ruling which disallows half-seconds, prevented them from using this time.

Charley Thomas, UT's other top-notch dash man, ran the 220 in a sparkling 20.6. Sprinters were assisted by a gusty 12 mile an hour tail wind.

In the mile, Dale DeRouen and

James Blain of A&M ran a dead heat to split first place honors in that event. During the course of the race, UT's Don Neighbors forced both DeRouen and Blaine off the track one or more times with his rough tactics.

In the freshman division, the Rice Owlets were first with 59 points, the UT Shortorns were second with 43 and the Fish brought up the rear with 35.

Aggie Keglers Win Tourney

The A&M bowling club won its third straight intercollegiate bowling tournament Saturday, knocking down a total of 2,591 pins.

Bill Shepard was high man for the Aggies with a 217 high game and a 574 high series.

Saturday evening, a team from TCU won the doubles event with 1,121 pins. Harry Price sparked the twosome with a 600 series. Mickey Rose, Price's partner rolled a 521 series.

Sunday afternoon, Price came back to win the singles event with a 591 series.

Max Koehler from A&M had the high game for the tournament, a 235.

A rule of the tournament kept Price from taking home all of the trophies but the high game and his doubles partner's.

The rule stated that no one could win more than one team and one singles trophy.

Winners of trophies are: all-events, Price, 192; average high game, Koehler, 235; singles, Don Davis, Oklahoma A&M, 581; doubles, Harry Price and Mickey Rose, 1,121; high series, Bill Shepard, 574.

Here are the standings of the teams in the tournament:

Texas A&M "A"	2,591
Oklahoma A&M	2,412
TCU	2,395
Texas A&M "B"	2,358
Trinity "A"	2,325
Arkansas	2,227
San Antonio College	2,224
Trinity "B"	2,043

Softballers Play UT Here Tonight

The A&M softball team will play a double-header with Texas softball team tonight at 7:30 on the Aggie softball lighted diamond. Giles Schanen will pitch the first game and Charley Carpenter will pitch the second game for the Aggies.

Nelson Hurls, Bats Ags Past Bears 8-5

Bears' Bobby Holick Stops Ags 6-4 in 2nd

Jerry Nelson, ace Aggie hurler, pitched a tight ball game and slammed two home runs over the left center field wall to give the Aggies an 8-5 victory over Coach Jelly SoRelle's Baylor Bears here Friday afternoon.

Nelson's two circuit clouts drove in three runs, the last two coming in the seventh with the Aggies only one run ahead.

Going on a hitting rampage for the first time this year, the Cadets blasted two Baylor pitchers for 13 safeties. First baseman Les Byrd, who leads Aggie hitting with a .316 average, hit his second homer of the year and Bob Pender and Don Ellis both hit doubles. Nelson struck out nine and gave up 12 well-scattered hits.

In the second game of the Bear-Cadet series Saturday, the Bears Bobby Holick set the Aggies down without a hit or run for six innings. In the seventh frame, pinch hitter Joe Schero, in his first appearance at the plate this season, blasted a 340 foot two-run homer over the left field fence.

The Aggies' Joe Hardgrove, who

Pepper Rodgers, with four touchdowns, 13 extra points and one field goal for 40 points, led Georgia Tech's football team in scoring last season.

Outfielder Gus Bell of the Red-legs works with the team's ticket department during the winter.

started the game, was blasted for five runs. Relief hurler Lou Little finished the game for the Cadets.

A&M's final two runs came in the eighth on hits by Fred Ablon, Jim Parrish and a Baylor error.

The Aggies play UT here this afternoon at 3 p.m. on Kyle field with ace Longhorn pitcher Boyd Linker on the mound. Nelson will start for the Aggies.

IT'S ALL A MATTER OF TASTE

A man who smokes a Lucky Strike is really on the ball. So round, so firm, so fully packed—the cigarette for all!

Bob Vickery, Jr.
 University of Missouri

When you come right down to it, you smoke for one simple reason...enjoyment. And smoking enjoyment is all a matter of taste. Yes, taste is what counts in a cigarette. And Luckies taste better.

Two facts explain why Luckies taste better. First, L.S./M.F.T.—Lucky Strike means fine tobacco...light, mild, good-tasting tobacco. Second, Luckies are actually made better to taste better...always round, firm, fully packed to draw freely and smoke evenly.

So, for the enjoyment you get from better taste, and only from better taste, Be Happy—Go Lucky. Get a pack or a carton of better-tasting Luckies today.

I puffed and puffed the whole day through, just trying every brand, until I smoked some Lucky Strikes and found they tasted grand!

Joel Allison
 Queens College

What brand is grand throughout the land? From Maine to old Kentucky—With smoothness, mildness, better taste? Why, yes, you're right, it's Lucky!

Sue Pittman
 University of California

Where's your jingle?
