Mrs. E. B. Middleton announced

Geology Wives Plan Picnic

Plans for a picnic May 5 were made at the meeting of the Geology wives club Wednesday at the YMCA.

The picnic will begin at 5:30 p. m. at the country club park. Geology students and their wives are invited.

Speakers for the meeting were Mr. and Mrs. Fred E. Smith. He

showed slides from the tournament of roses parade, and Mrs. Smith gave the commentary.

Creamed chicken looks pretty and tastes good with a topping of diced avocado. Use this topping for creamed eggs or creamed ham, too, if you like. The bland avocado is particularly good with the ham.

When You Join

The "Men Who Measure" . . .

When you leave school as an engineer and join the ranks of the "men who measure," you'll want the most accurate and durable measuring tapes. Lufkin Chrome Clad Tapes ARE the most accurate and durable because their markings are bonded to the line and protected by multiple platings of metal that also protect the fine steel in the line. This all-metal line is longest wearing—it won't crack, chip, peel—is easiest to keep clean—is most rust and corrosion resistant. Chrome Clad Tapes are the choice of engineers the world over.

Whether you're running a survey, building a bridge or a building, railroad, road building, mining or drilling—there's a Lufkin measuring tape exactly right for the job.

Specify Lufkin when you get out on the job—send today for our free catalog.
