**WHO? ME?**

They're always talking about me! They say all sorts of things I can't understand: Isn't she cute? Just a year old. Looks like her mother, doesn't she?

I wish I knew what it all means. But they always smile when they talk about me—so it must be complimentary.

Frankly, I haven't a worry in the world. My Mamma and my Daddy always seem to know what's best for me. I'm sure they want to do everything possible to make mine a wonderful life.

I just hope they realize how important it will be for me to go to Church School. But, of course, being the wonderful parents they are, they'll realize that little souls must grow up just like little bodies. And they'll only provide for my religious training—they'll set the Christian example that a little "princess" like me simply has to have.

**THE CHURCH FOR ALL... ALL FOR THE CHURCH**

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For the sake of his community and nation. (3) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
