

**QUARTER MILER**—Jerry Stull, entered in the 440-yard relay and the mile relay tonight against Abilene Christian and North Texas, is one of the stalwarts in sprint relays for Col. Frank Anderson's Aggie track team. This is Stull's last year of competition. He graduates May 21.

# Ags Face ACC, NT Here Tonite

Texas A&M's first home track meet under the lights will feature some of Texas' top collegiate track stars as the Aggies play host to North Texas state college and Abilene Christian college on Kyle Field tonight at 7:30.

A&M should have an advantage over the ACC and NT teams because of greater depth, said Frank (Col. Andy) Anderson, A&M track coach.

However, both ACC and NT are expected to win their share of points in each school's specialty events.

**Two Top Teams**  
In Texas, only A&M and Texas University overshadow the two visiting track powers. For 30 years, ACC and NT have dominated the Texas, Drake and Kansas relays in the middle distance races and relays.

ACC has one of the nation's finest mile relay teams, said Anderson. Their fastest time, a 3:13.1 at the Drake Relays, is the nation's second best this season.

ACC also brings an outstanding

high jumper in Les Vanover. Visiting south Texas relatives, Vanover stopped by A&M the first of this week and easily jumped 6-6, said Anderson.

**Good Half Milers**  
NT half milers should press both A&M and ACC for first place in the half mile run.

A large turnout is expected to see these top athletes perform. The meet will be the last regular one for A&M graduating seniors Jim Blaine, Frank Norris, Gerald Stull, Carroll Libby, Pete Mayeaux, Tom Dollahite, Marvin Swink and James Earle. Earle, a five-year architecture major, will be in school next year, but will not be eligible to perform.

**FAMED ACC RELAY TEAM**—George Adrian, Leon Lepard, Burl McCoy and Don Conder (from l. to r.) make up one of the nation's finest current mile relay squads. They will represent Abilene Christian college here tonight against A&M and North Texas. The team has been invited to compete in the Los Angeles Coliseum relays May 21. Their record-breaking 3:13.1 performance at the Drake Relays second fastest time in the U. S. this year, earned them the bid.

# Tigers Take Tenth In Row; Win 17-0

By CLIFTON BATES  
Consolidated Correspondent

A&M Consolidated crushed Tomball yesterday 17-0 yesterday on Tiger field. Pete Hickman of the Tigers pitched nearly flawless ball, allowing one hit and walking only two Cougars.

This game marked the tenth straight win for the Tigers who lead district 50-B with a two won, none lost record in district play.

The game was called after four and a half innings under a ruling which gives the loser the option of calling the game after four and a

half innings and after ten runs are scored by their opposition.

The Cougars sent three pitchers to the mound. They gave up nine hits, nine walks and 17 runs in four innings. Gene Tanner of Tomball started and lasted for two innings. He was losing pitcher.

Pinky Cooner of the Tigers, playing in centerfield, got two singles, drove in two runs, and scored twice to make the best showing of the afternoon at the plate for the Tigers. Cooner is the Tigers leading hurler with a seven and none record. He played second base from the fourth inning until the game ended.

# Soccer Team Posts 8-0 Win; Ends Play

The A&M soccer team ended the 1954 season with an 8-0 slaughter of the Bryan air force base Cadets here Saturday.

The first four goals for the Aggies were made in the first half, on kicks by Artecona, Casas, LeSage and a Bryan halfback, who accidentally deflected an Aggie shot into the goal for an A&M score.

In the second half, with the Aggie "B" team playing, except for team captain Cardenas and Mayschondt, the Aggies scored four more goals. Three of these last four were scored by Cardenas and one by Rangel.

Players for A&M in the last game were:

The Aggie fencing team goes to Houston tomorrow to defend their championship in a Southwest conference meet Friday and Saturday in the Rice gymnasium.

They will compete with Texas, Rice and possibly TCU, said Bob Braslau, team co-captain.

Aggie starters in the foil division will be Ken Jones, Jerry Ramsey and Braslau; epee division, co-captain Gus Wulfman, Jim Pigg and Don Burton; sabre division, Arthur Garner, Bill Huettel and Carl Hill. ## PREMIUMS

We are spending a goodly portion of our advertising funds this year to purchase desirable premiums to be given our customers in exchange for our cash register receipts dated after April 12th. The values are exceptional as the MINIMUM HANDLING COSTS are added to our WHOLESALE COSTS, and the cash register receipts are given a redemption value of 2% of their face value, which is standard with most — if not all — trading stamp plans. Neither of us pay a third party for UNREDEEMED cash register receipts which makes better premium values possible. Tuesdays green receipts and all Red Star receipts count double.
